China Driving Theory Test —Subject 1

Complete Question Bank, English Study Edition

Scope. Every Subject 1 question in this bank, deduplicated: **2,545 questions**, grouped by chapter, in fixed order. Each item shows the English question and options, the correct answer, a one-line reason, and the original Chinese for reference.

Source. Open dataset (MIT-licensed), July 2022 snapshot of the national 科目一 pool, translated to English. The real exam draws 100 questions from the current pool, 45 minutes, pass 90/100.

Figures. 787 questions include the original exam picture (a sign, signal, or road scene), embedded directly below the question, exactly as shown on the exam screen.

Freshness caveat. A 2022 snapshot; a small number of items may have been revised since. Confirm point-values and limits against a current practice app before exam day.

Traffic Safety Laws, Regulations & Rules / 道路交通安全法律法规

判断题 / True or False **1.** [Image] The way the vehicle marked in the red circle is using its lights, as shown, is correct.

A. Correct **B.** Wrong

中文：如图所示，红圈中标记车辆使用灯光的方法是正确的。

答案 Answer: **B**. Wrong Do not use high beams when meeting oncoming traffic at night; switch to low beams beyond 150 meters, since high beams blind the other driver.

判断题 / True or False **2.** The maximum speed on this stretch of road is 50 km/h.

A. Correct **B.** Wrong

中文：在这段路的最高时速为每小时 50 公里。

答案 Answer: **B**. Wrong A blue sign with white text shows a minimum speed limit, while a red-circled white sign shows a maximum speed limit.

判断题 / True or False **3.** [Image] When encountering this situation while driving, you may tap the horn lightly to alert the non-motor vehicles and pedestrians ahead that a vehicle is approaching from behind.

A. Correct **B.** Wrong

中文：如图所示，驾驶机动车遇到这种情况，可以轻按喇叭提醒前方非机动车和行人后方有来车。

答案 Answer: **A**. Correct A non-motor vehicle ahead is in the middle of the road, so a warning horn tap is appropriate.

判断题 / True or False **4.** In this situation, you must stop and yield to pedestrians.

A. Correct **B.** Wrong

中文：遇到这种情形时要停车避让行人。

答案 Answer: **A**. Correct Pedestrians have priority, so motor vehicles must take care to yield to them.

判断题 / True or False **5.** [Image] When driving straight and encountering congestion ahead, a vehicle may stop temporarily to wait within the yellow grid-marked area, but must not stop on the crosswalk.

A. Correct **B.** Wrong

中文：如图所示，驾驶机动车直行遇前方道路堵塞时，车辆可以在黄色网格线区域临时停车等待，但不得在人行横道停车。

答案 Answer: **B**. Wrong Both crosswalks and yellow grid no-stopping zones prohibit stopping, so vehicles must wait outside the intersection.

判断题 / True or False **6.** When the road ahead has fewer lanes and traffic is moving slowly, vehicles should merge alternately, one from each lane, to keep traffic orderly and safe.

A. Correct **B.** Wrong

中文：遇前方路段车道减少行驶缓慢，为了有序、安全，应依次交替通行。

答案 Answer: **A**. Correct Random lane changes or cutting in when lanes merge cause worse congestion and can lead to accidents.

判断题 / True or False **7.** In this situation, you may speed up to cross the crosswalk.

A. Correct **B.** Wrong

中文：在这种情况下可以加速通过人行横道。

答案 Answer: **B**. Wrong When pedestrians are crossing at a crosswalk, you must stop and yield, then proceed only after they have passed.

判断题 / True or False **8.** This passenger car's way of entering the expressway travel lane is correct.

A. Correct **B.** Wrong

中文：这辆小型载客汽车进入高速公路行车道的行为是正确的。

答案 Answer: **B**. Wrong When entering an expressway, a vehicle must follow the ground guide lines.

判断题 / True or False **9.** [Image] What the dark-colored vehicle marked by the red circle is doing, as shown, is illegal.

A. Correct **B.** Wrong

中文：如图所示，红圈标注的深色车辆的做法是违法的。

答案 Answer: **A**. Correct You must signal well before changing lanes, and a solid line must not be crossed.

判断题 / True or False **10.** When driving uphill and nearing the top of the slope, you should accelerate and sound the horn.

A. Correct **B.** Wrong

中文：驾驶机动车上坡时，在将要到达坡道顶端时要加速并鸣喇叭。

答案 Answer: **B**. Wrong Near the top of a slope the driver's view is blocked, so accelerating there can easily cause an accident.

判断题 / True or False **11.** When driving through an intersection, you must obey the traffic signals.

A. Correct **B.** Wrong

中文：驾驶机动车通过交叉路口要遵守交通信号。

答案 Answer: **A**. Correct Traffic signals include traffic lights, traffic signs, road markings, and police directions.

判断题 / True or False **12.** When opening a vehicle door, you must not obstruct other vehicles or pedestrians.

A. Correct **B.** Wrong

中文：打开机动车车门时，不得妨碍其他车辆和行人通行。

答案 Answer: **A**. Correct Watch for oncoming traffic and pedestrians before opening a door so you do not block their path.

判断题 / True or False **13.** In this situation, you may use the bus lane on the right to overtake.

A. Correct **B.** Wrong

中文：在这种情况下可以借右侧公交车道超车。

答案 Answer: **B**. Wrong Bus-only lanes may not be used by other vehicles.

判断题 / True or False **14.** On an urban road without a center line, a motor vehicle's maximum speed must not exceed 50 km/h.

A. Correct **B.** Wrong

中文：驾驶机动车在没有中心线的城市道路上，最高速度不能超过每小时 50 公里。

答案 Answer: **B**. Wrong Without a center line the limit is 30 km/h in cities and 40 km/h on highways; with a center line it is 50 and 70 km/h.

判断题 / True or False **15.** [Image] The vehicle marked in the picture is allowed to park at this location.

A. Correct **B.** Wrong

中文：图中标注车辆在该地点停车是可以的。

答案 Answer: **B**. Wrong No parking is allowed within 30 meters of a stop or 50 meters of an intersection.

判断题 / True or False **16.** When driving in sandstorm or dusty conditions, you do not need to turn on the headlights, clearance lights, and rear position lights.

A. Correct **B.** Wrong

中文：驾驶机动车在沙尘天气条件下行车不用开启前照灯、示廓灯和后位灯。

答案 Answer: **B**. Wrong In sandstorm or dusty weather, you should turn on headlights, clearance lights, and rear position lights.

判断题 / True or False **17.** On this stretch of road, you may stop temporarily in the non-motor-vehicle lane.

A. Correct **B.** Wrong

中文：这个路段可以在非机动车道上临时停车。

答案 Answer: **B**. Wrong The non-motor-vehicle lane is for non-motor vehicles; motor vehicles are prohibited from stopping there.

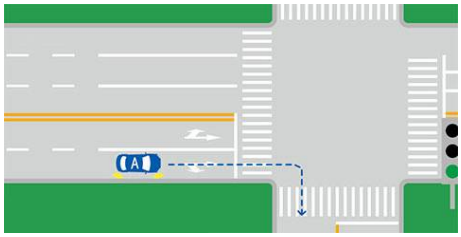
判断题 / True or False **18.** [Image] At an intersection with this sign, you should slow down and yield.

A. Correct **B.** Wrong

中文：如图所示，通过这个标志的路口时应该减速让行。

答案 Answer: **B**. Wrong An octagonal sign with the character for 'Stop' means stop and yield, while a triangular 'Yield' sign means slow down and yield.

判断题 / True or False **19.** [Image] What the motor vehicle is doing as it reaches the intersection, as shown, is correct.



A. Correct **B.** Wrong

中文：如图所示，当机动车行驶至交叉口时的做法是正确的。

答案 Answer: **A**. Correct The signal shown is a round green light, which allows vehicles to go straight or turn right.

判断题 / True or False **20.** [Image] You may make a U-turn at the intersection ahead.

A. Correct **B.** Wrong

中文：如图所示，在前方路口可以掉头。

答案 Answer: **B**. Wrong Railway crossings have complex conditions, so making a U-turn there can easily cause an accident.

判断题 / True or False **21.** Reversing is prohibited at intersections and inside tunnels.

A. Correct **B.** Wrong

中文：在交叉路口、隧道内均不能倒车。

答案 Answer: **A**. Correct Conditions at intersections and inside tunnels are complex, so reversing there easily causes accidents.

判断题 / True or False **22.** At an intersection without traffic signals, when the vehicle ahead is moving slowly, vehicles should proceed in turn, alternating.

A. Correct **B.** Wrong

中文：驾驶机动车在没有交通信号的路口遇到前方车辆缓慢行驶时要依次交替通行。

答案 Answer: **A**. Correct Traffic conditions at intersections without signals are complex, so vehicles should slow down and proceed cautiously in turn.

判断题 / True or False **23.** When a motor vehicle breaks down on an expressway, a warning triangle should be placed 50 to 100 meters behind it, on the side traffic is coming from.

A. Correct **B.** Wrong

中文：机动车在高速公路上发生故障时，在来车方向 50 至 100 米处设置警告标志。

答案 Answer: **B**. Wrong The warning triangle should be placed more than 150 meters back on an expressway; 50-150 meters applies to ordinary roads.

判断题 / True or False **24.** When the intersection ahead is congested, if there is no yellow grid marking inside it, you may stop and wait inside the intersection.

A. Correct **B.** Wrong

中文：驾驶机动车遇前方交叉路口交通阻塞时，路口内无网状线的，可停在路口内等候。

答案 Answer: **B**. Wrong When an intersection is congested, vehicles should queue and wait outside the stop line, not inside the intersection.

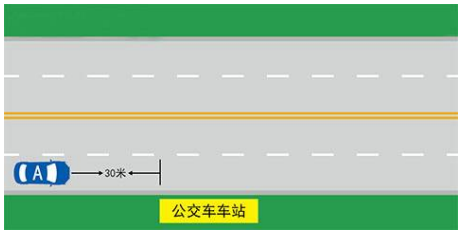
判断题 / True or False **25.** When a vehicle breaks down and cannot move, a warning triangle should first be placed 50-150 meters behind it to prevent rear-end collisions.

A. Correct **B.** Wrong

中文：车辆发生故障而无法移动时，首先应在车辆后方 50-150 米处放置危险警告标志，防止后车追尾。

答案 Answer: **B**. Wrong The correct placement is 50-100 meters on an ordinary road and more than 150 meters on an expressway.

判断题 / True or False **26.** [Image] Vehicle A is allowed to park here.



A. Correct **B.** Wrong

中文：如图所示，A 车在此处停车是可以的。

答案 Answer: **A**. Correct No parking is allowed within 30 meters of a stop or 50 meters of an intersection.

判断题 / True or False **27.** Is the following action correct?

A. Correct **B.** Wrong

中文：下列做法是否正确?

答案 Answer: **B**. Wrong When towing, speed must not exceed 30 km/h, the following distance must be more than 150 meters, and the vehicle must travel in the rightmost lane.

判断题 / True or False **28.** You may make a U-turn at this intersection.

A. Correct **B.** Wrong

中文：在这个路口可以掉头。

答案 Answer: **B**. Wrong Follow traffic signals; safety comes first.

判断题 / True or False **29.** A motor vehicle should turn on the turn signal at the same time as it changes lanes.

A. Correct **B.** Wrong

中文：驾驶机动车应在变更车道的同时开启转向灯。

答案 Answer: **B**. Wrong You should signal well before changing lanes, ensuring a safe distance before actually changing.

判断题 / True or False **30.** Do not hang or place items that obstruct the driver's view within the front or rear windshield area of the cab.

A. Correct **B.** Wrong

中文：不要在驾驶室的前后窗范围内悬挂和放置妨碍驾驶人视线的物品。

答案 Answer: **A**. Correct A clear view for the driver is essential to ensure safe driving.

判断题 / True or False **31.** When driving over a flooded road or flooded bridge, you should stop and check the water conditions first.

A. Correct **B.** Wrong

中文：驾驶机动车行经漫水路或者漫水桥时，应当停车察明水情。

答案 Answer: **A**. Correct You must confirm it is safe before crossing a flooded section of road.

判断题 / True or False **32.** When making a U-turn, turning, or driving down a steep slope, a motor vehicle's maximum speed must not exceed 40 km/h.

A. Correct **B.** Wrong

中文：驾驶机动车掉头、转弯、下陡坡时的最高速度不能超过每小时 40 公里。

答案 Answer: **B**. Wrong The speed limit for U-turns, turns, and steep downhill driving is 30 km/h.

判断题 / True or False **33.** Traffic signs and road markings are not part of traffic signals.

A. Correct **B.** Wrong

中文：交通标志和交通标线不属于交通信号。

答案 Answer: **B**. Wrong Signs and markings are both used to convey traffic signals.

判断题 / True or False **34.** At this position in the intersection, you may speed up to get through it.

A. Correct **B.** Wrong

中文：在路口这个位置时可以加速通过路口。

答案 Answer: **B**. Wrong Stop on red, go on green, and slow to a stop when yellow appears.

判断题 / True or False **35.** When approaching a railway crossing in this situation, you must stop and observe.

A. Correct **B.** Wrong

中文：行至这种情况的铁路道口要停车观察。

答案 Answer: **A**. Correct The rule is: stop, look, then proceed.

判断题 / True or False **36.** In sandstorm, hail, rain, fog, icy, or similar weather conditions, a motor vehicle should reduce its speed.

A. Correct **B.** Wrong

中文：驾驶机动车遇到沙尘、冰雹、雨、雾、结冰等气象条件时应降低行驶速度。

答案 Answer: **A**. Correct In driving, safety always comes first.

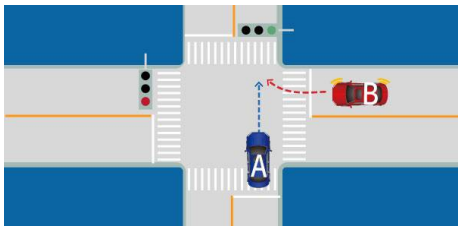
判断题 / True or False **37.** Other vehicles are not permitted to drive in a dedicated lane, so as not to affect the normal passage of the vehicles it is reserved for.

A. Correct **B.** Wrong

中文：其他车辆不准进入专用车道行驶，其目的是为了不影响专用车的正常通行。

答案 Answer: **A**. Correct A dedicated lane is for its designated vehicles only; other vehicles may not use it.

判断题 / True or False **38.** [Image] Vehicle B has the right of way.



A. Correct **B.** Wrong

中文：如图所示，B 车具有优先通行权。

答案 Answer: **B**. Wrong Right turns yield to left turns, left turns yield to going straight, and turning yields to going straight.

判断题 / True or False **39.** Overtaking is prohibited in tunnels, on steep slopes, and other special sections of road.

A. Correct **B.** Wrong

中文：驾驶机动车在隧道、陡坡等特殊路段不得超车。

答案 Answer: **A**. Correct Conditions in tunnels and on steep slopes are complex, so overtaking there easily causes accidents.

判断题 / True or False **40.** When making a U-turn on the road, a motor vehicle should turn on the left turn signal in advance.

A. Correct **B.** Wrong

中文：驾驶机动车在道路上掉头时提前开启左转向灯。

答案 Answer: **A**. Correct A U-turn is made by turning left, so you should use the left turn signal.

判断题 / True or False **41.** Parking is prohibited within 50 meters of a narrow road less than 4 meters wide.

A. Correct **B.** Wrong

中文：距离宽度不足 4 米的窄路 50 米以内的路段不能停车。

答案 Answer: **A**. Correct The same no-parking buffer, 30 meters from a stop and 50 meters from an intersection, applies to narrow roads too.

判断题 / True or False **42.** On this sharp curve, you should alternate between high and low beams while driving.

A. Correct **B.** Wrong

中文：在这种急弯道路上行车应交替使用远近光灯。

答案 Answer: **A**. Correct At night, when driving through a sharp curve, alternate high and low beams to signal your presence.

判断题 / True or False **43.** At night, the correct practice when meeting oncoming traffic on a narrow road or narrow bridge is to use high beams.

A. Correct **B.** Wrong

中文：夜间驾驶机动车在窄路、窄桥会车时正确的做法是使用远光灯。

答案 Answer: **B**. Wrong At night when meeting oncoming traffic, switch to low beams beyond 150 meters.

判断题 / True or False **44.** [Image] When traffic ahead is moving slowly, it is correct to use the bus-only lane to overtake.

A. Correct **B.** Wrong

中文：如图所示，驾驶机动车遇前方车流行驶缓慢时，借用公交专用道超车是正确的。

答案 Answer: **B**. Wrong Other vehicles may not use or overtake in a bus-only lane.

判断题 / True or False **45.** A motor vehicle must not make a U-turn at railway crossings, on bridges, steep slopes, in tunnels, or on other sections prone to danger.

A. Correct **B.** Wrong

中文：驾驶机动车在铁路道口、桥梁、陡坡、隧道或者容易发生危险的路段不能掉头。

答案 Answer: **A**. Correct These are complex road conditions that easily cause accidents, so U-turns are prohibited there.

判断题 / True or False **46.** When a motor vehicle breaks down on the road and cannot move, a warning triangle should be placed within 50 meters behind it.

A. Correct **B.** Wrong

中文：机动车在道路上发生故障难以移动时要在车后 50 米以内设置警告标志。

答案 Answer: **B**. Wrong First move occupants out of the vehicle to safety, turn on hazard lights, place the warning triangle 50-100 meters behind, then call for help.

单选题 / Single choice **168.** How should a driver turn right at this intersection?

A. Yield to the oncoming vehicle turning left first **B.** Turn right directly **C.** Rush to turn right ahead of the oncoming vehicle **D.** Sound the horn to hurry the other vehicle

中文：在这个路口右转弯如何通行?

答案 Answer: **A**. Yield to the oncoming vehicle turning left first The right of way order is: right turns yield to left turns, left turns yield to through traffic, and turning yields to going straight.

单选题 / Single choice **169.** What should a driver do first when encountering this kind of bridge?

A. Cross at a steady speed **B.** Accelerate through as quickly as possible **C.** Cross slowly at low speed **D.** Stop and check the water conditions

中文：驾驶机动车遇到这种桥时首先怎样办?

答案 Answer: **D**. Stop and check the water conditions When encountering water conditions on the road, a driver must confirm safety before proceeding.

单选题 / Single choice **170.** What is the maximum speed when driving through a narrow road or narrow bridge?

A. 60 km/h **B.** 50 km/h **C.** 40 km/h **D.** 30 km/h

中文：驾驶机动车通过窄路、窄桥时，最高速度不能超过多少?

答案 Answer: **D**. 30 km/h The maximum speed on a narrow road or narrow bridge must not exceed 30 km/h.

单选题 / Single choice **171.** When following another vehicle through a water-covered section, what should a driver do?

A. Overtake the vehicle ahead to go first **B.** Drive alongside it **C.** Increase the following distance appropriately **D.** Follow closely behind it

中文：在涉水路段跟车时，应当怎样做?

答案 Answer: **C**. Increase the following distance appropriately On a water-covered road, braking is less effective, so an insufficient following distance can easily cause a rear-end collision.

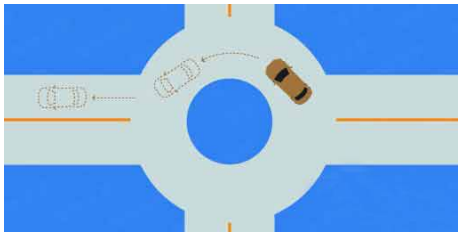
单选题 / Single choice **172.** What should a driver do when reaching a flooded road section?

A. Cross the water-covered section at low speed **B.** Cross at low speed in a high gear **C.** Cross fast to minimize time in the water **D.** Coast through in neutral

中文：行至漫水路段时，应当怎样做?

答案 Answer: **A**. Cross the water-covered section at low speed On a flooded road, the road surface is submerged, so drivers must proceed cautiously and slowly.

单选题 / Single choice **173.** [Image] As shown, how should a driver use their lights when exiting this intersection?



A. Turn on the right turn signal **B.** Turn on the hazard warning flashers **C.** No need to turn on any turn signal **D.** Turn on the left turn signal

中文：如图所示，驾驶机动车驶出这个路口时应当怎样使用灯光?

答案 Answer: **A**. Turn on the right turn signal At a roundabout, no signal is needed when entering, but the right turn signal must be used when exiting.

单选题 / Single choice **174.** How should a driver get through an intersection like this?

A. Pass through without slowing down **B.** Accelerate through as quickly as possible **C.** Coast through in neutral **D.** Slow down or stop to observe

中文：怎样通过这样的路口？

答案 Answer: **D**. Slow down or stop to observe Safety comes first, so a driver should confirm it is safe before proceeding.

单选题 / Single choice **175.** On an expressway, when visibility drops below 100 meters, what is the maximum speed allowed?

A. Must not exceed 40 km/h **B.** Must not exceed 60 km/h **C.** Must not exceed 80 km/h **D.** Must not exceed 90 km/h

中文：驾驶机动车在高速公路遇到能见度低于 100 米的气象条件时，最高车速是多少？

答案 Answer: **A**. Must not exceed 40 km/h Low-visibility expressway speed limits follow tiers (mnemonic 200/100/50m thresholds), and under 100m visibility the cap is 40 km/h.

单选题 / Single choice **176.** Which of the following vehicles ahead in the same lane must not be overtaken?

A. A large passenger or cargo vehicle **B.** A fire engine on an emergency call **C.** A public bus **D.** A taxi

中文：同车道行驶的车辆前方遇到下列哪种车辆不得超车？

答案 Answer: **B**. A fire engine on an emergency call Police cars, fire engines, ambulances, and engineering rescue vehicles on emergency duty have right of way and must not be overtaken.

单选题 / Single choice **177.** [Image] As shown, when driving at night close behind another vehicle going the same direction, what is the correct practice?

A. Use high beams, since it helps you see the road surface **B.** Do not use high beams, to avoid the light hitting the vehicle ahead's mirrors and dazzling its driver **C.** Use high beams, since it lets the driver ahead know a vehicle is behind **D.** Do not use high beams, to avoid the light reflecting back and dazzling yourself

中文：如图所示，夜间驾驶机动车与同方向行驶的前车距离较近时，以下做法正确的是什么？

答案 Answer: **B**. Do not use high beams, to avoid the light hitting the vehicle ahead's mirrors and dazzling its driver When following closely at night, using high beams will dazzle and disturb the vision of the driver ahead.

单选题 / Single choice **178.** Which of the following expressway traffic signs correctly matches its meaning?

A. Sign 1 **B.** Sign 2 **C.** Sign 3 **D.** Sign 4

中文：下列高速公路交通标志与其含义对应的正确的一项是？

答案 Answer: **C**. Sign 3 The correct sign marks an emergency stopping bay, a bulged-out section along the expressway shoulder.

单选题 / Single choice **179.** How should a driver use their lights when overtaking at night?

A. Flash between high and low beam **B.** Turn on the fog lights **C.** Turn on the high beams **D.** Turn off the headlights

中文：驾驶机动车在夜间超车时怎样使用灯光？

答案 Answer: **A**. Flash between high and low beam Visibility is poor at night, so a driver must signal in advance before overtaking.

单选题 / Single choice **180.** [Image] As shown, why are U-turns prohibited at this railway crossing?

A. Because there is a railway crossing signal light **B.** Because railway crossings have heavy traffic **C.** Because it easily causes accidents **D.** Because there is a railway crossing sign

中文：如图所示，铁路道口禁止掉头的原因是什么？

答案 Answer: **C**. Because it easily causes accidents U-turns are strictly prohibited at railway crossings because they easily cause accidents.

单选题 / Single choice **181.** When a vehicle breaks down on the road and needs to stop for repairs, what should the driver do?

A. Stop right where it is to fix the fault **B.** Turn on the low beams or fog lights **C.** Move the vehicle to a spot that does not obstruct traffic **D.** Stop the vehicle in the middle of the road

中文：机动车在道路上发生故障，需要停车排除时，驾驶人应该怎么办？

答案 Answer: **C**. Move the vehicle to a spot that does not obstruct traffic Under no circumstances should a stopped vehicle obstruct traffic.

单选题 / Single choice **182.** How should a driver proceed on a road section like this?

A. Slow down and sound the horn to signal **B.** Speed up and sound the horn to pass through **C.** Turn at the center of the curve **D.** Cross into the oncoming lane to turn

中文：在这种路段如何行驶？

答案 Answer: **A**. Slow down and sound the horn to signal On a sharp bend the driver's sight distance is limited, so they should slow down and sound the horn to warn oncoming traffic.

单选题 / Single choice **183.** When driving on an expressway in low-visibility weather with visibility under 200 meters, what is the maximum speed and the minimum following distance from the vehicle ahead in the same lane?

A. 60 km/h, 100 m **B.** 70 km/h, 100 m **C.** 40 km/h, 80 m **D.** 30 km/h, 80 m

中文：驾驶机动车在高速公路上行驶，遇低能见度气象条件时，能见度在 200 米以下，车速不得超过每小时多少公里，与同车道前车至少保持多少米的距离？

答案 Answer: **A**. 60 km/h, 100 m Low-visibility expressway rules follow a tiered mnemonic (200/100/50m thresholds), and under 200m visibility the cap is 60 km/h with 100m spacing.

单选题 / Single choice **184.** How should a driver proceed when encountering this situation at an intersection?

A. Turn right **B.** Keep right and go straight **C.** Obey the traffic light **D.** Stop and wait

中文：驾驶机动车在路口遇到这种情况如何行驶？

答案 Answer: **D**. Stop and wait When a traffic police officer's signal conflicts with the traffic light, the officer's directions always take priority.

单选题 / Single choice **185.** How should a driver proceed when the vehicle ahead is moving slowly?

A. Overtake freely from either side **B.** Overtake by borrowing the right-side lane **C.** Overtake using the oncoming lane **D.** Line up and proceed in order

中文：遇到前方车辆缓慢行驶时怎样行驶?

答案 Answer: **D**. Line up and proceed in order The solid line on the left must not be crossed and the emergency lane on the right must not be used, so vehicles should simply queue up.

单选题 / Single choice **186.** What is the maximum speed for driving in this lane?

A. 120 km/h **B.** 110 km/h **C.** 100 km/h **D.** 90 km/h

中文：在这条车道行驶的最高车速是多少?

答案 Answer: **D**. 90 km/h Where signs and markings are posted, drivers must follow the speed shown by them.

单选题 / Single choice **187.** What is the maximum speed for driving on a muddy road?

A. 15 km/h **B.** 20 km/h **C.** 30 km/h **D.** 40 km/h

中文：驾驶机动车在泥泞道路行驶时，最高速度不能超过多少?

答案 Answer: **C**. 30 km/h In poor road conditions such as mud, speed must not exceed 30 km/h.

单选题 / Single choice **188.** In this situation, from which side should a driver overtake the vehicle ahead?

A. From the right side **B.** Either side is fine **C.** From the left side **D.** From whichever side is unobstructed

中文：这种情况超车时，从前车的哪一侧超越?

答案 Answer: **C**. From the left side Overtaking is only permitted from the left side of the vehicle ahead.

单选题 / Single choice **189.** What does this sign mean?

A. Warns drivers the road ahead runs along a reservoir, lake, or river **B.** Warns drivers of an upward steep slope ahead **C.** Warns drivers of two or more consecutive upward slopes ahead **D.** Warns drivers of a downward steep slope ahead

中文：这个标志是何含义?

答案 Answer: **B**. Warns drivers of an upward steep slope ahead On an upward steep slope, drivers must proceed with extra caution.

单选题 / Single choice **190.** How should a driver use their lights when meeting oncoming traffic on a narrow road or narrow bridge at night?

A. Turn off all lights **B.** Turn on the low beams **C.** Turn off the headlights **D.** Turn on the high beams

中文：夜间驾驶机动车在窄路、窄桥会车怎样使用灯光?

答案 Answer: **B**. Turn on the low beams High beams must never be used when meeting oncoming traffic.

单选题 / Single choice **191.** [Image] As shown, when a vehicle enters an intersection like this, which of the following statements is INCORRECT?

A. Because visibility is blocked, the horn should be sounded to warn vehicles on the side road **B.** Visibility at the front-right of the intersection is blocked, so a vehicle suddenly emerging can easily cause an accident **C.** This vehicle has the right of way, so it may accelerate through **D.** To avoid the danger of a vehicle suddenly emerging from the intersection, speed should be reduced appropriately

中文：如图所示，当车辆驶进这样的路口时，以下说法错误的是什么?

答案 Answer: **C**. This vehicle has the right of way, so it may accelerate through This question asks for the wrong statement; accelerating through a blocked-visibility intersection is incorrect and unsafe.

单选题 / Single choice **192.** How should a driver use their lights while pulling over to park by the roadside?

A. Flash between high and low beam **B.** No indicator signal is needed **C.** Turn on the hazard warning flashers **D.** Turn on the right turn signal in advance

中文：驾驶机动车在道路上靠路边停车过程中如何使用灯光?

答案 Answer: **D**. Turn on the right turn signal in advance Pulling over means steering right, so the right turn signal must be used.

单选题 / Single choice **193.** What should a driver do when encountering this situation?

A. Go around in front of the pedestrian **B.** Stop and let the pedestrian go first **C.** Sound the horn to warn the pedestrian **D.** Go around behind the pedestrian

中文：遇到这种情形时，应怎么办?

答案 Answer: **B**. Stop and let the pedestrian go first Courteous driving means giving way to pedestrians.

单选题 / Single choice **194.** On which of the following road sections is reversing prohibited?

A. A sharp bend **B.** A tunnel **C.** An intersection **D.** All of the above

中文：在以下路段不能倒车的是什么?

答案 Answer: **D**. All of the above Reversing is prohibited at railway crossings, intersections, one-way roads, bridges, sharp bends, steep slopes, and tunnels.

单选题 / Single choice **195.** When driving on an expressway in snowy weather, which statement about safe following distance is INCORRECT?

A. Snowy roads are slippery, so braking distance is longer than on dry pavement **B.** Visibility is low in snow, so following distance should be based on visibility **C.** When visibility is under 200m, keep at least a 50m safety distance from the vehicle ahead **D.** When visibility is under 50m, the driver should exit the expressway

中文：雪天在高速公路上驾驶时，关于安全车距错误的说法是什么?

答案 Answer: **C**. When visibility is under 200m, keep at least a 50m safety distance from the vehicle ahead Under 200m visibility the required minimum distance is 100m, not 50m, per the tiered visibility mnemonic.

单选题 / Single choice **196.** What violation does parking a vehicle this way involve?

A. Parking on the sidewalk **B.** Parking at a bus stop **C.** Parking on a road section with a no-stopping sign **D.** Parking in a non-motor-vehicle lane

中文：这样停放机动车有什么违法行为?

答案 Answer: **B**. Parking at a bus stop Under the 30m/50m rule, stopping within the required distance of a bus stop is prohibited.

单选题 / Single choice **197.** [Image] As shown, when driving at night and an oncoming vehicle uses high beams so that the road ahead cannot be seen clearly, what is the correct response?

A. Keep the same direction and speed **B.** Also turn on your own high beams **C.** Slow down and pass with caution **D.** Speed up to get past the glare quickly

中文：如图所示，夜间驾驶机动车遇对方使用远光灯，无法看清前方路况时，以下做法正确的是什么?

答案 Answer: **C**. Slow down and pass with caution When meeting oncoming traffic at night, low beams should always be used, and speed should be reduced for safety.

单选题 / Single choice **198.** [Image] As shown, while driving in the leftmost lane of an expressway and wanting to exit, which statement is correct?

A. Immediately slow down then change lanes to the right **B.** To change lanes quickly, accelerate past the vehicles on the right, then change lanes **C.** Change one lane at a time until reaching the rightmost lane **D.** Wait for a good moment and change directly to the right lane in one move

中文：如图所示，在高速公路最左侧车道行驶，想驶离高速公路，以下说法正确的是什么?

答案 Answer: **C**. Change one lane at a time until reaching the rightmost lane Consecutive lane changes across multiple lanes at once are not allowed on an expressway; change one lane at a time.

单选题 / Single choice **199.** What kind of lane is the red car's lane on this road?

A. The fast lane **B.** The slow lane **C.** A dedicated lane **D.** The emergency lane

中文：这段道路红车所在车道是什么车道?

答案 Answer: **A**. The fast lane With three lanes in the same direction, the leftmost is the fast lane and the rightmost is the slow lane.

单选题 / Single choice **200.** How should a driver pass through an intersection with no traffic signal?

A. Slow down and proceed cautiously **B.** Speed up to get through **C.** Large vehicles go first **D.** Vehicles on the left go first

中文：驾驶机动车通过没有交通信号的交叉路口怎样行驶?

答案 Answer: **A**. Slow down and proceed cautiously An intersection with no traffic signal has complex conditions, so drivers should slow down.

单选题 / Single choice **201.** What is the minimum speed for driving in this lane?

A. 60 km/h **B.** 90 km/h **C.** 100 km/h **D.** 110 km/h

中文：在这条车道行驶的最低车速是多少?

答案 Answer: **C**. 100 km/h On an expressway with two lanes in the same direction, the left lane's minimum speed is 100 km/h.

单选题 / Single choice **202.** How should a driver use their lights at this position?

A. Turn on the left turn signal **B.** Turn on the right turn signal **C.** Turn on the hazard warning flashers **D.** Turn on the headlights

中文：在这个位置时怎样使用灯光?

答案 Answer: **A**. Turn on the left turn signal On an expressway, use the left signal when merging in and the right signal when exiting.

单选题 / Single choice **203.** Which of the following traffic signs means 'no stopping'?

A. Sign 1 **B.** Sign 2 **C.** Sign 3 **D.** Sign 4

中文：下列哪个交通标志表示不能停车?

答案 Answer: **B**. Sign 2 A red cross indicates no stopping, a blank circle means no entry, and a white bar means no driving through.

单选题 / Single choice **204.** Why does the rule require vehicles on a side road to yield to vehicles on the main road?

A. Vehicles on the side road can observe traffic more easily **B.** Main road traffic is heavier and faster **C.** Main road traffic is lighter but faster **D.** Vehicles on the side road are faster

中文：为什么规定辅路车让主路车先行?

答案 Answer: **B**. Main road traffic is heavier and faster Main-road traffic is heavier and faster, so side-road vehicles must yield to it.

单选题 / Single choice **205.** On a narrow mountain road, why does the rule give priority to the vehicle on the side away from the mountain?

A. The vehicle away from the mountain is faster **B.** The vehicle on the mountain side has a wider view **C.** The vehicle on the mountain side is relatively safer **D.** All three are correct

中文：在狭窄的山路会车，规定不靠山体的一方优先行驶的原因是什么?

答案 Answer: **C**. The vehicle on the mountain side is relatively safer The vehicle on the mountain side is in the relatively safer position, so it must yield to the vehicle on the outer side.

单选题 / Single choice **206.** What is the maximum speed for driving on this stretch of city road?

A. 30 km/h **B.** 40 km/h **C.** 50 km/h **D.** 70 km/h

中文：在这段城市道路上行驶的最高速度不能超过多少?

答案 Answer: **A**. 30 km/h On a city road without a center line, the limit is 30 km/h; with a center line, it is 50 km/h.

单选题 / Single choice **207.** What should a driver do when the vehicle ahead is queued waiting or moving slowly?

A. Overtake by borrowing another lane **B.** Use the oncoming lane **C.** Cut in among the waiting vehicles **D.** Proceed in order, following the queue

中文：驾驶机动车遇到前方车辆停车排队等候或缓慢行驶时怎么办?

答案 Answer: **D**. Proceed in order, following the queue Forcing your way through, borrowing lanes, or cutting in causes even worse congestion.

单选题 / Single choice **208.** What is the maximum speed for driving on this highway?

A. 30 km/h **B.** 40 km/h **C.** 50 km/h **D.** 70 km/h

中文：在这条公路上行驶的最高速度不能超过多少?

答案 Answer: **D**. 70 km/h On a highway (non-city road) with a center line, the maximum speed is 70 km/h.

单选题 / Single choice **209.** When passing through an intersection with no traffic signal, which of the following statements is INCORRECT?

A. A turning vehicle yields to through vehicles and pedestrians **B.** Where there are no signs or markings, stop and look before entering the intersection, yielding to traffic from the right **C.** A right-turning vehicle yields to an oncoming left-turning vehicle **D.** A left-turning vehicle yields to an oncoming right-turning vehicle

中文：驾驶机动车通过未设置交通信号灯的交叉路口时，下列说法错误的是什么?

答案 Answer: **D**. A left-turning vehicle yields to an oncoming right-turning vehicle The correct order is right turns yield to left turns (not the reverse), left turns yield to through traffic, and turning yields to going straight.

单选题 / Single choice **210.** What violation is involved in temporarily parking a vehicle by the roadside this way?

A. Parking in a non-motor-vehicle lane **B.** Parking on a crosswalk **C.** Parking more than 30cm from the curb **D.** Parking on a road section with a no-stopping marking

中文：这样在路边临时停放机动车有什么违法行为?

答案 Answer: **B**. Parking on a crosswalk Parking on a crosswalk violates the Road Traffic Safety Law.

单选题 / Single choice **211.** [Image] As shown, when following another vehicle in this situation, why must high beams not be used?

A. It will affect the vision of the driver ahead **B.** It makes it harder to see the road right in front **C.** It will affect your own vision **D.** It makes it harder to see the road far ahead

中文：如图所示，在这种情况下跟车行驶，不能使用远光灯的原因是什么?

答案 Answer: **A**. It will affect the vision of the driver ahead High-beam light is concentrated and intensely bright, which can cause temporary 'blindness' in the driver ahead.

单选题 / Single choice **212.** What is the WRONG thing to do when a vehicle breaks down on an expressway?

A. Turn on the hazard warning flashers **B.** Set up a warning triangle as required **C.** Occupants must not get out of the vehicle **D.** Call for help promptly

中文：机动车在高速公路上发生故障时错误的做法是什么?

答案 Answer: **C**. Occupants must not get out of the vehicle When a vehicle breaks down, occupants should evacuate promptly to a safe area, not stay inside.

单选题 / Single choice **213.** Which of the following vehicles ahead in the same lane must not be overtaken?

A. A police car on an emergency call **B.** A large passenger or cargo vehicle **C.** A taxi **D.** A city public bus

中文：同车道行驶的车辆前方遇到下列哪种车辆不得超车?

答案 Answer: **A**. A police car on an emergency call Police cars, fire engines, ambulances, and engineering rescue vehicles on emergency duty have right of way and must not be overtaken.

单选题 / Single choice **214.** When overtaking, why should the driver turn on the left turn signal in advance and flash the lights or sound the horn?

A. Only to warn vehicles behind **B.** Only to warn the vehicle ahead **C.** To warn both vehicles behind and ahead **D.** To warn pedestrians

中文：在超越前车时，提前开启左转向灯，变换使用远、近光灯或者鸣喇叭是为了什么?

答案 Answer: **C**. To warn both vehicles behind and ahead Before overtaking, other vehicles must be signaled in advance.

单选题 / Single choice **215.** When driving a small passenger car on an expressway at under 100 km/h, what is the minimum following distance?

A. Not less than 50 meters **B.** Not less than 30 meters **C.** Not less than 20 meters **D.** Not less than 10 meters

中文：驾驶小型载客汽车在高速公路上时速低于 100 公里时的最小跟车距离是多少?

答案 Answer: **A**. Not less than 50 meters On an expressway, if speed exceeds 100 km/h the distance must exceed 100m; below 100 km/h, it must be at least 50m.

单选题 / Single choice **216.** How should a U-turn be made at an intersection like this?

A. U-turn on the crosswalk **B.** U-turn after entering the intersection **C.** U-turn from the right lane **D.** U-turn where the center line is dashed

中文：在这种路口怎样进行掉头?

答案 Answer: **D**. U-turn where the center line is dashed A dashed line may be crossed, while a solid line may not.

单选题 / Single choice **217.** [Image] As shown, when encountering this situation, what is the correct action?

A. Slow down and sound the horn to signal **B.** Temporarily use the left lane to widen the field of view **C.** Speed up **D.** Stop and observe

中文：如图所示，驾驶机动车遇到这种情况，以下做法正确的是什么？

答案 Answer: **A**. Slow down and sound the horn to signal A sharp bend limits the driver's safe sight distance, so slowing down and sounding the horn to warn oncoming traffic is safest.

单选题 / Single choice **218.** What does this signal light at the intersection ahead mean when lit?

A. Intersection warning **B.** No passing **C.** Passing permitted **D.** Caution advised

中文：前方路口这种信号灯亮表示什么意思？

答案 Answer: **C**. Passing permitted Stop on red, go on green, and wait when the light turns yellow; here a green light permits passing.

单选题 / Single choice **219.** When meeting oncoming traffic at night, at what distance should a driver switch from high beams to low beams?

A. No need to change the lights **B.** Beyond 150 meters **C.** Within 100 meters **D.** Within 50 meters

中文：夜间在道路上会车时，距离对向来车多远将远光灯改用近光灯？

答案 Answer: **B**. Beyond 150 meters High-beam light is too strong; at close range it disturbs the vision of the oncoming driver.

单选题 / Single choice **220.** Regarding throwing or littering objects onto the road while driving, which statement is INCORRECT?

A. Throwing light objects like paper can block a driver's view and distract them **B.** It may cause other drivers to react suddenly, such as swerving to avoid it, leading to accidents **C.** It damages the environment, harms cleanliness, and can even damage the road surface **D.** It keeps the car interior tidy and reduces fuel consumption

中文：驾驶车辆时在道路上抛撒物品，以下说法不正确的是？

答案 Answer: **D**. It keeps the car interior tidy and reduces fuel consumption Throwing objects out of a moving vehicle affects following traffic and can easily cause accidents; it is not about tidiness or fuel.

单选题 / Single choice **221.** How should a vehicle travel on a road like this?

A. Drive along the two sides of the road **B.** Drive down the middle of the road **C.** Follow lane divisions **D.** Drive however desired

中文：驾驶机动车在这种道路上如何通行？

答案 Answer: **B**. Drive down the middle of the road With a center line, vehicles keep to their side; with no center line, they drive down the middle.

单选题 / Single choice **222.** On which of the following road sections is overtaking prohibited?

A. An elevated road **B.** An intersection **C.** A ring expressway **D.** A downtown street

中文：驾驶机动车行经下列哪种路段时不得超车?

答案 Answer: **B**. An intersection Overtaking is only allowed where it is safe, and an intersection is not one of those places.

单选题 / Single choice **223.** When following a vehicle in rainy weather like this, which use of lights is correct?

A. Use high beams **B.** Low beams must not be used **C.** High beams must not be used **D.** Use fog lights

中文：在这种雨天跟车行驶使用灯光，以下做法正确的是?

答案 Answer: **C**. High beams must not be used Using high beams affects the vision of the vehicle ahead and can cause an accident.

单选题 / Single choice **224.** In which of the following situations must a driver NOT overtake the vehicle ahead?

A. The vehicle ahead is slowing to yield **B.** The vehicle ahead is turning left **C.** The vehicle ahead is pulling over to stop **D.** The vehicle ahead is turning right

中文：驾驶机动车在下列哪种情形下不能超越前车?

答案 Answer: **B**. The vehicle ahead is turning left Overtaking is only permitted when it is safe, and a left-turning vehicle ahead is not a safe situation to overtake.

单选题 / Single choice **225.** What is the maximum speed when driving through a railway crossing?

A. 15 km/h **B.** 20 km/h **C.** 30 km/h **D.** 40 km/h

中文：驾驶机动车通过铁路道口时，最高速度不能超过多少?

答案 Answer: **C**. 30 km/h Conditions at railway crossings are complex, so speed must be controlled and kept under 30 km/h.

单选题 / Single choice **226.** What should a driver do when entering this intersection?

A. Flash between high and low beam to make vehicles in the intersection yield **B.** Cut in quickly ahead of vehicles already in the intersection **C.** Yield to vehicles already in the intersection **D.** Sound the horn and enter the intersection directly

中文：进入这个路口应该怎样做?

答案 Answer: **C**. Yield to vehicles already in the intersection Courteous driving means yielding politely, so vehicles already in the intersection go first.

单选题 / Single choice **227.** Why should a driver turn on the turn signal in advance before changing lanes?

A. To signal the vehicle ahead to yield **B.** To signal other vehicles that this vehicle is about to change lanes **C.** To widen the field of view for observing the road **D.** To signal pedestrians to yield

中文：驾驶机动车变更车道为什么要提前开启转向灯?

答案 Answer: **B**. To signal other vehicles that this vehicle is about to change lanes A driver must never disrupt other vehicles' normal travel, including when changing lanes, hence the need to signal in advance.

单选题 / Single choice **228.** [Image] As shown, when encountering this situation, what is the correct action?

A. Slow down to observe the water conditions, then accelerate through **B.** Stop to check the water conditions, and after confirming it is safe, cross at low speed **C.** Stop to check the water conditions, and after confirming it is safe, cross quickly **D.** Cross however desired

中文：如图所示，驾驶机动车遇到这种情况时，以下做法正确的是什么?

答案 Answer: **B**. Stop to check the water conditions, and after confirming it is safe, cross at low speed Crossing a water-covered road too fast can cause the engine to stall midway.

单选题 / Single choice **229.** On a road with no marked motor-vehicle lane, non-motor-vehicle lane, or sidewalk, which statement is correct?

A. Motor vehicles travel on the left; non-motor-vehicles and pedestrians travel however they like **B.** Motor vehicles travel on the left; non-motor-vehicles and pedestrians travel along the two sides **C.** Motor vehicles travel down the middle; non-motor-vehicles and pedestrians travel along the two sides **D.** Motor vehicles, non-motor-vehicles, and pedestrians may all travel however they like

中文：道路没有划分机动车道、非机动车道和人行道的，以下说法正确的是什么?

答案 Answer: **C**. Motor vehicles travel down the middle; non-motor-vehicles and pedestrians travel along the two sides Where there is no center line, motor vehicles travel down the middle while others use the sides.

单选题 / Single choice **230.** On an expressway, when visibility drops below 50 meters and speed must not exceed 20 km/h, what else should a driver do?

A. Drive in the emergency lane **B.** Exit the expressway as soon as possible **C.** Drive slowly on the shoulder **D.** Stop by the roadside as soon as possible

中文：驾驶机动车在高速公路遇到能见度低于 50 米的气象条件时，车速不得超过 20 公里/小时，还应怎么做?

答案 Answer: **B**. Exit the expressway as soon as possible Under the tiered visibility mnemonic, below 50m visibility drivers must leave the expressway as soon as possible.

单选题 / Single choice **231.** When towing a vehicle involved in an accident, what is the maximum speed allowed?

A. 20 km/h **B.** 30 km/h **C.** 40 km/h **D.** 50 km/h

中文：牵引发生事故的机动车时，最高车速不得超过多少?

答案 Answer: **B**. 30 km/h Towing a broken-down vehicle is risky, so speed must be kept low, capped at 30 km/h.

单选题 / Single choice **232.** What is the maximum speed when driving down a steep slope, turning, or making a U-turn?

A. 30 km/h **B.** 40 km/h **C.** 50 km/h **D.** 60 km/h

中文：驾驶机动车下陡坡、转弯、掉头时，最高速度不能超过多少?

答案 Answer: **A**. 30 km/h Speed must be kept low in these accident-prone situations, capped at 30 km/h.

单选题 / Single choice **233.** When going straight through an intersection and encountering this situation, how should a driver proceed?

A. Yield to vehicles from the left **B.** Yield to vehicles from the right **C.** Accelerate straight through directly **D.** Turn on hazard warning flashers and proceed

中文：在路口直行时，遇这种情形如何通行?

答案 Answer: **B**. Yield to vehicles from the right When both vehicles are going straight, the vehicle coming from the right side gets priority.

单选题 / Single choice **234.** [Image] As shown, when entering this intersection in this lane, how may the vehicle proceed?

A. Turn left or go straight **B.** Turn left or turn right **C.** Go straight or turn right **D.** Only go straight

中文：如图所示，在这种情况下驶进路口，车辆可以怎么行驶?

答案 Answer: **A**. Turn left or go straight Drivers must strictly follow the lane markings shown, which allow this lane to turn left or go straight.

单选题 / Single choice **235.** When driving in fog, rain, or snow with visibility under 50 meters, what is the maximum speed allowed?

A. 70 km/h **B.** 50 km/h **C.** 40 km/h **D.** 30 km/h

中文：驾驶机动车遇雾、雨、雪等能见度在 50 米以内时，最高速度不能超过多少?

答案 Answer: **D**. 30 km/h In poor weather, speed must be reduced, capped at 30 km/h under 50m visibility.

单选题 / Single choice **236.** After entering an expressway acceleration lane, why must a driver quickly raise speed above 60 km/h?

A. To avoid being overtaken by other vehicles **B.** To avoid a rear-end collision from behind **C.** To avoid interfering with vehicles on the main lanes when merging **D.** To avoid a penalty for violating the minimum speed requirement

中文：驾驶车辆进入高速公路加速车道后，须尽快将车速提高到每小时 60 公里以上的原因是什么?

答案 Answer: **C**. To avoid interfering with vehicles on the main lanes when merging The expressway minimum speed is 60 km/h, so a driver must reach it before merging to avoid disrupting main-lane traffic.

单选题 / Single choice **237.** Which of the following views on using a handheld phone while driving is correct?

A. A driver should not initiate calls while driving, but may answer an important incoming call while still driving **B.** Experienced drivers, based on driving history and skill, may use a handheld phone while driving **C.** On low-traffic roads, briefly answering a handheld phone while driving is acceptable **D.** When a call needs to be made or answered while driving, the driver should first find a safe place to stop

中文：对驾驶过程中接打手持电话的看法正确的是?

答案 Answer: **D**. When a call needs to be made or answered while driving, the driver should first find a safe place to stop Using a handheld phone while driving incurs 3 demerit points, so a driver must pull over safely first.

单选题 / Single choice **238.** On which of the following urban roads is overtaking prohibited?

A. A main street **B.** A one-way road section **C.** A one-way road with two lanes **D.** A road section with heavy traffic

中文：驾驶机动车行经市区下列哪种道路时不得超车?

答案 Answer: **D**. A road section with heavy traffic Overtaking is only allowed when safe, and heavy traffic makes it unsafe.

单选题 / Single choice **239.** [Image] As shown, why must overtaking not be done while passing through an intersection under these conditions?

A. The intersection has a signal light **B.** The intersection has traffic surveillance equipment **C.** The vehicle is too slow to overtake the one ahead **D.** Traffic conditions inside the intersection are complex, making accidents easy to happen

中文：如图所示，在这种条件下通过交叉路口时，不得超车的原因是什么?

答案 Answer: **D**. Traffic conditions inside the intersection are complex, making accidents easy to happen Overtaking recklessly at an intersection very easily causes a traffic accident.

单选题 / Single choice **240.** What is the maximum speed for driving on this stretch of expressway?

A. 120 km/h **B.** 100 km/h **C.** 90 km/h **D.** 60 km/h

中文：在这段高速公路上行驶的最高车速是多少?

答案 Answer: **A**. 120 km/h A blue sign with white text indicates a minimum speed, while a red-circled white sign indicates a maximum speed.

单选题 / Single choice **241.** What should a driver do when encountering this situation at an intersection?

A. Wait inside the yellow grid box area **B.** Wait outside the intersection **C.** Follow the vehicle ahead through the intersection **D.** Wait inside the intersection

中文：在路口遇到这种情形时怎样做?

答案 Answer: **B**. Wait outside the intersection Stopping on a crosswalk or in a yellow grid box is prohibited.

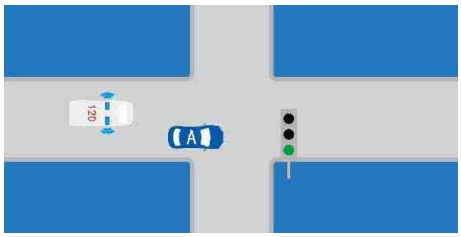
单选题 / Single choice **242.** Which lane should a driver choose to turn left at this intersection?

A. The leftmost lane **B.** The middle lane **C.** The rightmost lane **D.** No lane change needed

中文：在这个路口左转弯选择哪条车道?

答案 Answer: **A**. The leftmost lane For a left turn, find the lane marked with the left-turn arrow and use that lane.

单选题 / Single choice **243.** [Image] As shown, when an ambulance on an emergency call approaches from behind Vehicle A, what is the correct action?



A. Ignore it and keep driving **B.** Turn left to make way **C.** Move right and slow down to make way **D.** Stop immediately to make way

中文：如图所示，当 A 车后方有执行任务的救护车驶来时，以下做法正确的是什么?

答案 Answer: **C**. Move right and slow down to make way Do not stop immediately, as that can easily cause an accident; instead move right and slow down.

单选题 / Single choice **244.** When a vehicle breaks down on the road and is difficult to move, which action is correct?

A. Turn on the hazard warning flashers **B.** Turn on all the lights on the vehicle **C.** Occupants are forbidden to get out of the vehicle **D.** Place a warning sign in front of the vehicle

中文：机动车在道路上发生故障，难以移动时下列做法正确的是什么?

答案 Answer: **A**. Turn on the hazard warning flashers In a breakdown: turn on hazard flashers, pull the vehicle to the side, set up a warning sign, and have occupants evacuate.

单选题 / Single choice **245.** If you realize just as you are about to pass through an intersection that you need to turn left instead of going straight, what is the correct action?

A. Reverse and then turn left, if it can be done safely **B.** Continue driving forward **C.** Stop at the intersection and wait for a safe moment to turn left **D.** None of the above is correct

中文：当您即将通过交叉路口的时候，才意识到要左转而不是向前，以下说法正确的是什么？

答案 Answer: **B**. Continue driving forward Intersection conditions are complex, so a sudden stop or reversing there easily causes an accident, hence continuing forward is correct.

单选题 / Single choice **246.** At an intersection with this kind of signal light, how may a motor vehicle proceed?

A. Turn left **B.** Go straight through **C.** Turn right **D.** Stop and wait

中文：有这种信号灯的路口允许机动车如何行驶？

答案 Answer: **C**. Turn right Whichever direction's arrow light is green is the direction permitted to proceed.

单选题 / Single choice **247.** How should a driver use lights when driving in this kind of weather?

A. Use low beams **B.** Do not use any lights **C.** Use high beams **D.** Use fog lights

中文：在这种天气条件下行车如何使用灯光？

答案 Answer: **A**. Use low beams In snowy weather, low beams should be used when following another vehicle.

单选题 / Single choice **248.** What must a driver pay attention to when changing lanes on the road?

A. Accelerate quickly into the left lane **B.** Must not affect other vehicles' normal travel **C.** Slow down appropriately when entering the left lane **D.** Turn on the signal and steer left quickly

中文：机动车在道路上变更车道需要注意什么？

答案 Answer: **B**. Must not affect other vehicles' normal travel Courteous driving means never disrupting other vehicles' normal travel, at any time.

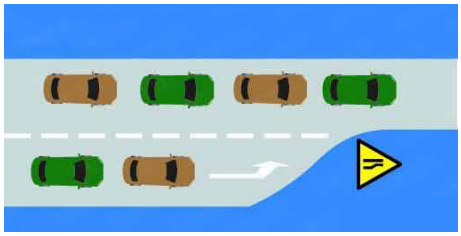
单选题 / Single choice **249.** How should a driver pass through a railway crossing that has no traffic signal or attendant?

A. Slow down somewhat and pass through **B.** Coast through in neutral **C.** Stop, confirm it is safe, then pass through **D.** Accelerate through as quickly as possible

中文：驾驶机动车通过没有交通信号和管理人员的铁路道口怎样通过？

答案 Answer: **C**. Stop, confirm it is safe, then pass through The rule is: first stop, second look, third proceed.

单选题 / Single choice **250.** [Image] As shown, when a driver reaches a section where lanes merge and the vehicles ahead are queued or moving slowly, what is the correct action?



A. Vehicles on the right yield to vehicles on the left **B.** Vehicles from each lane merge into the left lane alternately, one at a time **C.** Vehicles on the left yield to vehicles on the right **D.** Vehicles on the right look for a gap and merge into the left lane early

中文：如图所示，驾驶机动车行驶至车道减少的路段时，遇前方机动车排队等候或行驶缓慢时，以下做法正确的是什么？

答案 Answer: **B**. Vehicles from each lane merge into the left lane alternately, one at a time At a lane-merge section, vehicles from each lane should take turns merging in one at a time, alternating.

单选题 / Single choice **251.** If you accidentally miss the exit you intended to take on an expressway, what is the correct action?

A. Brake hard and reverse back to the intended exit **B.** Continue driving to the next exit and turn around there **C.** Stop on the emergency shoulder and wait for a chance to reverse when traffic is light **D.** Use the emergency shoulder to make a U-turn and drive against traffic

中文：假如您在高速公路上不小心错过了准备驶出的路口，正确的操作应该是?

答案 Answer: **B**. Continue driving to the next exit and turn around there Reversing and making U-turns are both prohibited on expressways.

单选题 / Single choice **252.** When turning right at an intersection and the vehicle ahead in the same lane is waiting for the signal, how should a driver proceed?

A. Turn from the left side of the vehicle ahead **B.** Turn by occupying the lane on the right **C.** Sound the horn to make the vehicle ahead move aside **D.** Stop and wait in line

中文：在路口右转弯遇同车道前车等候放行信号时如何行驶?

答案 Answer: **D**. Stop and wait in line Courteous driving means safety comes first, so vehicles should simply wait their turn.

单选题 / Single choice **253.** Within how many meters of this road section is parking prohibited?

A. Within 5 meters **B.** Within 10 meters **C.** Within 30 meters **D.** Within 50 meters

中文：在距这段路多少米以内的路段不能停放机动车?

答案 Answer: **D**. Within 50 meters Under the 30m/50m no-stopping rule, this section requires a 50-meter no-parking zone.

单选题 / Single choice **254.** Under which of these conditions must a vehicle not be driven?

A. The windows are not closed **B.** The doors are not closed **C.** The stereo is not turned off **D.** The sunroof is not closed

中文：在什么情况下不得行车?

答案 Answer: **B**. The doors are not closed Safety comes first, so a vehicle with doors not properly closed must not be driven.

单选题 / Single choice **255.** What is the minimum speed for driving in this lane?

A. 60 km/h **B.** 90 km/h **C.** 100 km/h **D.** 110 km/h

中文：在这条车道行驶的最低车速是多少?

答案 Answer: **B**. 90 km/h On a three-lane expressway, minimum speed from left to right is 110, 90, and 60 km/h.

单选题 / Single choice **256.** [Image] As shown, when encountering this situation, what is the correct action?

A. Sound the horn continuously to hurry pedestrians across **B.** Turn on the high beams to warn pedestrians a vehicle is approaching **C.** Slow down and give way to the pedestrians **D.** Speed up somewhat to go around in front of the pedestrians

中文：如图所示，驾驶机动车遇到这种情况，以下做法正确的是什么?

答案 Answer: **C**. Slow down and give way to the pedestrians Under all circumstances, motor vehicles must give way to pedestrians.

单选题 / Single choice **257.** [Image] As shown, on an expressway with three lanes in the same direction, what is the minimum speed for the right lane?

A. 60 km/h **B.** 80 km/h **C.** 100 km/h **D.** 110 km/h

中文：如图所示，在高速公路同方向三条机动车道右侧车道行驶，车速不能低于多少?

答案 Answer: **A**. 60 km/h On an expressway, the rightmost lane has a minimum speed of 60 km/h.

单选题 / Single choice **258.** [Image] As shown, when a driver reaches this position, what is the correct action?

A. May turn left after checking there is no traffic on the left **B.** Turn left directly from here **C.** Must not turn left, and should go straight instead **D.** Reverse back to a dashed section to change into the left-turn lane

中文：如图所示，驾驶机动车行驶至此位置时，以下做法正确的是什么?

答案 Answer: **C**. Must not turn left, and should go straight instead A solid line must not be crossed, so the driver must go straight here instead of turning.

单选题 / Single choice **259.** When the vehicle ahead in the same lane is in which of the following situations must a driver not overtake it?

A. It is stopping **B.** It is slowing down to yield **C.** It is driving normally **D.** It is overtaking another vehicle

中文：同车道行驶的车辆遇前车有下列哪种情形时不得超车?

答案 Answer: **D**. It is overtaking another vehicle Overtaking is only permitted when safe, and overtaking a vehicle that is itself overtaking is unsafe.

单选题 / Single choice **260.** What violation is involved in temporarily parking a vehicle by the roadside this way?

A. Parking in a non-motor-vehicle lane **B.** Parking so as to block a motor-vehicle lane **C.** Parking more than 30cm from the curb **D.** Parking on a road section with a no-stopping marking

中文：这样在路边临时停放机动车有什么违法行为?

答案 Answer: **D**. Parking on a road section with a no-stopping marking A solid curb line prohibits stopping, while a dashed curb line allows a brief stop; this spot has a no-stopping marking.

单选题 / Single choice **261.** What is the maximum speed allowed on this road?

A. 30 km/h **B.** 40 km/h **C.** 50 km/h **D.** 70 km/h

中文：在这条公路上行驶的最高速度不能超过多少?

答案 Answer: **B**. 40 km/h Without a center line, the speed limit on this rural highway is 40 km/h (30 km/h applies in urban areas).

单选题 / Single choice **262.** When a motor vehicle breaks down or is involved in an accident on an expressway and cannot move normally, which vehicle should tow it?

A. A passing vehicle **B.** A coach/bus **C.** A vehicle traveling alongside **D.** A recovery (tow) truck

中文：机动车在高速公路上发生故障或交通事故无法正常行驶时由什么车拖曳或牵引?

答案 Answer: **D**. A recovery (tow) truck A broken-down vehicle on an expressway must not be towed by an ordinary passing vehicle; only a recovery truck may tow it.

单选题 / Single choice **263.** How should you proceed in this situation?

A. Stop and let the oncoming vehicle pass **B.** Turn on the left signal and turn left **C.** Speed up to pass the obstacle before meeting the oncoming vehicle **D.** Flash the headlights to signal the other vehicle to yield

中文：遇到这种情形怎样行驶?

答案 Answer: **A**. Stop and let the oncoming vehicle pass On a road with an obstacle, whichever side has the obstacle must stop and yield to the other side.

单选题 / Single choice **264.** What light should you use when entering the deceleration lane?

A. Turn on the left turn signal **B.** Turn on the right turn signal **C.** Turn on the hazard warning lights **D.** Turn on the headlights

中文：进入减速车道时怎样使用灯光?

答案 Answer: **B**. Turn on the right turn signal Entering the deceleration lane means leaving the expressway, so the right turn signal is used (the left signal is for merging onto the expressway).

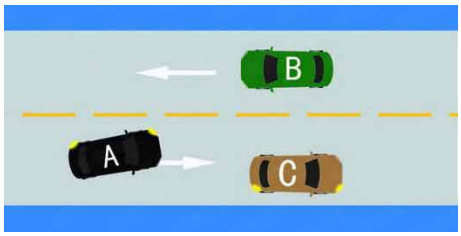
单选题 / Single choice **265.** What does this signal light at the intersection ahead mean when lit?

A. Intersection warning **B.** Passage prohibited **C.** Passage permitted **D.** Caution reminder

中文：前方路口这种信号灯亮表示什么意思?

答案 Answer: **B**. Passage prohibited A red light means stop, so this light prohibits vehicles from proceeding.

单选题 / Single choice **266.** [Image] As shown, when vehicle C slows down to let another vehicle overtake, how should vehicle A proceed?



A. Give up overtaking vehicle C **B.** Speed up to overtake vehicle C **C.** Honk to signal vehicle B to yield, then overtake **D.** Change lanes directly to the left, forcing vehicle B to yield

中文：如图所示，驾驶机动车在这种情况下，当 C 车减速让超车时，A 车应该如何行驶?

答案 Answer: **A**. Give up overtaking vehicle C Overtaking is only allowed when there is no oncoming traffic in the opposite lane, so vehicle A should not overtake here.

单选题 / Single choice **267.** On a road without a center line, if a vehicle behind you signals its intent to overtake, how should you drive if conditions permit?

A. Keep driving as before **B.** Speed up **C.** Stop quickly to yield **D.** Slow down and move to the right to make way

中文：在没有中心线的道路上发现后车发出超车信号时，如果条件许可如何行驶?

答案 Answer: **D**. Slow down and move to the right to make way When a following vehicle signals to overtake, you should slow down and move to the right to let it pass if conditions allow.

单选题 / Single choice **268.** Which of the following is correct practice when changing lanes?

A. Change lanes at the same moment you turn on the signal **B.** On roads with two or more lanes in the same direction, you must not disrupt vehicles normally driving in the target lane **C.** On sections with few vehicles, you may change lanes freely **D.** If the road ahead is congested, you may move into the emergency lane

中文：驾驶机动车变更车道时，以下做法正确的是什么?

答案 Answer: **B**. On roads with two or more lanes in the same direction, you must not disrupt vehicles normally driving in the target lane Lane changes must be signaled in advance and made only when it will not disrupt vehicles already traveling in that lane.

单选题 / Single choice **269.** [Image] As shown, when a driver encounters this situation, which of the following is correct?

A. Stop to check the water conditions, and after confirming safety, cross at low speed **B.** Stop to check the water conditions, and after confirming safety, cross quickly **C.** Slow down to observe the water conditions, then speed up to cross **D.** Cross freely without stopping

中文：如图所示，驾驶机动车遇到这种情况时，以下做法正确的是什么?

答案 Answer: **A**. Stop to check the water conditions, and after confirming safety, cross at low speed Crossing a flooded section too fast can stall the engine, so drivers should stop, check conditions, and cross slowly.

单选题 / Single choice **270.** What is the maximum speed allowed on this curve?

A. 30 km/h **B.** 40 km/h **C.** 50 km/h **D.** 70 km/h

中文：在这个弯道上行驶时的最高速度不能超过多少?

答案 Answer: **A**. 30 km/h Sharp curves require slowing down, so the speed limit here is 30 km/h.

单选题 / Single choice **271.** In which of the following situations is a driver prohibited from driving a motor vehicle?

A. After drinking alcohol **B.** After drinking tea **C.** After drinking coffee **D.** After drinking milk

中文：驾驶人在下列哪种情况下不能驾驶机动车?

答案 Answer: **A**. After drinking alcohol Drivers must never drive a motor vehicle after drinking alcohol.

单选题 / Single choice **272.** How should you use your lights when passing through an intersection in this situation?

A. Turn off the high beams **B.** Use the hazard warning lights **C.** Use the high beams **D.** Alternate between high and low beams

中文：在这种环境下通过路口如何使用灯光?

答案 Answer: **D**. Alternate between high and low beams Alternating high and low beams warns other oncoming vehicles of your presence.

单选题 / Single choice **273.** When visibility on an expressway drops below 200 meters, what is the maximum speed allowed?

A. No more than 100 km/h **B.** No more than 90 km/h **C.** No more than 80 km/h **D.** No more than 60 km/h

中文：驾驶机动车在高速公路遇到能见度低于 200 米的气象条件时，最高车速是多少?

答案 Answer: **D**. No more than 60 km/h Under Chinese traffic law, when expressway visibility is below 200 meters, speed must not exceed 60 km/h.

单选题 / Single choice **274.** Which of the following vehicles ahead in the same lane must not be overtaken?

A. Large passenger/cargo vehicles **B.** Taxis **C.** An ambulance on an emergency call **D.** Buses

中文：同车道行驶的车辆前方遇到下列哪种车辆不得超车?

答案 Answer: **C**. An ambulance on an emergency call Police cars, fire trucks, ambulances, and rescue vehicles on emergency duty have priority and must not be overtaken.

单选题 / Single choice **275.** On which of the following road sections is overtaking prohibited?

A. Mountain roads **B.** Urban elevated roads **C.** Urban expressways **D.** Narrow bridges and curves

中文：驾驶机动车在下列哪种路段不得超车?

答案 Answer: **D**. Narrow bridges and curves Overtaking must only be done when safe, and narrow bridges and curves are too dangerous for overtaking.

单选题 / Single choice **276.** What should you do when the intersection ahead is congested?

A. Stop and wait in turn outside the intersection **B.** Use the oncoming lane to pass **C.** Weave through between vehicles ahead **D.** Enter and wait inside the intersection

中文：驾驶机动车遇有前方交叉路口交通阻塞时怎么办?

答案 Answer: **A**. Stop and wait in turn outside the intersection When facing congestion, do not add to it: stop and wait outside the intersection in turn.

单选题 / Single choice **277.** [Image] What traffic violation is this red car's temporary parking committing?

A. Parked less than 30 meters from a gas station **B.** Parking occupies the non-motor-vehicle lane **C.** Parked more than 30 centimeters from the curb **D.** Parked on a section with no-stopping markings

中文：这样临时停放红色轿车有什么违法行为?

答案 Answer: **A**. Parked less than 30 meters from a gas station Parking is prohibited within 30 meters of a gas station entrance, and this car is parked too close.

单选题 / Single choice **278.** Which type of vehicle is permitted in a lane marked with this road marking?

A. Taxis **B.** Official vehicles **C.** Buses **D.** Private cars

中文：道路上划设这种标线的车道内允许下列哪类车辆通行?

答案 Answer: **C**. Buses A bus lane is reserved exclusively for buses.

单选题 / Single choice **279.** Why is reversing prohibited at intersections?

A. There are too many traffic police **B.** There is too much traffic surveillance equipment **C.** There are too few lanes **D.** Traffic conditions are complex, easily causing congestion or even accidents

中文：交叉路口不得倒车的原因是什么?

答案 Answer: **D**. Traffic conditions are complex, easily causing congestion or even accidents Intersections have complex traffic conditions, so reversing there can easily cause congestion or accidents.

单选题 / Single choice **280.** When meeting an oncoming vehicle on a road with no center line, how should you drive?

A. Slow down and keep to the right **B.** Use the non-motor-vehicle lane **C.** Drive right along the edge of the road **D.** Drive along the center of the road

中文：驾驶机动车在没有中心线的道路上遇相对方向来车时怎样行驶?

答案 Answer: **A**. Slow down and keep to the right When meeting oncoming traffic, drivers should always slow down and keep to the right.

单选题 / Single choice **281.** [Image] What should you do when you encounter vehicles queuing like this?

A. Wait in line in turn **B.** Overtake by using the lane on the right **C.** Overtake by crossing the solid line on the left **D.** Overtake freely from either side

中文：遇有这种排队等候的情形怎么做?

答案 Answer: **A**. Wait in line in turn When facing congestion, do not add to it: wait in line and proceed in turn.

单选题 / Single choice **282.** How should you use your lights when changing to the left lane on the road?

A. No need to turn on the signal **B.** Turn on the right signal in advance **C.** Turn on the left signal in advance **D.** Turn on the low beams in advance

中文：驾驶机动车在道路上向左变更车道时如何使用灯光?

答案 Answer: **C**. Turn on the left signal in advance Use the turn signal on the same side as the direction you are changing into.

单选题 / Single choice **283.** Overtaking must be done from the left side of the vehicle ahead. Which statement is correct?

A. China follows a keep-left traffic principle **B.** It is easier to observe traffic and safer **C.** The left side is the slow lane **D.** The right side is the fast lane

中文：超车需从前车左侧超越，以下说法正确的是什么?

答案 Answer: **B**. It is easier to observe traffic and safer Overtaking from the left makes it easier to observe traffic conditions and is safer.

单选题 / Single choice **284.** [Image] As shown, driving in the left lane of a two-lane (same-direction) expressway, what speed range should you maintain?

A. 60 km/h - 120 km/h **B.** 90 km/h - 110 km/h **C.** 100 km/h - 120 km/h **D.** 110 km/h - 120 km/h

中文：如图所示，在高速公路同方向两条机动车道左侧车道行驶，应保持什么车速?

答案 Answer: **C**. 100 km/h - 120 km/h On a two-lane expressway, the left lane requires 100-120 km/h, with 120 km/h as the overall maximum.

单选题 / Single choice **285.** How should you pass through this intersection?

A. Honk to hurry others **B.** Pass at the same speed **C.** Slow down and proceed cautiously **D.** Speed up to pass

中文：如何通过这种交叉路口?

答案 Answer: **C**. Slow down and proceed cautiously Intersections have complex traffic conditions, so drivers should slow down and proceed cautiously.

单选题 / Single choice **286.** When turning left, changing to the left lane, pulling away from a parking spot, or making a U-turn, why should you turn on the turn signal in advance?

A. To alert the vehicle behind that you are about to change your route to the left **B.** To alert the vehicle behind that you are about to change your route to the right **C.** To alert the vehicle ahead that you are about to change your route to the left **D.** To alert the vehicle ahead that you are about to change your route to the right

中文：机动车向左转弯、向左变更车道、驶离停车地点或者掉头时，提前开启转向灯是为了什么?

答案 Answer: **A**. To alert the vehicle behind that you are about to change your route to the left Turning left, changing to the left lane, pulling out, or making a U-turn all require the left signal in advance to alert the vehicle behind.

单选题 / Single choice **287.** Which of the following statements about coasting downhill with the engine off is incorrect?

A. For vehicles with a vacuum-assisted brake system, turning off the engine downhill disables the braking system **B.** For vehicles with power steering, turning off the engine downhill makes the steering wheel heavy and hard to control **C.** With the engine off going downhill, the vehicle cannot use engine braking **D.** Coasting downhill uses the slope's potential energy to move the car, saves fuel with the engine off, and should be strongly encouraged

中文：下面关于下坡熄火滑行的说法错误的是?

答案 Answer: **D**. Coasting downhill uses the slope's potential energy to move the car, saves fuel with the engine off, and should be strongly encouraged Coasting downhill with the engine off can cause brake failure and rollovers, so it must be strictly forbidden, not encouraged.

单选题 / Single choice **288.** What is the maximum speed allowed when driving through a sharp curve?

A. 20 km/h **B.** 30 km/h **C.** 40 km/h **D.** 50 km/h

中文：驾驶机动车通过急弯路时，最高速度不能超过多少?

答案 Answer: **B**. 30 km/h On sharp curves a driver's safe sightline is limited, so speed must not exceed 30 km/h.

单选题 / Single choice **289.** [Image] What violation does this broken-down vehicle have?

A. Did not set up a warning sign **B.** Did not turn on the hazard warning lights **C.** Did not pull the car over to the roadside **D.** Did not fix the breakdown immediately

中文：找出这辆故障车有哪种违法行为?

答案 Answer: **A**. Did not set up a warning sign When a vehicle breaks down, a warning sign must be placed 50-100 meters behind it (over 150 meters on an expressway); this vehicle failed to do so.

单选题 / Single choice **290.** On which of the following sections is overtaking prohibited?

A. Main streets **B.** Elevated roads **C.** Pedestrian crosswalks **D.** Ring expressways

中文：驾驶机动车行经下列哪种路段不得超车?

判断题 / True or False **698.** At night, a driver's ability to observe things is clearly worse than during the day, and sight distance is shorter.

A. Correct **B.** Wrong

中文：夜间驾驶人对事物的观察能力明显比白天差，视距变短。

答案 Answer: **A**. Correct Drive slowly at night.

判断题 / True or False **699.** When driving on an expressway and encountering dense fog that blocks visibility, you should immediately brake hard to stop.

A. Correct **B.** Wrong

中文：行驶在高速公路上遇大雾视线受阻时，应当立即紧急制动停车。

答案 Answer: **B**. Wrong Sudden emergency braking is not allowed on expressways.

判断题 / True or False **700.** Vehicles may stop on an expressway ramp.

A. Correct **B.** Wrong

中文：车辆在高速公路匝道上可以停车。

答案 Answer: **B**. Wrong Stopping is prohibited on expressways.

判断题 / True or False **701.** When police cars, fire engines, ambulances, and engineering rescue vehicles are on emergency duty, delaying or obstructing them can lead to serious consequences, so other vehicles and pedestrians should proactively yield.

A. Correct **B.** Wrong

中文：警车、消防车、救护车、工程救险车执行紧急任务时，耽误或影响其通行可能会导致严重后果，所以其他车辆和行人应当主动让行。

答案 Answer: **A**. Correct Vehicles must proactively give way to special-purpose vehicles on emergency duty.

判断题 / True or False **702.** Before pulling away, a driver should observe the traffic conditions around the vehicle and start moving only after confirming it is safe.

A. Correct **B.** Wrong

中文：车辆起步前，驾驶人应对车辆周围交通情况进行观察，确认安全时再开始起步。

答案 Answer: **A**. Correct Civilized driving puts safety first.

判断题 / True or False **703.** [Image] As shown, in this situation the motor vehicle must stop and yield.

A. Correct **B.** Wrong

中文：如图所示，在这种情况下，驾驶机动车要停车让行。

答案 Answer: **A**. Correct Motor vehicles must yield to pedestrians in every situation.

判断题 / True or False **704.** When a vehicle drives on an expressway at 100 km/h, keeping over 100 meters from the vehicle ahead in the same lane is a safe distance.

A. Correct **B.** Wrong

中文：车辆在高速公路以每小时 100 公里的速度行驶时，距同车道前车 100 米以上为安全距离。

答案 Answer: **A**. Correct Expressway rule: above 100 km/h keep over 100 m; below 100 km/h keep over 50 m.

判断题 / True or False **705.** When turning, a vehicle should stay on the right side of the road and not encroach on the opposing lane, following the rule: wide arc for a left turn, tight arc for a right turn.

A. Correct **B.** Wrong

中文：车辆转弯时应沿道路右侧行驶，不要侵占对方的车道，做到“左转转大弯，右转转小弯”。

答案 Answer: **A**. Correct The rule is: wide arc for left turns, tight arc for right turns.

判断题 / True or False **706.** When driving uphill, observe the road conditions and slope length in advance, and downshift promptly to keep the vehicle powered enough.

A. Correct **B.** Wrong

中文：车辆上坡行驶，要提前观察路况、坡道长度，及时减挡使车辆保持充足的动力。

答案 Answer: **A**. Correct Climbing in too high a gear can easily cause the engine to stall and the vehicle to roll back.

判断题 / True or False **707.** When changing lanes, you only need to turn on the turn signal before quickly steering into the target lane.

A. Correct **B.** Wrong

中文：变更车道时只需开启转向灯，便可迅速转向驶入相应的行车道。

答案 Answer: **B**. Wrong The proper steps are: signal early, check behind for traffic, ensure a safe gap, then change lanes.

判断题 / True or False **708.** If a driver observes no traffic approaching from behind, it is reasonable to change lanes without using the turn signal.

A. Correct **B.** Wrong

中文：驾驶人在观察后方无来车的情况下，未开转向灯就变更车道也是合理的。

答案 Answer: **B**. Wrong Any change in driving state must be signaled to alert other vehicles.

判断题 / True or False **709.** After yielding to let a special-purpose vehicle pass smoothly, a vehicle should return in an orderly way to its original lane and continue driving, and should not tailgate the special-purpose vehicle to avoid an accident.

A. Correct **B.** Wrong

中文：避让特种车辆使其顺利通过后，车辆应有序回到原车道继续行驶，不要尾随特种车辆，以免发生交通事故。

答案 Answer: **A**. Correct Vehicles must yield to special-purpose vehicles on duty.

判断题 / True or False **710.** Overtaking is not allowed when crossing a railway crossing.

A. Correct **B.** Wrong

中文：通过铁路道口时，不得超车。

答案 Answer: **A**. Correct Overtaking is prohibited at railway crossings.

判断题 / True or False **711.** In complex weather such as wind, rain, snow, or fog, if the vehicle ahead is going slowly, turn on the headlights and sound the horn continuously to quickly overtake it.

A. Correct **B.** Wrong

中文：风、雨、雪、雾等复杂气象条件，遇前车速度较低时，应开启前照灯，连续鸣喇叭迅速超越。

答案 Answer: **B**. Wrong Overtaking must only be done when it is safe.

判断题 / True or False **712.** A vehicle may make full use of coasting in neutral when driving downhill.

A. Correct **B.** Wrong

中文：车辆在下坡行驶时，可充分利用空挡滑行。

答案 Answer: **B**. Wrong Coasting in neutral downhill is not allowed.

判断题 / True or False **713.** Before changing lanes, a driver should observe carefully in order to judge whether the conditions for a lane change are met.

A. Correct **B.** Wrong

中文：驾驶机动车变更车道前应仔细观察，目的是判断有无变更车道的条件。

答案 Answer: **A**. Correct The proper steps are: signal early, check behind for traffic, ensure a safe gap, then change lanes.

判断题 / True or False **714.** When passing through an intersection at night with no traffic signal, you must not switch between high and low beams.

A. Correct **B.** Wrong

中文：夜间通过无交通信号灯控制的交叉路口时，不得变换远、近光灯。

答案 Answer: **B**. Wrong Drivers should flash between high and low beams to warn other traffic at unsignalized intersections at night.

判断题 / True or False **715.** When driving on icy or snowy roads, you must reduce speed and increase the safety distance.

A. Correct **B.** Wrong

中文：在冰雪路面上行车，必须降低车速、加大安全距离。

答案 Answer: **A**. Correct Slow down and keep a safe distance when driving on icy or snowy roads.

判断题 / True or False **716.** When driving down a long slope, using inertia to coast can reduce fuel consumption and should be encouraged.

A. Correct **B.** Wrong

中文：驾驶机动车下长坡时，利用惯性滑行可以减少燃油消耗，值得提倡。

答案 Answer: **B**. Wrong Coasting in neutral using inertia is a bad driving habit.

判断题 / True or False **717.** Before starting off at night, you should first turn on the low beams.

A. Correct **B.** Wrong

中文：夜间起步前，应当先开启近光灯。

答案 Answer: **A**. Correct When starting off at night, turn on the low beams first to observe the surroundings.

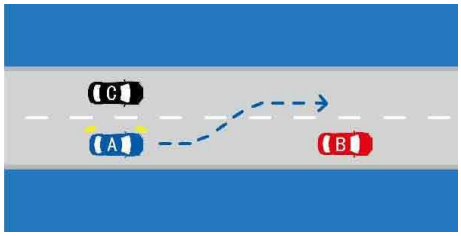
判断题 / True or False **718.** While driving, if you notice a pedestrian suddenly crossing the road, you should quickly slow down and yield.

A. Correct **B.** Wrong

中文：行车中，发现行人突然横过道路时，应迅速减速避让。

答案 Answer: **A**. Correct Motor vehicles must yield to pedestrians in every situation.

判断题 / True or False **719.** [Image] As shown, in this situation vehicle A may change lanes to the left.



A. Correct **B.** Wrong

中文：如图所示，在这种情况下，A 车可以向左变更车道。

答案 Answer: **B**. Wrong The safety conditions are not met, so the lane change should be abandoned.

判断题 / True or False **720.** When changing lanes on an expressway, turn on the turn signal in advance, observe conditions, and merge into the target lane only after confirming it is safe.

A. Correct **B.** Wrong

中文：在高速公路变更车道时，应提前开启转向灯，观察情况，确认安全后，驶入需要变更的车道。

答案 Answer: **A**. Correct The proper steps are: signal early, check behind for traffic, ensure a safe gap, then change lanes.

判断题 / True or False **721.** Before merging into traffic flow from another road while driving, pay attention to vehicles to the side and rear.

A. Correct **B.** Wrong

中文：行车中从其他道路汇入车流前，应注意观察侧后方车辆的动态。

答案 Answer: **A**. Correct Civilized driving puts safety first.

判断题 / True or False **722.** If you anticipate meeting an oncoming vehicle during an overtake, you should accelerate early to complete the overtake.

A. Correct **B.** Wrong

中文：预计在超车过程中与对面来车有会车可能时，应提前加速超越。

答案 Answer: **B**. Wrong If the conditions for overtaking are not met, the overtake should be abandoned decisively.

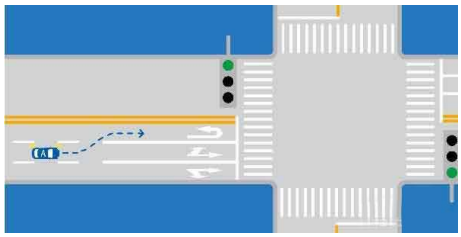
判断题 / True or False **723.** When a vehicle will be parked for a long time, a parking lot should be used.

A. Correct **B.** Wrong

中文：车辆长时间停放时，应选择停车场停车。

答案 Answer: **A**. Correct Temporary parking must not obstruct other vehicles or pedestrians.

判断题 / True or False **724.** [Image] As shown, vehicle A enters the left lane at this point because lane changes are not allowed once inside the solid-line zone.



A. Correct **B.** Wrong

中文：如图所示，A 车在此时进入左侧车道是因为进入实线区不得变更车道。

答案 Answer: **A**. Correct Dashed lines may be crossed, but solid lines may not.

判断题 / True or False **725.** If a motor vehicle breaks down on an expressway, the warning triangle may be placed in another lane to get help from other vehicles.

A. Correct **B.** Wrong

中文：驾驶机动车在高速公路上车辆发生故障时，为获得其他车辆的帮助，可将警告标志放置在其他车道。

答案 Answer: **B**. Wrong The warning sign should be placed in the same lane where the breakdown occurred.

判断题 / True or False **726.** When an intersection situation is complicated, follow the principle: better to wait three minutes than rush one second.

A. Correct **B.** Wrong

中文：遇到路口情况复杂时，应做到“宁停三分，不抢一秒”。

答案 Answer: **A**. Correct Better to wait three minutes than rush one second.

判断题 / True or False **727.** Besides walking unpredictably and changing direction often, another feature of pedestrians in traffic is that they tend to gather and watch.

A. Correct **B.** Wrong

中文：行人参与道路交通的特点除了行走随意性大、方向多变以外，还喜欢聚集、围观。

答案 Answer: **A**. Correct The main feature of pedestrians is that their movement is highly unpredictable and direction changes frequently.

判断题 / True or False **728.** During prolonged rain, mountain roads may develop loose shoulders and slope collapses, so drivers should keep to the firm road surface in the middle and avoid driving near the edge.

A. Correct **B.** Wrong

中文：连续降雨天气，山区公路可能会出现路肩疏松和堤坡坍塌现象，行车时应选择道路中间坚实的路面，避免靠近路边行驶。

答案 Answer: **A**. Correct On mountain roads, drive on the firm surface in the middle as much as possible.

判断题 / True or False **729.** When changing lanes, turn on the turn signal in advance, observe carefully, keep a safe distance, and move into the target lane.

A. Correct **B.** Wrong

中文：驾驶车辆变更车道时，应提前开启转向灯，注意观察，保持安全距离，驶入要变更的车道。

答案 Answer: **A**. Correct The proper steps are: signal early, check behind for traffic, ensure a safe gap, then change lanes.

判断题 / True or False **730.** When passing a sharp-bend section, overtaking is allowed if there is little traffic.

A. Correct **B.** Wrong

中文：通过急转弯路段时，在车辆较少的情况下可以超车。

答案 Answer: **B**. Wrong Overtaking is prohibited on sharp bends.

判断题 / True or False **731.** Smoking while driving has no effect on safe driving.

A. Correct **B.** Wrong

中文：驾驶人一边驾车，一边吸烟对安全行车无影响。

答案 Answer: **B**. Wrong Safety comes first while driving; you cannot divide your attention.

判断题 / True or False **732.** If a small passenger car on a flat expressway suddenly feels bumpy, quickly reduce speed to prevent a tire blowout.

A. Correct **B.** Wrong

中文：小型客车行驶在平坦的高速公路上，突然有颠簸感觉时，应迅速降低车速，防止爆胎。

答案 Answer: **A**. Correct 'Quickly' here means reacting promptly to slow down, not slamming on the brakes to stop.

判断题 / True or False **733.** When passing through a flooded road section, drive cautiously and slowly, and do not coast in neutral.

A. Correct **B.** Wrong

中文：通过漫水路时要谨慎慢行，不得空挡滑行。

答案 Answer: **A**. Correct Coasting in neutral is a bad habit and is never allowed under any circumstances.

判断题 / True or False **734.** When a vehicle passes through a curve on a mountain road, it should slow down, sound the horn, and keep to the right.

A. Correct **B.** Wrong

中文：车辆在通过山区道路弯道时，要做到"减速、鸣喇叭、靠右行"。

答案 Answer: **A**. Correct Slow down when driving on mountain roads.

判断题 / True or False **735.** When driving at night, avoid overtaking as much as possible; if overtaking is really necessary, flash between high and low beams to signal the vehicle ahead.

A. Correct **B.** Wrong

中文：夜间行车，要尽量避免超车，确需超车时，可变换远近光灯向前车示意。

答案 Answer: **A**. Correct Signal the vehicle ahead before overtaking.

判断题 / True or False **736.** If you notice a door is not properly closed while driving, close it promptly, otherwise sharp movements such as turning could throw a passenger or cargo out of the vehicle.

A. Correct **B.** Wrong

中文：行驶过程中发现车门未关好，应及时关闭车门，否则车辆在转弯等激烈运动过程中会造成人员或货物被甩到车外。

答案 Answer: **A**. Correct Check carefully before driving to make sure every door is properly closed.

判断题 / True or False **737.** When driving a vehicle on the road, you should drive safely at the prescribed speed.

A. Correct **B.** Wrong

中文：驾驶车辆在道路上行驶时，应当按照规定的速度安全行驶。

答案 Answer: **A**. Correct Drive safely and avoid speeding.

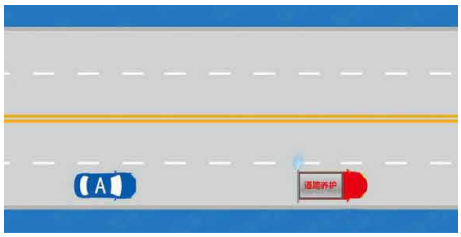
判断题 / True or False **738.** [Image] As shown, on this type of road, the main reason to drive in the middle of the road is that it allows faster travel.

A. Correct **B.** Wrong

中文：如图所示，在这种道路上行驶，应在道路中间通行的主要原因是在道路中间通行速度快。

答案 Answer: **B**. Wrong On roads without a center line, drive in the middle; on roads with a center line, drive on your side.

判断题 / True or False **739.** [Image] As shown, when a motor vehicle encounters this situation, vehicle A should be careful to yield.



A. Correct **B.** Wrong

中文：如图所示，驾驶机动车遇到这种情况时，A 车应当注意避让。

答案 Answer: **A**. Correct A road maintenance vehicle at work, as long as it does not block other traffic, is not restricted by traffic signs or markings.

判断题 / True or False **740.** When a vehicle reaches a muddy or heaved (frost-boil) road section, it should stop and observe, then pass slowly through a flat, firm section.

A. Correct **B.** Wrong

中文：车辆行至泥泞或翻浆路段时，应停车观察，选择平整、坚实的路段缓慢通过。

答案 Answer: **A**. Correct Stop and observe first when the road conditions ahead are unclear.

判断题 / True or False **741.** Once a vehicle on an expressway ramp accelerates to over 60 km/h, it may merge directly into the driving lane.

A. Correct **B.** Wrong

中文：车辆在高速公路匝道提速到每小时 60 公里以上时，可直接驶入行车道。

答案 Answer: **B**. Wrong The entry sequence is: expressway entrance, ramp, acceleration lane, normal driving lane.

判断题 / True or False **742.** When a following vehicle wants to overtake, if conditions allow, slow down and move right to make way, giving the following vehicle room to overtake.

A. Correct **B.** Wrong

中文：遇后车超车时，在条件许可的情况下应减速靠右让路，是为了给后车留出超车空间。

答案 Answer: **A**. Correct When a following vehicle signals to overtake, slow down and move right if conditions allow.

判断题 / True or False **743.** When passing through dangerous mountain sections, especially areas prone to landslides or mudslides, drive cautiously and avoid stopping.

A. Correct **B.** Wrong

中文：通过山区危险路段，尤其是通过经常发生塌方、泥石流的山区地段，应谨慎驾驶，避免停车。

答案 Answer: **A**. Correct Drive cautiously; safety comes first.

判断题 / True or False **744.** If a tire suddenly blows out while driving, the driver must not panic and slam the brake pedal; instead, downshift quickly and use engine braking to slow the vehicle.

A. Correct **B.** Wrong

中文：行车中当车辆突然爆胎时，驾驶人切忌慌乱中急踏制动踏板，尽量采用“抢挡”的方法，利用发动机制动使车辆减速。

答案 Answer: **A**. Correct Emergency braking during a sudden blowout can easily cause a rollover.

判断题 / True or False **745.** When driving down a long slope, relying on the foot brake alone can easily cause the brakes to fail.

A. Correct **B.** Wrong

中文：驾驶机动车下长坡时，仅靠行车制动器制动，容易引起行车制动器失灵。

答案 Answer: **A**. Correct On a long downhill, use engine braking (control speed by shifting to a lower gear) for safety.

判断题 / True or False **746.** When driving on icy or snowy roads, the reflection of light off the snow can easily dazzle the driver and cause illusions.

A. Correct **B.** Wrong

中文：冰雪道路行车，由于积雪对光线的反射，极易造成驾驶人目眩而产生错觉。

答案 Answer: **A**. Correct Slow down when driving on icy or snowy roads.

判断题 / True or False **747.** When driving down a long slope, coasting in neutral can make it difficult to shift back into gear.

A. Correct **B.** Wrong

中文：驾驶机动车下长坡时，空挡滑行会导致再次挂挡困难。

答案 Answer: **A**. Correct Coasting in neutral downhill is not allowed.

判断题 / True or False **748.** When driving at night, if an oncoming vehicle has not switched off its high beams, slow down to prevent an accident in case a pedestrian crosses where the two beams meet.

A. Correct **B.** Wrong

中文：夜间行车，遇对面来车未关闭远光灯时，应减速行驶，以防两车灯光的交汇处有行人通过时发生事故。

答案 Answer: **A**. Correct High beams must not be used when meeting oncoming traffic at night.

判断题 / True or False **749.** When driving on an expressway, a driver may judge their speed purely by feel.

A. Correct **B.** Wrong

中文：车辆在高速公路行驶时，可以仅凭感觉确认车速。

答案 Answer: **B**. Wrong Driving requires caution; you cannot rely on feel alone.

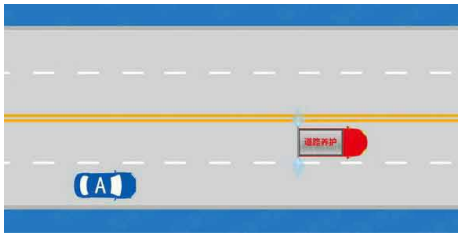
判断题 / True or False **750.** When following another vehicle on the road, the following distance is not important; matching the speed of the vehicle ahead is enough to prevent a rear-end collision.

A. Correct **B.** Wrong

中文：在道路上跟车行驶时，跟车距离不是主要的，只须保持与前车相等的速度，即可防止发生追尾事故。

答案 Answer: **B**. Wrong Keeping a sufficient safety distance is what effectively prevents rear-end collisions.

判断题 / True or False **751.** [Image] As shown, when encountering this situation while driving, vehicle A may sound the horn continuously to ask the road maintenance vehicle to stop spraying water.



A. Correct **B.** Wrong

中文：如图所示，驾驶过程中遇到这种情况时，A 车可以长鸣喇叭提醒道路养护车辆暂停喷水。

答案 Answer: **B**. Wrong A road maintenance vehicle at work, as long as it does not block other traffic, is not restricted by traffic signs or markings.

判断题 / True or False **752.** Female drivers wearing high heels while driving is not conducive to safe driving.

A. Correct **B.** Wrong

中文：女驾驶人穿高跟鞋驾驶车辆，不利于安全行车。

答案 Answer: **A**. Correct Try to avoid wearing high heels while driving.

判断题 / True or False **753.** Before entering an intersection, reduce speed, observe carefully, and confirm it is safe.

A. Correct **B.** Wrong

中文：驾驶车辆进入交叉路口前，应降低行驶速度，注意观察，确认安全。

答案 Answer: **A**. Correct Intersections have complex conditions, so drive cautiously.

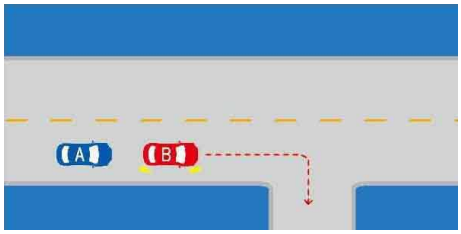
判断题 / True or False **754.** When driving downhill, control speed appropriately and make full use of engine braking.

A. Correct **B.** Wrong

中文：车辆下坡行驶，要适当控制车速，充分利用发动机进行制动。

答案 Answer: **A**. Correct Prolonged use of the brakes on a long downhill raises brake pad temperature and reduces braking effectiveness.

判断题 / True or False **755.** [Image] As shown, vehicle A should slow down appropriately in this situation.



A. Correct **B.** Wrong

中文：如图所示，A 车在这种情况下应适当减速。

答案 Answer: **A**. Correct Keeping a sufficient distance from other vehicles helps ensure safe driving.

判断题 / True or False **756.** Motor vehicles, non-motor vehicles, and pedestrians travel in separate lanes in order to standardize traffic order and improve traffic efficiency.

A. Correct **B.** Wrong

中文：机动车、非机动车和行人实行分道行驶，是为了规范交通秩序，提高通行效率。

答案 Answer: **A**. Correct Pedestrians use the sidewalk, vehicles use the roadway.

判断题 / True or False **757.** When driving at night and needing to overtake, flashing between high and low beams is meant to signal the vehicle ahead.

A. Correct **B.** Wrong

中文：夜间行车，需要超车时，变换远近光灯示意是为了提示前车。

答案 Answer: **A**. Correct Signal the vehicle ahead before overtaking.

判断题 / True or False **758.** At night, a driver's field of view is limited and it is hard to observe traffic beyond the area lit by the headlights, so speed should be reduced.

A. Correct **B.** Wrong

中文：夜间行车，驾驶人的视野受限，很难观察到灯光照射区域以外的交通情况，因此要减速行驶。

答案 Answer: **A**. Correct Slow down when driving at night.

判断题 / True or False **759.** Overpasses are generally one-way, so vehicles do not need to slow down.
A. Correct **B.** Wrong
中文：立交桥上一般都是单向行驶，车辆不必减速行驶。
答案 Answer: **B**. Wrong You should slow down whenever it is required, regardless of whether the road is one-way.

判断题 / True or False **760.** When a vehicle reaches an intersection, a left-turning vehicle may enter the left-turn waiting area at any time.
A. Correct **B.** Wrong
中文：车辆行至交叉路口时，左转弯车辆在任何时段都可以进入左弯待转区。
答案 Answer: **B**. Wrong When both the straight-ahead and left-turn signals are red, left-turning vehicles may not enter the waiting area.

判断题 / True or False **761.** Overtaking is not allowed when passing through a tunnel.
A. Correct **B.** Wrong
中文：通过隧道时，不得超车。
答案 Answer: **A**. Correct Overtaking is prohibited in tunnels.

判断题 / True or False **762.** If a rear tire blows out, the tail of the vehicle will swing unstably; the driver should grip the steering wheel firmly with both hands, keep the vehicle going straight, and slow down to a stop.
A. Correct **B.** Wrong
中文：车辆后轮胎爆裂，车尾会摇摆不定，驾驶人应双手紧握转向盘，控制车辆保持直线行驶，减速停车。
答案 Answer: **A**. Correct With a rear blowout, the first priority is to keep the steering under control.

判断题 / True or False **763.** If a motor vehicle breaks down or is in an accident and cannot drive normally, the hazard warning flashers should be turned on immediately.
A. Correct **B.** Wrong
中文：驾驶机动车发生故障或事故不能正常行驶时，应立即打开危险报警闪光灯。
答案 Answer: **A**. Correct In case of a breakdown, warn following traffic promptly.

判断题 / True or False **764.** After pulling away from the roadside, a vehicle should speed up quickly and turn sharply left into the normal traffic lane.
A. Correct **B.** Wrong
中文：车辆在路边起步后应尽快提速，并向左迅速转向驶入正常行驶道路。
答案 Answer: **B**. Wrong Before pulling away, observe the surroundings first and confirm it is safe.

判断题 / True or False **765.** On rainy days the road is slippery and braking distance increases, so try to use emergency braking to slow down while driving.
A. Correct **B.** Wrong
中文：雨天路面湿滑，车辆制动距离增大，行车中尽量使用紧急制动减速。
答案 Answer: **B**. Wrong In rain, avoid emergency braking; instead use engine braking by downshifting to slow down.

判断题 / True or False **766.** When driving in snow, follow existing tire tracks on sections where they are present.
A. Correct **B.** Wrong
中文：雪天行车中，在有车辙的路段应循车辙行驶。
答案 Answer: **A**. Correct Tire tracks show that other vehicles have already passed, making them a relatively safer path.

判断题 / True or False **767.** After entering a mountain road, pay special attention to 'continuous bends' signs, proactively yield to vehicles and pedestrians, and slow down and sound the horn in advance as needed.
A. Correct **B.** Wrong
中文：车辆进入山区道路后，要特别注意"连续转弯"标志，并主动避让车辆及行人，适时减速和提前鸣喇叭。
答案 Answer: **A**. Correct Slow down when driving on mountain roads.

判断题 / True or False **768.** When merging into traffic, turn on the turn signal in advance, keep driving straight, check left and right through the mirrors, and merge only after confirming it is safe.
A. Correct **B.** Wrong
中文：驾驶车辆汇入车流时，应提前开启转向灯，保持直线行驶，通过后视镜观察左右情况，确认安全后汇入合流。
答案 Answer: **A**. Correct Merging into traffic must not disrupt vehicles that are already driving normally.

判断题 / True or False **769.** When a motor vehicle encounters blocked traffic ahead on an expressway, it should queue in order behind the vehicle ahead and immediately turn on the hazard warning flashers to prevent a rear-end collision.
A. Correct **B.** Wrong
中文：机动车在高速公路上遇前方交通受阻时，应当跟随前车顺序排队，并立即开启危险报警闪光灯，防止追尾。
答案 Answer: **A**. Correct During expressway congestion, do not cut in randomly or use the emergency lane.

判断题 / True or False **770.** If a motor vehicle breaks down on an expressway and can be moved into the emergency lane, only the hazard warning flashers need to be turned on, and whether to place the warning triangle can be decided based on traffic flow.

A. Correct **B.** Wrong

中文：驾驶机动车在高速公路上车辆发生故障时，若车辆可以移动至应急车道内，只需开启危险报警闪光灯，警告标志可根据交通流情况选择是否放置。

答案 Answer: **B**. Wrong Expressway breakdown procedure: turn on hazard flashers, move the vehicle, place the warning triangle and evacuate occupants, call for help, then wait for rescue.

判断题 / True or False **771.** If a driver has an urgent matter, they may make or take handheld phone calls while driving.

A. Correct **B.** Wrong

中文：驾驶机动车遇紧急事务，可以边开车边接打手持电话。

答案 Answer: **B**. Wrong Using a phone while driving is unsafe, illegal, and carries a 3-point penalty.

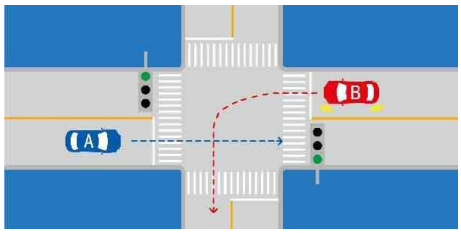
判断题 / True or False **772.** When overtaking, if a safe gap with the vehicle being overtaken cannot be guaranteed, the overtake should be abandoned voluntarily.

A. Correct **B.** Wrong

中文：超车时，如果无法保证与被超车辆的安全间距，应主动放弃超车。

答案 Answer: **A**. Correct If safe overtaking conditions are not met, the overtake should be abandoned.

判断题 / True or False **773.** [Image] As shown, vehicle A has the right of way.



A. Correct **B.** Wrong

中文：如图所示，A 车具有优先通过权。

答案 Answer: **A**. Correct Right turns yield to left turns, left turns yield to straight-through traffic, and turns yield to straight-through traffic.

判断题 / True or False **774.** Vehicles may change lanes frequently while driving on an expressway.

A. Correct **B.** Wrong

中文：车辆在高速公路上行车，可以频繁地变更车道。

答案 Answer: **B**. Wrong Frequent lane changes are not allowed on any road.

判断题 / True or False **775.** Vehicles must not make a U-turn on an expressway ramp.

A. Correct **B.** Wrong

中文：车辆不得在高速公路匝道上掉头。

答案 Answer: **A**. Correct U-turns are prohibited on expressways.

判断题 / True or False **776.** If a front tire blows out while driving and the vehicle starts to swerve, the driver should grip the steering wheel firmly with both hands and try hard to keep the vehicle going straight.

A. Correct **B.** Wrong

中文：行车中当车辆前轮爆胎已发生转向时，驾驶人应双手紧握转向盘，尽力控制车辆直线行驶。

答案 Answer: **A**. Correct With a front blowout, grip the wheel firmly the moment it happens.

判断题 / True or False **777.** [Image] As shown, in this foggy condition, when passing through an intersection you must turn on lights, sound the horn, and speed up to avoid causing traffic congestion.

A. Correct **B.** Wrong

中文：如图所示，在这种雾天情况下，通过交叉路口时必须开灯、鸣喇叭，加速通过，以免造成交通拥堵。

答案 Answer: **B**. Wrong In fog, turn on fog lights and slow down, rather than speeding up.

判断题 / True or False **778.** If you feel tired while driving on an expressway, you should stop immediately to rest.
A. Correct **B.** Wrong
中文：在高速公路上行驶感觉疲劳时，应立即停车休息。
答案 Answer: **B**. Wrong Stopping arbitrarily on an expressway is not allowed.

判断题 / True or False **779.** When driving through a flooded road, shift into a high gear and pass through quickly.
A. Correct **B.** Wrong
中文：漫水道路行车时，应挂高速挡，快速通过。
答案 Answer: **B**. Wrong When passing a flooded road, stop to check the water conditions and only proceed once it is confirmed safe.

判断题 / True or False **780.** While making a U-turn, strictly control speed, carefully observe the road ahead and behind, and only move forward or reverse after confirming it is safe.
A. Correct **B.** Wrong
中文：掉头过程中，应严格控制车速，仔细观察道路前后方情况，确认安全后方可前进或倒车。
答案 Answer: **A**. Correct A U-turn must not affect vehicles driving normally.

判断题 / True or False **781.** A flashing warning signal light is a continuously flashing yellow light, whose purpose is to alert vehicles and pedestrians to pass through quickly.
A. Correct **B.** Wrong

A. Low visibility, making it hard to observe traffic conditions **B.** The road surface is complex and changeable **C.** The driver's physical stamina declines **D.** The driver is prone to impulsiveness and hallucinations

中文：夜间道路环境对安全行车的主要影响是什么？

答案 Answer: **A**. Low visibility, making it hard to observe traffic conditions At night low visibility makes it hard to observe the road, so lights must be used correctly to signal other vehicles.

判断题 / True or False **795.** When driving through a crosswalk, drivers should take care to yield to pedestrians.

A. Correct **B.** Wrong

中文：驾驶车辆通过人行横道线时，应注意礼让行人。

答案 Answer: **A**. Correct Courteous driving requires yielding to pedestrians.

判断题 / True or False **796.** When overtaking and the vehicle ahead does not slow down to let you pass, you should abandon the overtake, slow down appropriately, and keep a safe distance from the vehicle ahead.

A. Correct **B.** Wrong

中文：驾驶机动车超车时，前方车辆不减速让路，应停止超车并适当减速，与前方车辆保持安全距离。

答案 Answer: **A**. Correct Forcing an overtake easily causes traffic accidents.

判断题 / True or False **797.** When overtaking and the vehicle being overtaken does not slow down to let you pass, you should quickly speed up to complete the overtake.

A. Correct **B.** Wrong

中文：驾驶机动车超车时，被超越车辆未减速让路，应迅速提速超越前方车辆完成超车。

答案 Answer: **B**. Wrong Forcing an overtake like this easily causes traffic accidents, so the attempt should be abandoned instead.

判断题 / True or False **798.** A front tire blowout is quite dangerous: the vehicle will immediately veer toward the side of the burst tire, directly affecting the driver's control of the steering wheel.

A. Correct **B.** Wrong

中文：车辆前轮胎爆裂，危险较大，方向会立刻向爆胎车轮一侧跑偏，直接影响驾驶人对转向盘的控制。

答案 Answer: **A**. Correct With a front tire blowout, the driver must grip the steering wheel firmly right away to control direction.

判断题 / True or False **799.** [Image] As shown in the figure, when driving through a crosswalk with no pedestrians crossing, there is no need to slow down.

A. Correct **B.** Wrong

中文：如图所示，驾驶机动车遇到没有行人通过的人行横道时不用减速慢行。

答案 Answer: **B**. Wrong Courteous driving requires slowing down at crosswalks regardless, in case pedestrians appear.

单选题 / Single choice **800.** What should you do when meeting an oncoming vehicle that has difficulty passing and needs to borrow part of your lane?

A. Do not encroach on the other lane and drive normally **B.** Signal the other vehicle to stop and yield **C.** Keep to the right and speed up **D.** Yield as much as possible to let the other vehicle go first

中文：会车中遇到对方来车行进有困难需借道时，应怎样做?

答案 Answer: **D**. Yield as much as possible to let the other vehicle go first Courteous driving means yielding politely to vehicles in difficulty.

单选题 / Single choice **801.** Why is making a U-turn on a crosswalk prohibited?

A. Vehicles are prohibited from crosswalks **B.** The section has surveillance equipment **C.** To avoid obstructing pedestrians' normal passage **D.** Parking is prohibited on crosswalks

中文：人行横道上禁止掉头的原因是什么?

答案 Answer: **C**. To avoid obstructing pedestrians' normal passage Courteous driving must not obstruct pedestrians' normal passage.

判断题 / True or False **802.** Vehicles must not overtake while descending a steep slope on a mountain road.

A. Correct **B.** Wrong

中文：车辆在山区道路行车下陡坡时，不得超车。

答案 Answer: **A**. Correct Overtaking while descending a steep slope easily causes traffic accidents.

单选题 / Single choice **803.** If you accidentally drive past your exit on an expressway, what should you do?

A. Stop immediately **B.** Make a U-turn on the spot **C.** Reverse back on the spot **D.** Continue driving forward and look for the next exit

中文：高速公路上行车，如果因疏忽驶过出口，应怎样做?

答案 Answer: **D**. Continue driving forward and look for the next exit Reversing and making U-turns are prohibited on expressways.

判断题 / True or False **804.** When driving on icy or snowy roads, vehicle stability decreases, and accelerating too abruptly can easily cause the wheels to spin or slip.

A. Correct **B.** Wrong

中文：在冰雪道路上行车时，车辆的稳定性降低，加速过急时车轮极易空转或溜滑。

答案 Answer: **A**. Correct Icy and snowy roads easily cause skidding or loss of steering control, so drivers must be cautious.

判断题 / True or False **805.** When an expressway is blocked due to an accident, vehicles may drive on the right emergency lane or shoulder.

A. Correct **B.** Wrong

中文：高速公路因发生事故造成堵塞时，可在右侧紧急停车带或路肩行驶。

答案 Answer: **B**. Wrong Except in emergencies, the emergency lane and right shoulder of an expressway must not be used for driving.

判断题 / True or False **806.** When changing to the right lane, drivers should turn on the right turn signal in advance, observe carefully, and merge into the target lane only when it is safe.

A. Correct **B.** Wrong

中文：驾驶车辆向右变更车道时，应提前开启右转向灯，注意观察，在确保安全的情况下，驶入要变更的车道。

答案 Answer: **A**. Correct Lane changes require signaling in advance, checking behind, and ensuring a safe distance before merging.

判断题 / True or False **807.** When following another vehicle at night, the following vehicle may use high beams.

A. Correct **B.** Wrong

中文：夜间尾随前车行驶时，后车可以使用远光灯。

答案 Answer: **B**. Wrong Using high beams while following closely at night blinds the driver ahead, so low beams should be used instead.

判断题 / True or False **808.** When passing through mountain sections prone to landslides or mudslides, avoid stopping.

A. Correct **B.** Wrong

中文：通过经常发生塌方、泥石流的山区地段，避免停车。

答案 Answer: **A**. Correct Drive cautiously and put safety first in landslide-prone areas.

判断题 / True or False **809.** When pedestrians commit a traffic safety violation, vehicles may refuse to yield to them.

A. Correct **B.** Wrong

中文：当行人出现交通安全违法行为时，车辆可以不给行人让行。

答案 Answer: **B**. Wrong Courteous driving requires yielding to pedestrians regardless of their violations.

判断题 / True or False **810.** When changing lanes, you only need to turn on the signal and quickly steer into the target lane, so as not to obstruct vehicles already in that lane.

A. Correct **B.** Wrong

中文：变更车道时只需开启转向灯，并迅速转向驶入相应的车道，以不妨碍同车道机动车正常行驶。

答案 Answer: **B**. Wrong Lane changes require signaling early, checking behind, and confirming a safe distance, not just steering in quickly.

单选题 / Single choice **811.** When driving slowly on a congested road and another vehicle forces its way into your lane, what should you do?

A. Honk a warning and refuse to let it in **B.** Speed up and follow closely behind the vehicle ahead to block it **C.** Yield proactively to ensure safe driving **D.** Squeeze against the cutting vehicle to force it to leave

中文：车辆在拥挤路段低速行驶时，遇其他车辆强行插队，应怎样做？

答案 Answer: **C**. Yield proactively to ensure safe driving Courteous driving means yielding politely rather than blocking or forcing other vehicles.

单选题 / Single choice **812.** When driving on a main road and approaching a junction with a side road, what should you do to prevent colliding with a vehicle suddenly entering from the side road?

A. Maintain normal speed **B.** Slow down in advance, observe, and drive cautiously **C.** Honk and pass quickly **D.** Speed up in advance to pass through

中文：车辆在主干道上行驶，驶近主支干道交汇处时，为防止与从支路突然驶入的车辆相撞，应怎样做？

答案 Answer: **B**. Slow down in advance, observe, and drive cautiously Drivers must constantly watch surrounding conditions to avoid accidents at junctions.

判断题 / True or False **813.** While driving, motor vehicle drivers should keep a safe distance from the vehicle ahead.

A. Correct **B.** Wrong

中文：在行驶过程中，机动车驾驶人要注意与前车保持安全距离。

答案 Answer: **A**. Correct Courteous driving puts safety first, which requires a safe following distance.

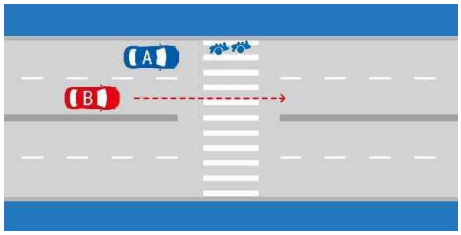
判断题 / True or False **814.** After entering the ramp, quickly increase your speed to above 60 km/h.

A. Correct **B.** Wrong

中文：车辆驶入匝道后，迅速将车速提高到每小时 60 公里以上。

答案 Answer: **B**. Wrong Entering an expressway follows the sequence entrance, ramp, acceleration lane, then normal lane; speed should build up gradually, not on the ramp.

判断题 / True or False **815.** [Image] As shown in the figure, when passing vehicle A which is stopped before the cross-walk, vehicle B should slow down and be ready to stop and yield.



A. Correct **B.** Wrong

中文：如图所示，当越过停在人行横道前的 A 车时，B 车应当减速，准备停车让行。

答案 Answer: **A**. Correct Courteous driving requires yielding to pedestrians who may be hidden by the stopped vehicle.

单选题 / Single choice **816.** [Image] As shown in the figure, when a motor vehicle drives on this type of road, why does it travel in the middle of the road?

A. To leave enough space for non-motor vehicles and pedestrians on both sides **B.** Visibility is better in the middle of the road **C.** Driving in the middle is faster **D.** To prevent the vehicle from running off the road

中文：如图所示，机动车在这种道路上行驶，在道路中间通行的原因是什么？

答案 Answer: **A**. To leave enough space for non-motor vehicles and pedestrians on both sides With no lane markings, drivers should stay in the middle to leave room for non-motor vehicles and pedestrians at the sides.

单选题 / Single choice **817.** When reversing on a normal road and you notice a passing vehicle, what should you do?

A. Honk to signal **B.** Stop proactively to yield **C.** Speed up while reversing **D.** Continue reversing

中文：在一般道路倒车时，若发现有过往车辆通过，应怎样做？

答案 Answer: **B**. Stop proactively to yield Reversing must not interfere with vehicles driving normally, so the driver should stop and yield.

单选题 / Single choice **818.** When a front tire blowout has already caused the vehicle to veer, the driver should not overcorrect; once direction is under control, how should the vehicle be slowed gradually?

A. Apply emergency braking **B.** Use the parking brake **C.** Gently press the brake pedal **D.** Quickly stomp on the brake pedal

中文：前轮胎爆裂已出现转向时，驾驶人不要过度矫正，在控制住方向的情况下，应怎样做，使车辆缓慢减速？

答案 Answer: **C**. Gently press the brake pedal With a front tire blowout, braking too hard can cause the vehicle to roll over, so the brake should be pressed gently.

单选题 / Single choice **819.** What should be noted when driving on icy or snowy roads?

A. Braking distance increases **B.** Anti-skid capability increases **C.** Road surface traction increases **D.** Braking performance is unchanged

中文：冰雪路行车时应注意什么？

答案 Answer: **A**. Braking distance increases Icy and snowy roads increase braking distance and the risk of skidding, so drivers should slow down and increase following distance.

单选题 / Single choice **820.** What should you do when you encounter children while driving?

A. Slow down, and stop to yield if necessary **B.** Honk continuously to hurry them **C.** Quickly pass from one side **D.** Speed up and go around

中文：行车中遇儿童时，应怎样做？

答案 Answer: **A**. Slow down, and stop to yield if necessary Courteous driving puts safety first around children.

单选题 / Single choice **821.** What should you do when a non-motor vehicle cuts in front while driving?

A. Speed up and pass **B.** Honk a warning **C.** Slow down and yield **D.** Suddenly accelerate as it approaches

中文：行车中，遇非机动车抢行时，应怎样做？

答案 Answer: **C**. Slow down and yield Courteous driving means slowing down and yielding for the sake of safety.

单选题 / Single choice **822.** What should you do when overtaking a bicycle traveling in the same direction?
A. Let the bicycle go first **B.** Watch its movement carefully, slow down, and leave a sufficient safety distance **C.** Honk continuously to make it yield **D.** Honk continuously and speed up to overtake
中文：行车中超越同向行驶的自行车时，应怎样做？
答案 Answer: **B**. Watch its movement carefully, slow down, and leave a sufficient safety distance Slow down and keep a sufficient safety distance when overtaking a bicycle.

单选题 / Single choice **823.** What lights should be turned on before entering a two-way tunnel?
A. Hazard warning lights **B.** High beam headlights **C.** Fog lights **D.** Clearance lights or low beam headlights
中文：车辆驶入双向行驶隧道前，应开启什么灯？
答案 Answer: **D**. Clearance lights or low beam headlights High beams must not be used when meeting oncoming vehicles in a tunnel; use clearance lights or low beams instead.

单选题 / Single choice **824.** When passing a vehicle parked on the right, what should you do to guard against it suddenly pulling out or opening a door?
A. Leave a lateral safety distance and slow down **B.** Maintain normal speed **C.** Honk continuously **D.** Speed up and pass
中文：行车中超越右侧停放的车辆时，为预防其突然起步或开启车门，应怎样做？
答案 Answer: **A**. Leave a lateral safety distance and slow down Whether overtaking or being overtaken, a sufficient lateral safety distance must always be kept.

单选题 / Single choice **825.** When a motor vehicle is being overtaken by another vehicle, what is the purpose of it slowing down and moving to the right?
A. To give the overtaking vehicle enough space to pass **B.** So it can stop at any time **C.** To avoid pedestrians and non-motor vehicles **D.** None of the above is correct
中文：驾驶机动车正在被其他车辆超车时，被超车辆减速靠右侧行驶的目的是什么？
答案 Answer: **A**. To give the overtaking vehicle enough space to pass Overtaking is done from the left, so the overtaken vehicle should slow down and move right to allow enough space.

单选题 / Single choice **826.** When going down a long slope, besides brake braking, what other effective method helps control speed?
A. Shift into neutral and coast **B.** Use engine braking **C.** Press the clutch and coast **D.** Turn off the engine and coast
中文：下长坡时，控制车速除了刹车制动以外还有什么有效的辅助方法？
答案 Answer: **B**. Use engine braking Using the brakes continuously on a long slope raises brake temperature and reduces braking effectiveness, so engine braking should also be used.

单选题 / Single choice **827.** What should a driver do when passing over a water-covered road surface?
A. Slow down **B.** Pass at normal speed **C.** Coast through in neutral **D.** Speed up and pass
中文：驾驶人在行车中经过积水路面时，应怎样做？
答案 Answer: **A**. Slow down Road sections with potential hazards should be passed at low speed.

单选题 / Single choice **828.** When vehicles ahead are stopped in a queue or moving slowly, is it correct to force your way through?
A. Allowed, because it lets you get through the congested area quickly **B.** Allowed, because it saves fuel **C.** Prohibited, because it wastes fuel **D.** Prohibited, because it disrupts traffic flow and worsens congestion
中文：遇到前方车辆停车排队或者缓慢行驶时，强行穿插，以下说法正确的是什么？
答案 Answer: **D**. Prohibited, because it disrupts traffic flow and worsens congestion Forcing through disrupts traffic flow and worsens congestion, so it is prohibited.

单选题 / Single choice **829.** When entering an expressway toll gate, which entrance should you choose?
A. One with many vehicles **B.** One with a red light on **C.** One with a green light on **D.** One that is temporarily out of service
中文：驶入高速公路的收费口时，应选择怎样的入口？
答案 Answer: **C**. One with a green light on A red light means stop and a green light means proceed, so choose a lane with a green light.

单选题 / Single choice **830.** What should you do when an oncoming vehicle is driving in your lane?
A. Drive close to the center of the road **B.** Yield proactively to the other vehicle **C.** Flash the headlights to warn it **D.** Force it to move to the right
中文：行车中遇到对向来车占道行驶，应怎样做？
答案 Answer: **B**. Yield proactively to the other vehicle Even if the other driver is discourteous, you should still drive courteously and yield.

单选题 / Single choice **831.** What lights should be turned on when a vehicle stops temporarily in the rain?
A. Front and rear fog lights **B.** Hazard warning lights **C.** Headlights **D.** Reverse lights
中文：车辆在雨天临时停车时，应开启什么灯？
答案 Answer: **B**. Hazard warning lights A temporary stop must alert vehicles behind to avoid accidents, so hazard lights should be used.

单选题 / Single choice **832.** When a vehicle breaks down on an expressway, which of the following handling methods is incorrect?

A. Turn on the hazard warning lights, and at night also turn on the clearance lights and rear position lights **B.** Place a warning sign more than 150 meters behind the vehicle **C.** Passengers should get out and help push the broken-down vehicle onto the emergency lane **D.** Everyone should leave the vehicle, call for help, and wait in a safe place beyond the emergency lane or guardrail

中文：在高速公路上驾驶机动车，车辆发生故障后的处置方法，以下说法错误的是什么？

答案 Answer: **C**. Passengers should get out and help push the broken-down vehicle onto the emergency lane Pushing a vehicle on the expressway is dangerous, so this is the incorrect method; safety must come first.

单选题 / Single choice **833.** When a motor vehicle breaks down on an expressway and needs to stop for repairs, what is the correct order of the following steps: (1) place warning signs, move passengers to a safe place, and call for help promptly; (2) turn on the hazard warning lights; (3) move the vehicle to a position that does not obstruct traffic; (4) wait for rescue?

A. 4-3-1-2 **B.** 1-2-3-4 **C.** 3-2-1-4 **D.** 2-3-1-4

中文：驾驶机动车在高速公路发生故障，需要停车排除故障时，以下做法先后顺序正确的是？ 放置警告标志，转移乘车人员至安全处，迅速报警 开启危险报警闪光灯 将车辆移至不妨碍交通的位置 等待救援

答案 Answer: **D**. 2-3-1-4 The correct order is: turn on hazard lights, move the vehicle, place warning signs and call for help, then wait for rescue.

单选题 / Single choice **834.** What is the main effect of fog on safe driving?

A. The engine easily stalls **B.** Skidding easily occurs **C.** Driving resistance increases **D.** Low visibility, unclear line of sight

中文：雾天对安全行车的主要影响是什么？

答案 Answer: **D**. Low visibility, unclear line of sight Fog greatly reduces visibility, so fog lights should be used when driving in it.

单选题 / Single choice **835.** When driving in heavy rain and the wipers cannot clear the rain fast enough, what should you do?

A. Slow down **B.** Concentrate and drive cautiously **C.** Slow down and pull over immediately **D.** Drive at normal speed

答案 Answer: **C**. Slow down and pull over immediately When the road cannot be seen clearly, driving should stop and the vehicle should pull over.

单选题 / Single choice **836.** When driving on an expressway, which of the following is correct?

A. Except in emergencies, driving or stopping in the emergency lane is prohibited **B.** Overtaking or stopping in the deceleration or acceleration lane is allowed **C.** Stopping to load or unload cargo in the emergency lane is allowed **D.** Stopping on the shoulder to pick up or drop off passengers is allowed

中文：机动车在高速公路行驶，下列做法正确的是？

答案 Answer: **A**. Except in emergencies, driving or stopping in the emergency lane is prohibited Stopping at will on an expressway is prohibited except for genuine emergencies in the emergency lane.

单选题 / Single choice **837.** What should you do when driving through an unguarded railway crossing?

A. Slow down and pass **B.** Pass at a constant speed **C.** Stop, look, then proceed **D.** Speed up and pass

中文：驾驶车辆通过无人看守的铁路道口时，应怎样做？

答案 Answer: **C**. Stop, look, then proceed Remember: stop, look, then proceed, when crossing an unguarded railway crossing.

单选题 / Single choice **838.** When a vehicle at an intersection encounters a turning vehicle cutting in, what should you do?

A. Speed up to pass first **B.** Honk and pass first **C.** Stop and yield **D.** Maintain normal speed

中文：车辆行至交叉路口，遇有转弯的车辆抢行，应怎样做？

答案 Answer: **C**. Stop and yield Even if the other driver is discourteous, you should still yield and drive courteously.

单选题 / Single choice **839.** [Image] As shown in the figure, when vehicles are queuing on a congested road section and another vehicle forces its way in, what is the correct response?

A. Quickly turn left to avoid it **B.** Quickly speed up to block it from cutting in **C.** Slow down or stop to yield **D.** Honk continuously as a warning

中文：如图所示，车辆在拥挤路段排队行驶时，遇到其他车辆强行穿插行驶，以下说法正确的是什么？

答案 Answer: **C**. Slow down or stop to yield Even if the other driver is discourteous, you should still slow down or stop to yield.

单选题 / Single choice **840.** [Image] As shown in the figure, how should you drive when passing through the intersection in this situation?

A. Rush through ahead of the pedestrians **B.** Speed up and pass **C.** Slow down or stop to yield to pedestrians **D.** Drive on the left side

中文：如图所示，在这种情况下通过路口，应该怎么行驶?

答案 Answer: **C**. Slow down or stop to yield to pedestrians Courteous driving requires yielding to pedestrians.

单选题 / Single choice **841.** When entering an expressway from the acceleration lane, which of the following is incorrect?

A. Accelerate in the acceleration lane while turning on the left turn signal **B.** Closely watch traffic flow in the left lane and check the mirrors for conditions behind **C.** Fully use the length of the acceleration lane to speed up, then merge smoothly after confirming it is safe **D.** After accelerating fully in the acceleration lane, merge directly into the leftmost lane

中文：驾驶机动车由加速车道进入高速公路行驶，以下做法错误的是什么?

答案 Answer: **D**. After accelerating fully in the acceleration lane, merge directly into the leftmost lane Lane changes require signaling in advance and observing traffic flow; merging directly into the leftmost lane skips proper step-by-step observation.

单选题 / Single choice **842.** What should you do when driving to a sharp bend in the road?

A. Brake hard and pass at low speed **B.** Drive on the outer side of the curve **C.** Slow down fully and keep to the right **D.** Use the opposite lane

中文：驾驶车辆行至道路急转弯处，应怎样做?

答案 Answer: **C**. Slow down fully and keep to the right Courteous driving puts safety first: slow down fully and keep to the right at sharp bends.

单选题 / Single choice **843.** When encountering a slow-moving water sprinkler truck ahead, which of the following is incorrect?

A. Watch out and give way **B.** If the sprinkler truck has a direction arrow, change lanes as indicated once it is safe **C.** If the sprinkler truck has no direction arrow, choose a suitable lane to change into once it is safe **D.** Speed up urgently to pass the sprinkler truck

中文：驾驶机动车遇到前方低速行驶的洒水车作业时，以下做法错误的是什么?

答案 Answer: **D**. Speed up urgently to pass the sprinkler truck Drivers should watch out and give way to a slow-moving sprinkler truck, not speed up to pass it.

单选题 / Single choice **844.** What lights should be turned on promptly when driving in fog?

A. Reverse lights **B.** Low beam headlights **C.** High beam headlights **D.** Fog lights

中文：雾天行车时，应及时开启什么灯?

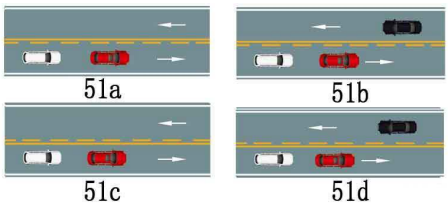
单选题 / Single choice **845.** When you need to borrow a lane to go around an obstacle ahead, but an oncoming vehicle has already approached the obstacle, what should you do?

A. Speed up to pass first **B.** Honk to signal the oncoming vehicle to yield **C.** Quickly occupy the lane to force the oncoming vehicle to stop and yield **D.** Slow down or stop, and let the oncoming vehicle pass first

中文：行车中需要借道绕过前方障碍物，但对向来车已接近障碍物时，应怎样做?

答案 Answer: **D**. Slow down or stop, and let the oncoming vehicle pass first The side with the obstacle should yield to the side without one, unless it has already entered the obstacle section first.

单选题 / Single choice **846.** [Image] As shown in the figure, in which of the following situations is overtaking allowed?



A. 51a **B.** 51b **C.** 51c **D.** 51d

中文：如图所示，以下哪种情况可以超车?

答案 Answer: **A**. 51a A dashed line may be crossed but a solid line may not; white dashed lines separate same-direction lanes and yellow dashed lines separate opposing lanes.

单选题 / Single choice **847.** When preparing to pull away after a temporary roadside stop, what should you do first?

A. Accelerate to pull away **B.** Honk the horn **C.** Observe surrounding traffic conditions **D.** Increase engine RPM

中文：车辆临时靠边停车后准备起步时，应先怎样做?

答案 Answer: **C**. Observe surrounding traffic conditions Before pulling away, observe surrounding traffic and confirm it is safe first.

单选题 / Single choice **848.** While driving at night, how does the headlight beam change when a curve appears ahead?

A. The distance stays the same **B.** It changes from high to low **C.** It leaves the road surface **D.** It shifts from the middle of the road to the side

中文：夜间行车中，前方出现弯道时，灯光照射会发生怎样的变化?

答案 Answer: **D**. It shifts from the middle of the road to the side As the vehicle enters a curve at night, the headlight beam shifts from the middle of the road to the side.

单选题 / Single choice **849.** What can result from using the service brake continuously on a long downhill slope?

A. It shortens the engine's lifespan **B.** It increases the driver's workload **C.** It easily causes the vehicle to overturn **D.** It raises brake temperature and sharply reduces braking effectiveness

中文：下长坡连续使用行车制动会导致什么?

答案 Answer: **D**. It raises brake temperature and sharply reduces braking effectiveness Continuous braking overheats the brakes and reduces effectiveness, so engine braking via downshifting should also be used.

单选题 / Single choice **850.** What is the main effect of rain on safe driving?

A. Electrical equipment easily gets damp and short-circuits **B.** The road surface is slippery and visibility is obstructed **C.** The engine easily stalls **D.** Driving resistance increases

中文：雨天对安全行车的主要影响是什么?

答案 Answer: **B**. The road surface is slippery and visibility is obstructed Rain makes the road slippery and reduces visibility, so drivers must slow down and be cautious.

单选题 / Single choice **851.** What should you do when driving on a water-covered road with pedestrians on both sides?

A. Speed up and pass **B.** Drive normally **C.** Slow down **D.** Honk continuously

中文：当驾驶车辆行经两侧有行人且有积水的路面时，应怎样做?

答案 Answer: **C**. Slow down Courteous driving must not affect pedestrians' normal passage, so drivers should slow down.

单选题 / Single choice **852.** When overtaking on a mountain road, how should you do it?

A. Seize any opportunity as much as possible **B.** Choose a wide, gentle uphill section **C.** Choose a long downhill section **D.** Choose a gentle downhill section

中文：在山区道路超车时，应怎样超越?

答案 Answer: **B**. Choose a wide, gentle uphill section Overtaking on a downhill section should be avoided as it easily causes accidents; a wide, gentle uphill section should be chosen instead.

单选题 / Single choice **853.** What is the main effect of muddy roads on safe driving?

A. Driving resistance decreases **B.** The wheels easily spin and skid **C.** Visibility is low and blurry **D.** Road surface traction increases

中文：泥泞道路对安全行车的主要影响是什么?

答案 Answer: **B**. The wheels easily spin and skid Muddy roads have low traction, easily causing the wheels to spin and skid, so drivers must be cautious.

单选题 / Single choice **854.** What should you do while another vehicle is overtaking you?

A. Drive close to the center of the road **B.** Speed up to make way **C.** Continue accelerating **D.** Slow down and keep to the right

中文：驾驶的车辆正在被其他车辆超越时，应怎样做?

答案 Answer: **D**. Slow down and keep to the right When being overtaken, a driver should slow down and keep right to leave a sufficient safety distance.

单选题 / Single choice **855.** When a motor vehicle enters a sharp bend, the top of a slope, or another section with poor sight distance, why should the driver slow down and honk?

A. To alert oncoming road users that a vehicle is approaching **B.** To signal the vehicle ahead that the vehicle behind is about to overtake **C.** To test whether the horn works properly **D.** To avoid insufficient power at the top of the slope

中文：机动车驶进急弯、坡道顶端等影响安全视距的路段时，减速慢行并鸣喇叭示意是为了什么？

答案 Answer: **A**. To alert oncoming road users that a vehicle is approaching This alerts oncoming road users in advance, which is essential for safety at low-visibility sections.

单选题 / Single choice **856.** What is the main effect of mountain roads on safe driving?

A. There are few road signs **B.** Traffic conditions are simple **C.** Long slopes and sharp bends with insufficient sight distance **D.** Traffic density is high

中文：山区道路对安全行车的主要影响是什么？

答案 Answer: **C**. Long slopes and sharp bends with insufficient sight distance Mountain roads have long slopes, sharp bends, and insufficient sight distance, making accidents more likely than on flat roads.

单选题 / Single choice **857.** When tire pressure is too low, high-speed driving causes the tire to deform in waves and heat up, leading to what?

A. Unstable pressure **B.** Even lower pressure **C.** Increased driving resistance **D.** A tire blowout

中文：轮胎气压过低时，高速行驶轮胎会出现波浪变形温度升高而导致什么？

答案 Answer: **D**. A tire blowout Both excessively high and low tire pressure can lead to a tire blowout.

单选题 / Single choice **858.** [Image] As shown in the figure, why is overtaking not allowed in this situation?

A. The vehicle ahead is overtaking **B.** My vehicle's speed is insufficient to overtake the vehicle ahead **C.** The vehicle ahead is going too fast **D.** The centerline is a yellow line

中文：如图所示，在这种情况下不能够超车的原因是什么？

答案 Answer: **A**. The vehicle ahead is overtaking Overtaking can only be done from the left, and since the vehicle ahead is already overtaking, forcing past it would easily cause an accident.

单选题 / Single choice **859.** Why should a driver carefully observe traffic in the right lane before changing to it?

A. To prepare to stop quickly **B.** To prepare to rush ahead **C.** To judge whether the conditions for a lane change are met **D.** To change lanes quickly

中文：驾驶机动车向右变更车道前应仔细观察右侧车道车流情况的原因是什么？

答案 Answer: **C**. To judge whether the conditions for a lane change are met A lane change must not affect other vehicles driving normally, so conditions must be judged first.

单选题 / Single choice **860.** When driving at night, in which of the following sections is overtaking acceptable?

A. Intersections **B.** Curves and steep slopes **C.** Wide roads with little traffic **D.** Narrow roads and narrow bridges

中文：夜间行车，可选择下列哪个地段超车？

答案 Answer: **C**. Wide roads with little traffic Overtaking at night should generally be avoided, but a wide road with little traffic is the acceptable choice when necessary.

单选题 / Single choice **861.** What should you do when a vehicle behind signals a request to overtake?

A. Slow down promptly, then move right after observing to yield **B.** Maintain the original speed **C.** Speed up while keeping right **D.** Refuse to yield

中文：行车中遇到后方车辆要求超车时，应怎样做？

答案 Answer: **A**. Slow down promptly, then move right after observing to yield Overtaking is always done from the left, so the vehicle ahead should slow down and move right to yield if conditions allow.

单选题 / Single choice **862.** When you notice the road ahead is congested, what is the correct thing to do?

A. Continue weaving through traffic **B.** Overtake vehicles one by one whenever there is a gap **C.** Honk to signal vehicles ahead to move faster **D.** Stop and wait in order

中文：发现前方道路堵塞，正确的做法是什么？

答案 Answer: **D**. Stop and wait in order Once traffic is already congested, drivers should not add to it, but stop and wait in order.

单选题 / Single choice **863.** A driver's ability to observe objects at night is clearly worse than in daytime; how does sight distance change?

A. It becomes longer **B.** It becomes shorter **C.** It stays the same **D.** It changes with no pattern

中文：夜间驾驶人对物体的观察明显比白天差，视距会有什么变化?

答案 Answer: **B**. It becomes shorter At night, distant objects are less clear than in daytime, so sight distance becomes shorter.

单选题 / Single choice **864.** When approaching an intersection without a crosswalk and you notice a pedestrian crossing the road, what should you do?

A. Slow down or stop to yield **B.** Honk to signal the pedestrian to give way **C.** Immediately change lanes to go around the pedestrian **D.** Rush through ahead of the pedestrian

中文：驶近没有人行横道的交叉路口时，发现有人横穿道路，应怎样做?

答案 Answer: **A**. Slow down or stop to yield In any situation, motor vehicles must yield to pedestrians.

单选题 / Single choice **865.** What is the main characteristic of pedestrians participating in road traffic?

A. Slow movement **B.** Tendency to gather and watch **C.** Highly unpredictable walking behavior and frequent direction changes **D.** All of the above

中文：行人参与道路交通的主要特点是什么?

答案 Answer: **C**. Highly unpredictable walking behavior and frequent direction changes Pedestrians' movements are highly unpredictable, so drivers must watch carefully and yield.

单选题 / Single choice **866.** What should you do when encountering a line of students crossing the road while driving?

A. Speed up in advance to pass first **B.** Stop and yield **C.** Reduce speed and pass slowly **D.** Honk continuously to hurry them

中文：行车中遇列队横过道路的学生时，应怎样做?

答案 Answer: **B**. Stop and yield Courteous driving puts safety first, so drivers should stop and yield to students crossing the road.

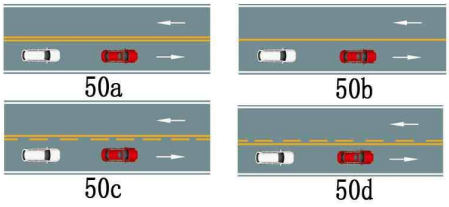
单选题 / Single choice **867.** When visibility is too low in dense or extremely heavy fog and driving becomes difficult, what should you do?

A. Turn on the headlights and continue driving **B.** Turn on the clearance lights and fog lights, and keep to the right **C.** Turn on the hazard warning lights and continue driving **D.** Turn on the hazard warning lights and fog lights, and stop at a safe location

中文：遇有浓雾或特大雾天能见度过低，行车困难时，应怎样做?

答案 Answer: **D**. Turn on the hazard warning lights and fog lights, and stop at a safe location When driving poses a serious safety hazard, the vehicle should stop at a safe location with hazard and fog lights on.

单选题 / Single choice **868.** [Image] As shown in the figure, in which of the following situations is overtaking allowed?



A. 50a **B.** 50b **C.** 50c **D.** 50d

中文：如图所示，以下哪种情况可以超车?

答案 Answer: **C**. 50c A dashed line may be crossed but a solid line may not; white dashed lines separate same-direction lanes and yellow dashed lines separate opposing lanes.

单选题 / Single choice **869.** When the chosen meeting position before passing an oncoming vehicle is not ideal, what should you do?

A. Slow down, pass at low speed, or stop to yield **B.** Move left into the other lane and make the oncoming vehicle slow down and yield **C.** Turn on the headlights to signal the oncoming vehicle to stop and yield **D.** Speed up to reach an ideal position

中文：会车前选择的交会位置不理想时，应怎样做?

答案 Answer: **A**. Slow down, pass at low speed, or stop to yield Courteous meeting of oncoming traffic puts safety first: slow down, pass slowly, or stop to yield.

单选题 / Single choice **870.** On a 4-lane (same direction) expressway, which lane should vehicles traveling faster than 110 km/h use?

A. The leftmost lane **B.** The second lane **C.** The rightmost lane **D.** The third lane

中文：在同向 4 车道高速公路上行车，车速高于每小时 110 公里的车辆应在哪条车道上行驶?

答案 Answer: **A**. The leftmost lane On a 4-lane expressway, the minimum speed limits from left to right are 110, 90, 90, and 60 km/h, so faster vehicles use the leftmost lane.

单选题 / Single choice **871.** When a vehicle must stop on an expressway due to a breakdown, how many meters behind the vehicle should the warning sign be placed?

A. 150 **B.** 200 **C.** 100 **D.** 50

中文：车辆因故障必须在高速公路停车时，应在车后方多少米以外设置故障警告标志?

答案 Answer: **A**. 150 Warning signs should be placed 50 to 100 meters away on ordinary roads, and more than 150 meters away on expressways.

单选题 / Single choice **872.** When a vehicle with the right of way at an intersection encounters another vehicle cutting in, what should you do?

A. Rush through **B.** Speed up in advance to pass **C.** Slow down to avoid it, and stop to yield if necessary **D.** Drive normally according to right-of-way rules without yielding

中文：车辆在交叉路口有优先通行权的，遇有车辆抢行时，应怎样做?

答案 Answer: **C**. Slow down to avoid it, and stop to yield if necessary Even if the other driver is discourteous, you should still slow down and yield if needed.

单选题 / Single choice **873.** When approaching a bus stopped at a station, what should you do to guard against the bus suddenly pulling out or a pedestrian darting out in front of it?

A. Slow down, keep a sufficient distance, and be ready to stop at any time **B.** Maintain normal speed **C.** Honk as a reminder and speed up to pass **D.** Be ready for emergency braking at any time

中文：车辆驶近停在车站的公交车辆时，为预防公交车突然起步或行人从车前穿出，应怎样做?

答案 Answer: **A**. Slow down, keep a sufficient distance, and be ready to stop at any time Courteous driving puts safety first near buses, requiring reduced speed and sufficient distance.

单选题 / Single choice **874.** What lights should be turned on when a vehicle stops temporarily on a snowy day?

A. Front and rear fog lights **B.** Reverse lights **C.** Headlights **D.** Hazard warning lights

中文：车辆在雪天临时停车时，应开启什么灯?

答案 Answer: **D**. Hazard warning lights A temporary stop requires signaling vehicles behind with hazard warning lights.

单选题 / Single choice **875.** Before entering a curve on a mountain road with no oncoming traffic, what should you do?

A. May drive on the outer side of the curve **B.** May briefly use the opposite lane **C.** May speed up and take a tangent line through the curve **D.** Should slow down, honk, and keep to the right

中文：山区道路车辆进入弯道前，在对面没有来车的情况下，应怎样做?

答案 Answer: **D**. Should slow down, honk, and keep to the right Safe driving requires slowing down, honking, and keeping to the right when entering a curve.

单选题 / Single choice **876.** What should you do when driving at night and an oncoming bicycle approaches?

A. Continuously switch between high and low beams **B.** Honk continuously **C.** Use low beams and slow down or stop to yield **D.** Use high beams

中文：夜间驾驶车辆遇自行车对向驶来时，应怎样做?

答案 Answer: **C**. Use low beams and slow down or stop to yield Using high beams or switching between beams blinds the oncoming cyclist, so low beams and slowing down are required instead.

单选题 / Single choice **877.** When changing lanes before an intersection, how should you merge into the target lane?

A. Within the solid-line zone before the intersection as needed **B.** Into the solid-line zone at the intersection **C.** Within the dashed-line zone, following the guide arrows **D.** Before the stop line at the intersection

中文：驾驶车辆在交叉路口前变更车道时，应怎样驶入要变更的车道?

答案 Answer: **C**. Within the dashed-line zone, following the guide arrows Lane changes are allowed only in the dashed-line zone following the guide arrows; a solid line must not be crossed.

单选题 / Single choice **878.** [Image] As shown in the figure, when a through-traffic vehicle encounters a blocked intersection ahead, which of the following is correct?

A. Follow other vehicles into the intersection **B.** Continue driving only after the road ahead clears and the light is green **C.** May drive directly into the intersection and wait there **D.** May proceed whenever the light is green

中文：如图所示，直行车辆遇到前方路口堵塞，以下说法正确的是什么?

答案 Answer: **B**. Continue driving only after the road ahead clears and the light is green Stopping is prohibited on crosswalks and yellow grid markings, so the vehicle must wait outside the intersection until the road clears and the light turns green.

单选题 / Single choice **879.** [Image] As shown in the figure, why should you abandon an overtaking maneuver when an oncoming vehicle appears?

A. The oncoming vehicle is going too fast **B.** My vehicle accelerates too slowly **C.** Continuing the overtake could easily cause a scrape or collision with the oncoming vehicle **D.** The vehicle ahead is going too fast

中文：如图所示，在超车过程中，遇对向有车来时要放弃超车的原因是什么?

答案 Answer: **C**. Continuing the overtake could easily cause a scrape or collision with the oncoming vehicle Overtaking requires being on the dashed-line side with no oncoming traffic; if a vehicle appears, continuing risks a collision and the overtake must be abandoned.

单选题 / Single choice **880.** When another vehicle suddenly forces an overtake and occupies your lane, what is the correct response?

A. Speed up **B.** Slow down as much as possible to avoid it, even stopping if needed **C.** Maintain the original speed **D.** Block its way

中文：行车中突遇对方车辆强行超车，占据自己车道，正确的做法是什么?

答案 Answer: **B**. Slow down as much as possible to avoid it, even stopping if needed Even if the other driver is discourteous, you should still slow down to avoid a collision, even stopping if necessary.

单选题 / Single choice **881.** When the vehicle behind signals to overtake, what should you do as long as conditions allow yielding?

A. Speed up while keeping to the right **B.** Proactively slow down and move to the right **C.** Speed up while leaving appropriate space **D.** Slow down quickly or brake urgently

中文：遇后车发出超车信号后，只要具备让超条件应怎样做?

答案 Answer: **B**. Proactively slow down and move to the right When being overtaken, a driver should slow down and move right to leave a sufficient safety distance.

单选题 / Single choice **882.** When driving on an expressway in fog, rain, snow, sandstorms, hail, or other low-visibility weather, and visibility drops below 50 meters, which of the following is correct?

A. Speed up to leave the expressway **B.** Stop and wait in the emergency lane **C.** May continue driving, but not faster than 40 km/h **D.** Exit the expressway as soon as possible from the nearest exit at no more than 20 km/h

中文：驾驶机动车在高速公路上行驶，遇有雾、雨、雪、沙尘、冰雹等低能见度气象条件时，能见度在 50 米以下时，以下做法正确的是什么?

答案 Answer: **D**. Exit the expressway as soon as possible from the nearest exit at no more than 20 km/h Below 50 meters of visibility, drivers must leave the expressway via the nearest exit at no more than 20 km/h.

单选题 / Single choice **883.** When the light for your lane is green but pedestrians are still crossing the crosswalk ahead, what should you do?

A. Start moving and pass through directly **B.** Start moving and go around behind the pedestrians **C.** Start moving and go around in front of the pedestrians **D.** Wait until the pedestrians have crossed before starting

中文：行驶车道绿灯亮时，但车辆前方人行横道仍有行人行走，应怎样做?

答案 Answer: **D**. Wait until the pedestrians have crossed before starting In any situation, motor vehicles must yield to pedestrians, even with a green light.

单选题 / Single choice **884.** Why should you honk frequently when driving in heavy fog?

A. To prepare to overtake the vehicle ahead **B.** To draw the attention of other drivers and avoid danger **C.** To urge the vehicle ahead to yield **D.** To urge the vehicle ahead to speed up and avoid a rear-end collision

中文：大雾天行车，多鸣喇叭是为了什么?

答案 Answer: **B**. To draw the attention of other drivers and avoid danger In fog, honking helps drivers alert each other and avoid danger.

单选题 / Single choice **885.** When overtaking and the vehicle ahead neither slows down nor yields, what should you do?

A. Honk continuously and speed up to overtake **B.** Speed up and continue overtaking **C.** Stop the overtake **D.** Follow closely and wait for another chance to overtake

中文：驾驶人在超车时，前方车辆不减速、不让道，应怎样做?

答案 Answer: **C**. Stop the overtake Forcing an overtake easily causes traffic accidents, so the attempt should be abandoned.

单选题 / Single choice **886.** What is the main effect of icy or snowy roads on safe driving?

A. Electrical equipment easily gets damp and short-circuits **B.** Visibility decreases and the view becomes blurry **C.** Driving resistance increases **D.** Poor braking performance and steering easily veers off course

中文：冰雪道路对安全行车的主要影响是什么?

答案 Answer: **D**. Poor braking performance and steering easily veers off course Icy and snowy roads cause poor braking and easy loss of steering control, so drivers must be cautious.

单选题 / Single choice **887.** After slowing down and downshifting before a railway crossing, what should you do once inside the crossing?

A. Do not change gears **B.** May change gears **C.** May shift to a higher gear **D.** Stop to observe

中文：驾驶车辆驶入铁路道口前减速降挡，进入道口后应怎样做?

答案 Answer: **A**. Do not change gears Changing gears inside the crossing risks stalling the engine, which is very dangerous there.

单选题 / Single choice **888.** How should you pass an oncoming vehicle on a mountain road?

A. Stay close to the center of the road **B.** Do not slow down **C.** Speed up **D.** Slow down or stop to yield

中文：在山区道路遇对向来车时，应怎样会车?

答案 Answer: **D**. Slow down or stop to yield Courteous driving means slowing down or stopping to yield to oncoming vehicles.

单选题 / Single choice **889.** When driving on an expressway in rain or snow, drivers must slow down and keep a safe distance; which of the following is NOT a correct reason for this?

A. Visibility decreases, making it hard to spot vehicles ahead in time **B.** Braking distance increases in such weather **C.** It provides a sufficient safety margin for safe driving **D.** It reduces the damage that severe weather causes to the vehicle

中文：驾驶机动车在高速公路上遇到雨雪天气时，需要降低车速、保持安全距离的原因，以下说法错误的是什么?

答案 Answer: **D**. It reduces the damage that severe weather causes to the vehicle The real reasons are reduced visibility and longer braking distance, not preventing weather damage to the vehicle, which is the incorrect option.

单选题 / Single choice **890.** When driving in rain and encountering pedestrians walking on the road with umbrellas or raincoats, what should you do?

A. Honk continuously to signal them to give way **B.** Speed up and go around **C.** Honk in advance and slow down appropriately **D.** Drive at normal speed

中文：雨天行车，遇撑雨伞和穿雨衣的行人在公路上行走时，应怎样做?

答案 Answer: **C**. Honk in advance and slow down appropriately Courteous driving must not affect pedestrians' normal passage, so honk in advance and slow down.

单选题 / Single choice **891.** After wading through water, a vehicle should keep driving at low speed; how should the brake pedal be operated to restore braking effectiveness?

A. Continuously press hard **B.** Intermittently press hard **C.** Continuously press lightly **D.** Intermittently press lightly

中文：车辆涉水后，应保持低速行驶，怎样操作制动踏板，以恢复制动效果?

答案 Answer: **D**. Intermittently press lightly Continuous or hard pressing may cause the engine to stall, so the brakes should be tapped intermittently and lightly.

单选题 / Single choice **892.** Answering phone calls while driving easily causes accidents; which of the following is NOT a correct reason for this?

A. Holding the wheel with one hand reduces vehicle control **B.** The driver becomes distracted and cannot judge danger promptly **C.** The phone signal interferes with the car's electronic systems **D.** The driver observes road conditions inadequately, easily causing operational errors

中文：驾驶机动车时接打电话容易引发事故，以下原因错误的是什么?

答案 Answer: **C**. The phone signal interferes with the car's electronic systems Phone signal interference with electronics is not a real hazard; the other three factors are what actually cause accidents.

单选题 / Single choice **893.** What should you do when driving on a water-covered road with non-motor vehicles on both sides?

A. Slow down **B.** Drive normally **C.** Speed up and pass **D.** Honk continuously

中文：当驾驶车辆行经两侧有非机动车行驶且有积水的路面时，应怎样做?

答案 Answer: **A**. Slow down Courteous driving must not affect others' normal passage, so drivers should slow down.

单选题 / Single choice **894.** After entering the acceleration lane of an expressway, how quickly should you raise your speed above what value, in km/h?

A. 50 **B.** 60 **C.** 30 **D.** 40

中文：驾驶车辆进入高速公路加速车道后，应尽快将车速提高到每小时多少公里以上?

答案 Answer: **B**. 60 The minimum speed on an expressway is 60 km/h and the maximum is 120 km/h.

单选题 / Single choice **895.** What should you do when a motor vehicle makes a temporary stop at the roadside?

A. Must not park facing the wrong way or side by side with another vehicle **B.** May park anywhere convenient **C.** May park facing the wrong way **D.** May park side by side with another vehicle

中文：机动车在道路边临时停车时，应怎样做？

答案 Answer: **A**. Must not park facing the wrong way or side by side with another vehicle Temporary parking must not obstruct other vehicles and pedestrians, so parking facing the wrong way or side by side is prohibited.

单选题 / Single choice **896.** While driving, if a road maintenance vehicle approaches from the wrong direction in your lane, what is the correct response?

A. Move aside, slow down, or stop to yield **B.** Continue driving in the same lane **C.** Use the non-motor vehicle lane **D.** Honk to signal it to yield

中文：驾驶机动车行驶过程中，遇道路养护车辆从本车道逆向驶来时，以下做法正确的是什么？

答案 Answer: **A**. Move aside, slow down, or stop to yield Road maintenance vehicles at work are not bound by traffic signs and markings, so other drivers should move aside, slow down, or stop to yield.

单选题 / Single choice **897.** After rain, roads are slippery; what can easily result from emergency braking while driving?

A. Causing the engine to stall **B.** Not being noticed by other drivers **C.** A collision due to blurred vision **D.** Skidding and causing a traffic accident

中文：下雨后路面湿滑，车辆行驶中紧急制动时，容易导致什么？

答案 Answer: **D**. Skidding and causing a traffic accident Emergency braking on wet roads easily causes skidding and accidents, so drivers should be cautious and avoid it.

单选题 / Single choice **898.** What should you do when a non-motor vehicle ahead is about to go around a parked vehicle?

A. Honk to signal it to yield **B.** Let it go first **C.** Follow closely and honk **D.** Speed up and go around it

中文：行车中遇有非机动车准备绕过停放的车辆时，应怎样做？

答案 Answer: **B**. Let it go first Motor vehicles must always yield to pedestrians and non-motor vehicles.

单选题 / Single choice **899.** What should you do when you notice congestion on the road ahead?

A. Look for a chance to overtake the vehicle ahead **B.** Weave through gaps between vehicles **C.** Slow down, stop, and queue in order **D.** Honk to hurry others

中文：行车中发现前方道路拥堵时，应怎样做？

答案 Answer: **C**. Slow down, stop, and queue in order Once traffic is already congested, drivers should not add to it, but slow down and queue in order.

单选题 / Single choice **900.** When driving on an icy or snowy mountain road and the vehicle ahead is climbing a slope, what should the following vehicle do?

A. Stop at a suitable location and wait until the vehicle ahead has passed before climbing **B.** Quickly overtake the vehicle ahead **C.** Climb the slope at low speed **D.** Follow closely behind while climbing

中文：在山区冰雪道路上行车，遇有前车正在爬坡时，后车应怎样做？

答案 Answer: **A**. Stop at a suitable location and wait until the vehicle ahead has passed before climbing On icy or snowy roads, following closely while climbing a slope should be avoided; wait for the vehicle ahead to pass first.

单选题 / Single choice **901.** What should you do when driving over an uneven road surface?

A. Rely on momentum and rush through **B.** Shift into neutral and coast through **C.** Pass through at the original speed **D.** Pass through slowly, steadily, and at low speed

中文：车辆通过凹凸路面时，应怎样做？

答案 Answer: **D**. Pass through slowly, steadily, and at low speed Not slowing down can damage the tires, and the bumpy surface can also affect safe driving.

单选题 / Single choice **902.** Why does the rule require using low beams within 150 meters when meeting an oncoming vehicle at night?

A. So the two vehicles can alert each other **B.** Using high beams would blind the other driver, easily causing danger **C.** To alert vehicles behind **D.** It is just a habitual driving action

中文：夜间会车规定 150 米以内使用近光灯的原因是什么？

答案 Answer: **B**. Using high beams would blind the other driver, easily causing danger High beams would blind the oncoming driver and create danger, so low beams must be used within 150 meters.

单选题 / Single choice **903.** On an expressway with complete signs and markings, drivers should follow the lane and speed rules set by what?

A. Signs or markings **B.** The Road Traffic Safety Law **C.** The vehicle owner's manual **D.** Local regulations

中文：在标志、标线齐全的高速公路上行车，应当按照什么规定的车道和车速行驶？

答案 Answer: **A**. Signs or markings When signs and markings are complete, drivers should follow them.

单选题 / Single choice **904.** What should you do when an ambulance rescuing injured people approaches from the wrong direction in your lane?

A. Move aside, slow down, or stop to yield **B.** Use another lane **C.** Speed up and change lanes to avoid it **D.** Continue driving in the same lane

中文：行车中遇抢救伤员的救护车从本车道逆向驶来时，应怎样做？

答案 Answer: **A**. Move aside, slow down, or stop to yield Drivers must proactively yield to special vehicles performing emergency duties, such as an ambulance.

单选题 / Single choice **905.** Why should the turn signal remain on throughout a turn at an intersection?

A. To let other drivers know you are overtaking **B.** Turning off the signal before completing the turn would damage the vehicle **C.** To let other drivers know you are turning **D.** Turning off the signal before completing the turn is just a habitual action

中文：路口转弯过程中，持续开启转向灯，主要原因是因为什么？

答案 Answer: **C**. To let other drivers know you are turning The turn signal must stay on throughout the turn so other drivers know you are turning, and be switched off only after completing it.

单选题 / Single choice **906.** When driving on a narrow mountain road and the vehicle on the mountainside does not yield, what should you do?

A. Honk to urge it to yield **B.** Maintain normal speed **C.** Slow down or stop in advance to yield **D.** Move left into the other lane and pass cautiously

中文：车辆在较窄的山路上行驶时，如果靠山体的一方不让行，应怎样做？

答案 Answer: **C**. Slow down or stop in advance to yield On a narrow mountain road, the vehicle in the relatively safer position should yield first, so this vehicle should slow down or stop.

单选题 / Single choice **907.** When driving on an expressway in fog, rain, snow, sandstorms, hail, or other low-visibility weather with visibility below 100 meters, what is the maximum allowed speed, and what minimum distance must be kept from the vehicle ahead in the same lane?

A. 40, 50 **B.** 40, 40 **C.** 50, 40 **D.** 50, 30

中文：驾驶机动车在高速公路上行驶，遇有雾、雨、雪、沙尘、冰雹等低能见度气象条件下，能见度在 100 米以下时，车速不得超过每小时多少公里，与同车道前车至少保持多少米的距离？

答案 Answer: **A**. 40, 50 Below 100 meters of visibility, speed must not exceed 40 km/h and following distance must be at least 50 meters.

单选题 / Single choice **908.** Why is a flooded road surface dangerous and hard to pass safely?

A. Hidden potholes and raised surfaces cannot be seen **B.** Road surface traction increases **C.** Visibility is low and blurry **D.** Sunlight reflection blocks the view

中文：水淹路面影响行车安全，不易通行的原因是什么？

答案 Answer: **A**. Hidden potholes and raised surfaces cannot be seen On a flooded road, hidden potholes and bumps cannot be seen, so drivers should stop to check the water conditions before proceeding.

单选题 / Single choice **909.** When the lanes ahead merge and traffic is moving slowly, what should you do to ensure safety and order?

中文：机动车在一般道路上发生故障，难以移动时，应提前开启危险报警闪光灯并在车后 50-100 米设置警告标志。

答案 Answer: **A**. Correct Warning sign placement: 50-100 meters on ordinary roads, beyond 150 meters on expressways.

判断题 / True or False **927.** [Image] This sign indicates that the maximum speed on the road ahead is limited to below 50 km/h.

A. Correct **B.** Wrong

中文：图中这个标志提示前方道路的最高车速限制在每小时 50 公里以下。

答案 Answer: **B**. Wrong A blue background with white figures indicates minimum speed; a red circle with white background indicates maximum speed.

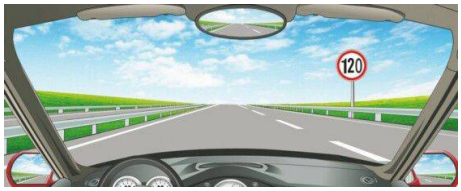
判断题 / True or False **928.** On a narrow mountain road without a center line, the side closer to the hillside should yield to the side away from the hillside.

A. Correct **B.** Wrong

中文：驾驶机动车在没有道路中心线的狭窄山路，靠山体的一方要让不靠山体的一方先行。

答案 Answer: **A**. Correct The relatively safer side should yield to the relatively more dangerous side.

判断题 / True or False **929.** The minimum speed for driving in this lane is 120 km/h.



A. Correct **B.** Wrong

中文：在这条车道行驶的最低车速是 120 公里。

答案 Answer: **B**. Wrong A blue background with white figures indicates minimum speed; a red circle with white background indicates maximum speed.

判断题 / True or False **930.** When driving on an expressway under weather conditions with visibility below 200 meters, the maximum speed must not exceed 60 km/h, and the distance from the vehicle ahead must be kept above 100 meters.

A. Correct **B.** Wrong

中文：驾驶机动车在高速公路遇到能见度低于 200 米的气象条件时，最高车速不能超过 60 公里/小时，与前车距离要保持 100 米以上。

答案 Answer: **A**. Correct Standard rule: visibility under 200m caps speed at 60 km/h and requires a following distance over 100 meters.

判断题 / True or False **931.** On a city road with only one lane per direction, the maximum speed for a motor vehicle must not exceed 70 km/h.

A. Correct **B.** Wrong

中文：驾驶机动车在同方向只有 1 条机动车道的城市道路，最高速度不能超过每小时 70 公里。

答案 Answer: **B**. Wrong Without a center line, city road speed is capped at 30 km/h, not 70 km/h.

单选题 / Single choice **932.** At night, when meeting an oncoming vehicle on a road without a center line, at what distance should you switch to low beams?

A. Within 50 meters **B.** Within 100 meters **C.** Beyond 150 meters **D.** Do not use low beams

中文：夜间在没有中心线的道路上会车，距离对向车辆多少米改用近光灯？

答案 Answer: **C**. Beyond 150 meters High beams are too intense; at close range they impair the oncoming driver's vision and can easily cause an accident.

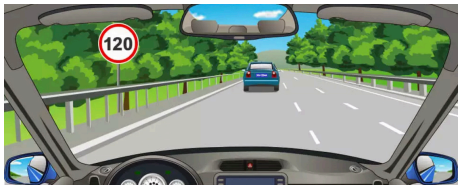
判断题 / True or False **933.** When driving through a section with heavy traffic, you may overtake at any time as long as the light is not red.

A. Correct **B.** Wrong

中文：驾驶机动车在经过交通流量大的路段，只要不是红灯就可以随时超车。

答案 Answer: **B**. Wrong Overtaking must only be done when it is safe.

判断题 / True or False **934.** [Image] When following the vehicle ahead in the expressway lane shown in the picture, the minimum following distance must not be less than 100 meters.



A. Correct **B.** Wrong

中文：在图中所示的高速公路行车道跟随前车行驶时，最小的跟车距离不得少于 100 米。

答案 Answer: **A**. Correct On expressways, when speed exceeds 100 km/h, the safe following distance must not be less than 100 meters.

单选题 / Single choice **935.** [Image] Encountering the situation shown in the picture, how should you drive?

A. Honk to tell pedestrians to stop crossing the intersection **B.** You may slowly pass between the two pedestrians at low speed **C.** Drive around in front of the pedestrians to pass through the intersection **D.** Stop before the stop line and wait for the pedestrians to pass

中文：遇到图中所示的情况，应怎样行驶?

答案 Answer: **D**. Stop before the stop line and wait for the pedestrians to pass In any situation, motor vehicles must yield to pedestrians.

中文：夜间驾驶机动车在有路灯照明的路段起步，应开启远光灯。

答案 Answer: **B**. Wrong High beams may only be used where lighting is poor and no vehicles are ahead or approaching.

单选题 / Single choice **1049.** Regarding the use of turn signals while driving, which statement is correct?

A. The turn signal may be skipped when returning to the original lane after overtaking **B.** The turn signal is not needed when pulling away from a parked position **C.** The right turn signal should be turned on in advance when pulling over to park **D.** The turn signal may be skipped when changing lanes

中文：关于驾驶机动车时转向灯的使用，以下说法正确的是什么？

答案 Answer: **C**. The right turn signal should be turned on in advance when pulling over to park Turn signals must be used in advance for pulling over, changing lanes, finishing an overtake, and pulling away from a stop.

单选题 / Single choice **1050.** In which of the following driving situations is a turn signal required? (1) preparing to overtake (2) turning at an intersection (3) pulling over to park (4) changing lanes

A. Only (1) **B.** Only (1)(2) **C.** Only (1)(2)(3) **D.** (1)(2)(3)(4)

中文：下列驾驶情形中，需要使用转向灯的是？ 准备超车 路口转弯 靠边停车 变更车道

答案 Answer: **D**. (1)(2)(3)(4) Any change in driving state must be signaled to other vehicles in time.

单选题 / Single choice **1051.** How should lights be used when driving through a crosswalk at night?

A. Alternate between high and low beams **B.** Turn on the fog lights **C.** Turn on the high beams **D.** Turn off the headlights

中文：驾驶机动车在夜间通过人行横道时怎样使用灯光？

答案 Answer: **A**. Alternate between high and low beams Alternating high and low beams signals pedestrians at a crosswalk at night.

判断题 / True or False **1052.** At a signal-controlled intersection, when the through signal is green and the left-turn signal is red, a vehicle may enter the left-turn waiting area to wait.

A. Correct **B.** Wrong

中文：在有信号灯的交叉路口，直行是绿灯，左转是红灯时，车辆可以进入左转待转区等待。

答案 Answer: **A**. Correct Entering the left-turn waiting area is allowed only while the through signal is green.

判断题 / True or False **1053.** On narrow mountain slopes, when vehicles meet, the downhill vehicle has the right of way because downhill speed is harder to control and more dangerous.

A. Correct **B.** Wrong

中文：山区狭窄坡路会车时，下坡的车辆先行，因为下坡速度不好控制更加危险。

答案 Answer: **B**. Wrong On a narrow slope, the uphill vehicle has the right of way, not the downhill one.

单选题 / Single choice **1054.** What light should be turned on when a motor vehicle enters an expressway from a ramp?

A. Left turn signal **B.** Right turn signal **C.** Hazard warning lights **D.** Headlights

中文：机动车从匝道驶入高速公路，应当开启什么灯？

答案 Answer: **A**. Left turn signal Merging is a leftward lane change, so the left turn signal must be used in advance.

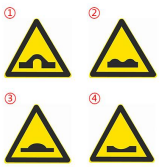
判断题 / True or False **1055.** A tidal lane is a variable lane whose direction of travel is adjusted according to morning and evening traffic flow.

A. Correct **B.** Wrong

中文：潮汐车道是可变车道，会根据早晚车流量，调整车道行驶方向。

答案 Answer: **A**. Correct Tidal lanes are designed specifically to handle morning and evening traffic peaks.

单选题 / Single choice **1056.** Which of the following signs indicates a dip (low-lying road surface) ahead?



A. Figure **B.** Figure **C.** Figure **D.** Figure

中文：下面哪个标志表示注意路面低洼？

答案 Answer: **D**. Figure Memory aid: a downward curve marks a dip or low point, an upward curve marks a hump.

判断题 / True or False **1057.** Traffic police hand signals carry the strongest legal authority among all traffic signals (signal lights, signs, markings, etc.).

A. Correct **B.** Wrong

中文：交通警察手势信号是所有交通信号 (信号灯、标志、标线等) 当中法律效力最强的一种信号。

答案 Answer: **A**. Correct Police hand signals take precedence over all other traffic signals.

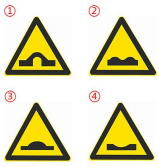
判断题 / True or False **1058.** When driving at night and the light turns green at an intersection, if pedestrians are still crossing the crosswalk, high beams should be used to hurry them along.

A. Correct **B.** Wrong

中文：夜间驾驶机动车在路口遇前方绿灯亮起时，如果人行横道上仍有行人通过，应开启远光灯催促其尽快通过。

答案 Answer: **B**. Wrong Motor vehicles must yield to pedestrians under all circumstances.

单选题 / Single choice **1059.** Which of the following signs indicates an uneven road surface ahead?

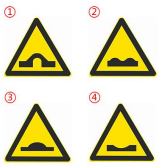


A. Figure □ **B.** Figure □ **C.** Figure □ **D.** Figure □

中文：下面哪个标志表示注意路面不平？

答案 Answer: **B**. Figure □ Memory aid: a downward curve marks a dip, an upward curve marks a hump; this sign shows uneven bumps.

单选题 / Single choice **1060.** Which of the following signs indicates a hump (camelback) bridge ahead?



A. Figure □ **B.** Figure □ **C.** Figure □ **D.** Figure □

中文：下面哪个标志表示注意驼峰桥？

答案 Answer: **A**. Figure □ Memory aid: the hump-shaped sign with a bridge outline indicates a camelback bridge.

判断题 / True or False **1061.** Before entering a two-way tunnel, high beams should be turned on.

A. Correct **B.** Wrong

中文：车辆驶入双向行驶隧道前，要开启远光灯。

答案 Answer: **B**. Wrong High beams blind oncoming drivers in a tunnel and can easily cause an accident.

判断题 / True or False **1062.** When waiting at an intersection with no traffic lights, it is acceptable to temporarily use the opposing lane to avoid causing worse congestion.

A. Correct **B.** Wrong

中文：在没有交通信号灯的路口遇停车等待时，可以临时占用对面车道，以免造成更大的拥堵。

答案 Answer: **B**. Wrong Occupying the opposing lane at a congested intersection can make the congestion even worse.

判断题 / True or False **1063.** Prohibition markings function to inform road users of special rules such as mandatory compliance, prohibitions, and restrictions.

A. Correct **B.** Wrong

中文：禁止标线的作用是告知道路使用者道路交通的遵行、禁止、限制等特殊规定。

答案 Answer: **A**. Correct This is the defined function of prohibition markings under traffic regulations.

判断题 / True or False **1064.** Work-zone signs function to announce road closures, detours, and similar conditions.

A. Correct **B.** Wrong

中文：作业区标志的作用是通告道路交通阻断、绕行等情况。

答案 Answer: **A**. Correct Work-zone signs direct drivers to detour as indicated by the sign.

判断题 / True or False **1065.** If a vehicle breaks down or is in an accident on an expressway, the driver should pull the car to the side, evacuate people, and call for help immediately, to avoid a secondary accident.

A. Correct **B.** Wrong

中文：驾驶机动车在高速公路上发生车辆故障或事故时，应做到“车靠边、人撤离、即报警”，避免发生二次事故。

答案 Answer: **A**. Correct Expressway breakdown procedure: hazard lights, move the vehicle aside, place a warning triangle, evacuate people, then call for help.

单选题 / Single choice **1066.** What color is the parking line marking for a free parking space?

A. White **B.** Blue **C.** Yellow **D.** Red

中文：免费停车位的停车标线是什么颜色？

答案 Answer: **B**. Blue White markings indicate paid parking, blue indicates free parking, and yellow indicates reserved parking.

判断题 / True or False **1067.** When changing lanes, once the turn signal is switched on in advance, the lane change can be made immediately.

A. Correct **B.** Wrong

中文：变更车道时，提前打开转向灯后，就可以立即变更车道。

答案 Answer: **B**. Wrong Lane changes require signaling, checking behind, and confirming a safe gap before actually moving over.

单选题 / Single choice **1068.** How should lights be used when a motor vehicle finishes overtaking and returns to its original lane?

A. Turn on the left turn signal **B.** Turn on the right turn signal **C.** Turn on the low beams **D.** Turn on the hazard warning lights

中文：驾驶机动车完成超车、驶回原车道时，应该怎样使用灯光?

答案 Answer: **B**. Turn on the right turn signal Overtaking is done from the left, so returning to the original lane on the right requires the right turn signal.

单选题 / Single choice **1069.** Which of the following distances is NOT included in stopping sight distance?

A. Starting distance **B.** Reaction distance **C.** Braking distance **D.** Safety distance

中文：停车视距不包括以下哪个距离?

答案 Answer: **A**. Starting distance Stopping sight distance runs from spotting an obstacle to fully stopping, which excludes the starting distance.

判断题 / True or False **1070.** Warning signs alert drivers that there is danger ahead and that they must proceed with caution.

A. Correct **B.** Wrong

中文：警告标志是警告机动车驾驶人前方有危险，需谨慎通过。

答案 Answer: **A**. Correct Yellow-plate signs are, by definition, warning signs.

判断题 / True or False **1071.** When intending to change lanes while driving, the turn signal should be switched on in advance and the lane change made smoothly only once safety is confirmed.

A. Correct **B.** Wrong

中文：驾驶机动车在道路上行驶，欲变更车道时，应提前开启转向灯，在确认安全的前提下，平稳变更车道。

答案 Answer: **A**. Correct Lane changes must only be carried out once safety has been confirmed.

判断题 / True or False **1072.** If symptoms such as fainting, nausea, weakness, or hallucinations that affect safe driving occur, the driver must not continue driving, to avoid a traffic accident.

A. Correct **B.** Wrong

中文：出现晕厥、恶心、乏力、幻象等影响安全驾驶的现象时，驾驶人不能继续驾驶机动车，避免发生交通事故。

答案 Answer: **A**. Correct Safety always comes first when driving.

单选题 / Single choice **1073.** How should lights be used when preparing to exit a roundabout?

A. Turn on the left turn signal in advance **B.** No signal is needed **C.** Turn on the hazard warning lights **D.** Turn on the right turn signal in advance

中文：驾驶机动车准备驶离环岛时，应如何使用灯光?

答案 Answer: **D**. Turn on the right turn signal in advance No signal is needed entering a roundabout, but the right turn signal is required when exiting.

判断题 / True or False **1074.** When passing a crosswalk at a school gate, it is fine to accelerate through as long as no pedestrians are crossing.

A. Correct **B.** Wrong

中文：驾驶机动车通过学校门口的人行横道，只要没有行人经过，就可以加速通过。

答案 Answer: **B**. Wrong Accelerating through a crosswalk is never correct, even without pedestrians present.

判断题 / True or False **1075.** When reversing a motor vehicle, the driver must clearly check the situation behind the car and confirm it is safe before reversing.

A. Correct **B.** Wrong

中文：驾驶机动车倒车时，应当察明车后情况，确认安全后倒车。

答案 Answer: **A**. Correct Reversing has blind spots, so drivers must observe surroundings carefully and yield to passing vehicles.

判断题 / True or False **1076.** When meeting oncoming traffic on a congested road, the lateral distance between the two vehicles does not need attention.

A. Correct **B.** Wrong

中文：在拥堵的道路上驾驶机动车与对向来车会车时，可以不注意两车横向间距。

答案 Answer: **B**. Wrong Insufficient lateral safety distance between vehicles can cause a traffic accident.

单选题 / Single choice **1077.** When driving on a road with a maximum speed limit sign, which statement is correct?

A. The posted maximum speed must not be exceeded **B.** Exceeding the posted maximum speed by 10% is allowed **C.** The vehicle's maximum design speed may be exceeded **D.** The vehicle must always travel at exactly the posted maximum speed

中文：机动车在设有最高限速标志的道路上行驶，以下说法正确的是什么?

答案 Answer: **A**. The posted maximum speed must not be exceeded Drivers must comply with the speed indicated by the posted speed limit sign.

判断题 / True or False **1078.** When approaching the crest of an uphill section at night, high beams should be used.
A. Correct **B.** Wrong
中文：夜间驾驶机动车驶近上坡坡顶路段时，要使用远光灯。
答案 Answer: **B**. Wrong High beams can blind oncoming drivers over a hill crest, which is unsafe.

判断题 / True or False **1079.** On a road with a designated dedicated lane, only the specified vehicles are permitted to use that lane.
A. Correct **B.** Wrong
中文：道路划设专用车道的，在专用车道内，只准许规定的车辆通行。
答案 Answer: **A**. Correct A dedicated lane is, by definition, reserved for the specified vehicle type.

单选题 / Single choice **1080.** What should be done when driving on an expressway and encountering slow-moving traffic ahead?
A. Reverse the vehicle **B.** Drive in the emergency lane **C.** Follow the traffic flow while keeping a safe following distance **D.** Stop immediately
中文：驾驶机动车在高速公路上行驶遇前方车流行驶缓慢时，应该怎么做？
答案 Answer: **C**. Follow the traffic flow while keeping a safe following distance Using the emergency lane on an expressway carries a 6-point penalty, so drivers should follow traffic at a safe distance.

判断题 / True or False **1081.** When towing a broken-down vehicle, both the towing and towed vehicles must turn on hazard warning lights, and the maximum speed must not exceed 60 km/h.
A. Correct **B.** Wrong
中文：牵引故障车时，牵引与被牵引的机动车都要开启危险报警闪光灯，最高行驶速度不得超过 60 公里/小时。
答案 Answer: **B**. Wrong Both vehicles must use hazard lights when towing, but the stated 60 km/h speed limit is incorrect.

单选题 / Single choice **1082.** What should be done when a motor vehicle encounters a stop signal ahead?
A. Stop before (outside) the stop line **B.** Stop within (past) the stop line **C.** Stop at the right side of the intersection **D.** Stop in the middle of the intersection
中文：驾驶机动车遇前方停止信号时，应该怎么做？
答案 Answer: **A**. Stop before (outside) the stop line Stopping before the stop line is required; crossing it violates the traffic signal.

判断题 / True or False **1083.** When starting to drive in low-visibility snowy weather, low beams should be turned on.
A. Correct **B.** Wrong
中文：驾驶机动车在能见度低的雪天起步时，要开启近光灯。
答案 Answer: **A**. Correct Low beams are required when starting to drive in snowy, low-visibility conditions.

判断题 / True or False **1084.** Prohibition signs are used to forbid or restrict the traffic behavior of vehicles and pedestrians.
A. Correct **B.** Wrong
中文：禁令标志是用以禁止和限制车辆、行人交通行为的标志。
答案 Answer: **A**. Correct Red-plate signs are, by definition, prohibition signs.

判断题 / True or False **1085.** If a vehicle breaks down on an expressway and cannot move normally, it should be towed by a rescue or recovery vehicle; the towing vehicle must use hazard lights, but the towed broken-down vehicle does not need to use any lights.
A. Correct **B.** Wrong
中文：机动车在高速公路上发生故障，无法正常行驶，应由救援车或清障车拖曳、牵引，牵引车应开启危险报警闪光灯，被牵引的故障车无需开启灯光。
答案 Answer: **B**. Wrong Only a professional recovery vehicle may tow it, and the towed vehicle must also use hazard lights.

单选题 / Single choice **1086.** How should lights be used when approaching an uphill section at night?
A. Turn off the high beams **B.** Use the hazard warning lights **C.** Use the high beams **D.** Alternate between high and low beams
中文：夜间驾驶机动车驶近上坡路段时，应如何使用灯光？
答案 Answer: **D**. Alternate between high and low beams Uphill sections have complex visibility, so alternating beams warns other road users.

判断题 / True or False **1087.** When exiting a roundabout, the driver should first move into the rightmost lane and may exit without using a turn signal.
A. Correct **B.** Wrong
中文：驾驶机动车驶出环岛时，应先驶入最右侧车道不用开启转向灯驶离即可。
答案 Answer: **B**. Wrong No signal is needed entering a roundabout, but the right turn signal must be used in advance when exiting.

判断题 / True or False **1088.** In foggy weather, a motor vehicle should have its fog lights, low beams, position lights, and rear lights on; when visibility is especially low, hazard warning lights should also be turned on.

A. Correct **B.** Wrong

中文：驾驶机动车在雾天行车应开启雾灯、近光灯、示廓灯和后位灯，能见度较低时，还应开启危险报警闪光灯。

答案 Answer: **A**. Correct Vehicles must use fog lights and hazard warning lights when driving in fog.

单选题 / Single choice **1089.** How should speed be controlled when crossing a narrow bridge with good road conditions?

A. No more than 60 km/h **B.** No more than 50 km/h **C.** No more than 40 km/h **D.** No more than 30 km/h

中文：驾驶机动车通过路面条件较好的窄桥怎样控制车速?

答案 Answer: **D**. No more than 30 km/h Speed must not exceed 30 km/h when crossing a narrow bridge or narrow road.

判断题 / True or False **1090.** When entering sections with limited sight distance, such as sharp bends or the crest of a slope, a motor vehicle should slow down and sound the horn to signal.

A. Correct **B.** Wrong

中文：机动车驶进急弯、坡道顶端等影响安全视距的路段时，应当减速慢行，并鸣喇叭示意。

答案 Answer: **A**. Correct Limited sight distance requires slowing down; safety comes first.

判断题 / True or False **1091.** When driving in strong wind and the steering wheel suddenly feels hard to control, the driver should turn the steering wheel against the wind direction.

A. Correct **B.** Wrong

中文：在大风天气条件下驾驶机动车，突然感觉到方向盘难以控制时，要逆风方向转动方向盘。

答案 Answer: **B**. Wrong Turning against the wind is the wrong response; the wheel should be corrected the other way.

判断题 / True or False **1092.** When entering a roundabout, a motor vehicle should travel clockwise, slowing down or stopping to yield when necessary.

A. Correct **B.** Wrong

中文：驾驶机动车在进入环岛路口时应按顺时针方向行驶，必要时减速或停车让行。

答案 Answer: **B**. Wrong Roundabouts in China are driven counterclockwise, not clockwise.

判断题 / True or False **1093.** When making a U-turn on an expressway ramp, the driver should ensure no vehicles are approaching from behind.

A. Correct **B.** Wrong

中文：车辆在高速公路匝道上掉头时，应确保后方无来车。

答案 Answer: **B**. Wrong U-turns and reversing are never allowed anywhere on an expressway, including ramps.

判断题 / True or False **1094.** When temporarily stopping on the road, a motor vehicle should park facing the direction of traffic, with the vehicle body no more than 50 cm from the road edge.

A. Correct **B.** Wrong

中文：机动车在道路上临时停车时，应按顺行方向停车，车身距道路边缘不超过 50 厘米。

答案 Answer: **B**. Wrong Temporary stopping must not obstruct other vehicles or pedestrians; the stated distance requirement is incorrect.

判断题 / True or False **1095.** Drivers should straddle lane-dividing lines as much as possible while driving, to make it easier to pick a lane based on conditions ahead.

A. Correct **B.** Wrong

中文：驾驶机动车应尽量骑轧可跨越车道分界线行驶，便于根据前方道路情况选择车道。

答案 Answer: **B**. Wrong Straddling lane lines is not allowed; drivers should keep to the right within their lane.

判断题 / True or False **1096.** When driving through a sharp bend at night, the driver should alternate between high and low beams.

A. Correct **B.** Wrong

中文：夜间驾驶机动车通过急弯路时，应交替使用远近光灯。

答案 Answer: **A**. Correct Signaling with alternating beams around a blind bend is safe, courteous driving.

判断题 / True or False **1097.** A continuously flashing yellow warning signal means motor vehicles should watch carefully and may proceed once safety is confirmed.

A. Correct **B.** Wrong

中文：黄色闪光警告信号灯持续闪烁，表示机动车要注意瞭望，在确认安全后可以通过。

答案 Answer: **A**. Correct A steady yellow light means wait, while a continuously flashing yellow light means proceed once safety is confirmed.

判断题 / True or False **1098.** If a driver feels fatigued while driving on an expressway, they should stop and rest at the next service area.

A. Correct **B.** Wrong

中文：在高速公路上行驶感觉疲劳时，应在下一个服务区停车休息。

答案 Answer: **A**. Correct Stopping on an expressway is not allowed except in emergencies, so drivers must wait for the next service area.

单选题 / Single choice **1099.** Where should a warning triangle be placed if a motor vehicle breaks down on an expressway?

A. In the direction traffic is coming from **B.** In front of the vehicle **C.** No need to set one up **D.** Anywhere

中文：机动车在高速上发生故障时，应当如何设置警告标志?

答案 Answer: **A**. In the direction traffic is coming from Warning triangles go on the side traffic approaches from: 50-100m on ordinary roads, over 150m on expressways.

单选题 / Single choice **1100.** When a vehicle skids sideways on a muddy road, which of the following actions is correct?

A. Turn the steering wheel slightly toward the direction of the skid to correct it **B.** Turn the steering wheel slightly away from the direction of the skid to correct it **C.** Brake hard to slow down **D.** Brake hard to stop

中文：车辆在泥泞路上发生侧滑时，以下做法正确的是?

答案 Answer: **A**. Turn the steering wheel slightly toward the direction of the skid to correct it Since most cars steer with the front wheels, correcting toward the skid direction helps regain control.

判断题 / True or False **1101.** Before crossing a railway crossing, shift into a low gear and do not change gears midway, to avoid stalling the engine.

A. Correct **B.** Wrong

中文：车辆通过铁路道口前，换入低速挡，不得中途换挡，避免导致发动机熄火。

答案 Answer: **A**. Correct Slowing down and shifting gears must be completed before entering the railway crossing.

判断题 / True or False **1102.** On a road section with heavy traffic flow, the following distance is not important; it is enough to just keep a low speed.

A. Correct **B.** Wrong

中文：如遇交通流量较大的路段，跟车距离不重要，只需要保持低速行驶即可。

答案 Answer: **B**. Wrong Even at low speed, an insufficient following distance can still cause a rear-end collision.

单选题 / Single choice **1103.** When driving on an expressway in foggy weather, which statement is correct?

A. When visibility is under 100 meters, speed must not exceed 60 km/h **B.** When visibility is under 50 meters, speed must not exceed 20 km/h, and the driver should exit the expressway at the nearest exit **C.** When visibility is under 200 meters, speed must not exceed 80 km/h **D.** When visibility is under 30 meters, the vehicle should simply stop and wait in the travel lane

中文：驾驶机动车在高速公路上遇雾天时，以下说法正确的是什么?

答案 Answer: **B**. When visibility is under 50 meters, speed must not exceed 20 km/h, and the driver should exit the expressway at the nearest exit Memory aid for expressway fog rules: under 200m drive at 60, under 100m at 40, under 50m at 20 and exit at the nearest ramp.

单选题 / Single choice **1104.** A street-sweeping vehicle working on the road, as long as it does not obstruct other traffic, may be exempt from what restriction?

A. Speed limit restrictions **B.** Lane-discipline restrictions **C.** Traffic signal restrictions **D.** Traffic sign restrictions

中文：在道路上作业的清扫车在不影响其他车辆通行的情况下，可以不受什么限制?

答案 Answer: **B**. Lane-discipline restrictions Working sweeper vehicles are exempt from normal lane-discipline rules; other vehicles must give way.

判断题 / True or False **1105.** When reversing on an expressway ramp, the driver should turn on hazard warning lights.

A. Correct **B.** Wrong

中文：车辆在高速公路匝道上倒车时，应开启危险报警闪光灯。

答案 Answer: **B**. Wrong Reversing is never allowed anywhere on an expressway, including ramps, regardless of lights used.

判断题 / True or False **1106.** A school bus must not carry more than its certified number of passengers, for any reason whatsoever.

中文：交通警察的指挥分为：手势信号和使用器具的交通指挥信号。

答案 Answer: **A**. Correct Both hand gestures and equipment-based signals are recognized methods of police traffic direction.

判断题 / True or False **1109.** Overinflated tires are prone to blowouts, so in hot weather, air should be regularly let out to lower tire pressure.

A. Correct **B.** Wrong

中文：轮胎胎压过高时容易爆胎，因此在天气炎热时，要经常放气降低胎压。

答案 Answer: **B**. Wrong Both overinflation and underinflation can cause a blowout; releasing air is not the correct fix.

判断题 / True or False **1110.** When driving through a sharp bend, the maximum speed must not exceed 30 km/h.

A. Correct **B.** Wrong

中文：驾驶机动车通过急弯路时，最高行驶速度不得超过 30 公里/小时。

答案 Answer: **A**. Correct Speed must not exceed 30 km/h at railway crossings, sharp bends, narrow roads, and narrow bridges.

判断题 / True or False **1111.** After entering the acceleration lane, the vehicle should quickly raise its speed to above 60 km/h.

A. Correct **B.** Wrong

中文：车辆驶入加速车道后，尽快将车速提高到每小时 60 公里以上。

答案 Answer: **A**. Correct The minimum expressway speed is 60 km/h, so drivers must reach it before merging.

判断题 / True or False **1112.** On an expressway, a motor vehicle may use the emergency lane at any time to drive, overtake, or park.

A. Correct **B.** Wrong

中文：驾驶机动车在高速公路上行驶，可以随时借用应急车道行驶、超车或停车。

答案 Answer: **B**. Wrong Driving improperly on an expressway, including misusing the emergency lane, carries a 6-point penalty.

判断题 / True or False **1113.** When following another vehicle on a slope, a motor vehicle should keep a larger safety distance than on flat road.

A. Correct **B.** Wrong

中文：驾驶机动车在坡道路段跟车行驶时，应保留比平路跟车时更大的安全距离。

答案 Answer: **A**. Correct Slopes reduce braking control, so a larger following distance is safer.

判断题 / True or False **1114.** After a motor vehicle exits the expressway onto the ramp, its speed should be reduced below the posted limit.

A. Correct **B.** Wrong

中文：驾驶机动车驶离高速公路进入匝道后，应将车速降到限定速度以下。

答案 Answer: **A**. Correct Drivers must comply with the posted speed limit, which is lower on ramps.

判断题 / True or False **1115.** Operating a school bus or passenger transport service while severely exceeding the rated passenger capacity can constitute the crime of dangerous driving.

A. Correct **B.** Wrong

中文：从事校车业务或者旅客运输，严重超过额定乘客载客的，可构成危险驾驶罪。

答案 Answer: **A**. Correct Severe overloading or overspeeding by school buses or passenger vehicles can constitute the crime of dangerous driving.

答案 Answer: **A**. Correct Road safety is everyone's responsibility, and these rules apply to pedestrians too.

判断题 / True or False **1119.** Guide signs function to provide route information, conveying road direction, location, and distance to drivers.

A. Correct **B.** Wrong

中文：指路标志的作用是指引道路信息，为驾驶人传递道路方向、地点、距离等信息。

答案 Answer: **A**. Correct Guide signs typically include information such as direction, location, and distance.

单选题 / Single choice **1120.** When following another vehicle in foggy weather, which of the following practices is wrong?

A. Increase the distance between the two vehicles **B.** Constantly watch for changes in the lead vehicle's brake lights **C.** Reduce driving speed **D.** Honk to tell the lead vehicle to speed up, to avoid being rear-ended

中文：雾天驾驶机动车跟车行驶，以下做法错误的是什么？

答案 Answer: **D**. Honk to tell the lead vehicle to speed up, to avoid being rear-ended In fog, drivers should use fog lights and slow down; honking to make the lead car speed up is wrong.

单选题 / Single choice **1121.** Where is it prohibited to park a motor vehicle within 50 meters?

A. First-aid station **B.** Fire hydrant **C.** Intersection **D.** Bus stop

中文：驾驶机动车在距离 50 米以内不得停车的路段是什么？

答案 Answer: **C**. Intersection Memory rule: no parking within 30m of a bus stop or 50m of an intersection.

判断题 / True or False **1122.** On an expressway, the maximum speed must not exceed 120 km/h.

A. Correct **B.** Wrong

中文：高速公路上最高时速不得超过 120 公里。

答案 Answer: **A**. Correct The expressway maximum speed is 120 km/h and the minimum is 60 km/h.

判断题 / True or False **1123.** At an intersection directed by traffic police, when vehicles are queued or moving slowly, motor vehicles should proceed alternately in turn.

A. Correct **B.** Wrong

中文：交通警察指挥的交叉路口遇到停车排队等候或者缓慢行驶时，机动车应当依次交替通行。

答案 Answer: **A**. Correct When a traffic police officer is directing on scene, their instructions take priority.

单选题 / Single choice **1124.** If a motor vehicle is involved in a traffic accident at night and cannot be moved, what lights should be turned on?

A. High beams and hazard warning lights **B.** Low beams and hazard warning lights **C.** Hazard warning lights, outline lights, and rear position lights **D.** The interior cabin light

中文：夜间驾驶机动车发生交通事故，难以移动的，应当开启什么灯？

答案 Answer: **C**. Hazard warning lights, outline lights, and rear position lights An immobile vehicle at night must use hazard lights, outline lights, and rear position lights to warn other vehicles.

A. Correct **B.** Wrong

中文：驾驶人患有妨碍安全驾驶机动车的疾病，在无明显不适的情况下，可以驾驶机动车。

答案 Answer: **B**. Wrong Any condition posing a safety risk means the person should not drive.

判断题 / True or False **1126.** On a long downhill section, turning off the engine or coasting in neutral can reduce fuel consumption.

A. Correct **B.** Wrong

中文：驾驶机动车在长下坡路段行驶时，熄火或者空挡滑行可以减少油耗。

答案 Answer: **B**. Wrong Turning off the engine or coasting in neutral downhill is dangerous and not allowed.

单选题 / Single choice **1127.** When a motor vehicle needs to stop temporarily by the roadside, which of the following statements is wrong?

A. It may stop temporarily on a crosswalk **B.** It may stop in a roadside parking bay **C.** It may stop temporarily where a no-prolonged-parking sign is posted **D.** It must not stop where a no-parking sign is posted

中文：驾驶机动车需要在路边临时停车时，下列哪种说法是错误的？

答案 Answer: **A**. It may stop temporarily on a crosswalk Stopping on a crosswalk is never allowed.

判断题 / True or False **1128.** When needing to stop temporarily roadside, a driver may choose to stop on a crosswalk as long as it does not block pedestrians.

A. Correct **B.** Wrong

中文：驾驶机动车需要在路边临时停车时，可选择在不影响行人通行的人行横道上停放。

答案 Answer: **B**. Wrong Crosswalks are reserved for pedestrians; parking a motor vehicle there is prohibited.

单选题 / Single choice **1129.** Which of the following behaviors is prohibited while driving a motor vehicle?

A. Watching the vehicle ahead **B.** Watching an in-car TV screen **C.** Watching the vehicle behind **D.** Watching traffic signals

中文：驾驶机动车不得有下列哪种行为？

答案 Answer: **B**. Watching an in-car TV screen Watching an in-car television screen distracts from safe driving and is prohibited.

单选题 / Single choice **1130.** After how long of continuous driving must a driver stop and rest for at least 20 minutes?
A. 2 hours **B.** 4 hours **C.** 6 hours **D.** 8 hours
中文：驾驶人连续驾驶机动车超过多长时间时，应停车休息至少 20 分钟?
答案 Answer: **B**. 4 hours Drivers must rest at least 20 minutes after 4 hours of continuous driving to prevent fatigue.

判断题 / True or False **1131.** Decorative plush toys may be hung from the front windshield of a motor vehicle.
A. Correct **B.** Wrong
中文：机动车前风窗玻璃处可以悬挂装饰类毛绒玩具。
答案 Answer: **B**. Wrong Hanging objects on the windshield creates blind spots, so it is prohibited.

判断题 / True or False **1132.** A driver who has driven continuously for more than 4 hours should stop and rest for at least 20 minutes.
A. Correct **B.** Wrong
中文：驾驶人连续驾驶机动车超过 4 小时，应停车休息至少 20 分钟。
答案 Answer: **A**. Correct Resting after 4 hours of continuous driving prevents fatigue-related accidents.

判断题 / True or False **1133.** While driving on an expressway, a motor vehicle must not throw or scatter objects out the window.
A. Correct **B.** Wrong
中文：驾驶机动车在高速公路上行驶时，不得向窗外抛撒物品。
答案 Answer: **A**. Correct Throwing objects from a moving vehicle endangers other road users, so it is prohibited.

判断题 / True or False **1134.** When driving and encountering an engineering rescue vehicle at work, the driver should proactively yield.
A. Correct **B.** Wrong
中文：驾驶机动车在路上行驶，遇到正在进行作业的工程救险车时，要主动避让。
答案 Answer: **A**. Correct Police cars, fire engines, ambulances, and engineering rescue vehicles on emergency duty must always be given the right of way.

判断题 / True or False **1135.** When driving at 110 km/h on an expressway, a motor vehicle must keep a minimum following distance of at least 50 meters from the vehicle ahead in the same lane.
A. Correct **B.** Wrong
中文：驾驶机动车以每小时 110 公里的速度在高速公路上行驶时，与同车道前车最低保持 50 米以上的安全距离。
答案 Answer: **B**. Wrong Above 100 km/h the required following distance is over 100 meters, not 50.

单选题 / Single choice **1136.** When driving in the left lane of a two-lane-per-direction expressway, what minimum following distance should be kept from the vehicle ahead in the same lane?
A. 20 meters **B.** 30 meters **C.** 50 meters **D.** 100 meters
中文：在高速同向两车道左侧车道行驶时，应当与同车道前车保持多少米以上的安全距离?
答案 Answer: **D**. 100 meters The left lane implies higher speed (over 100 km/h), requiring a following distance of over 100 meters.

单选题 / Single choice **1137.** In which of the following situations may a driver still drive a motor vehicle?
A. After taking a state-controlled psychotropic drug **B.** After drinking alcohol **C.** When severely fatigued **D.** After drinking water
中文：驾驶人出现下列哪种情况时，可以驾驶机动车?
答案 Answer: **D**. After drinking water Controlled drugs, alcohol, and severe fatigue all impair safe driving, unlike drinking water.

判断题 / True or False **1138.** The double solid white line at the very front of an intersection is a slow-down-and-yield line.
A. Correct **B.** Wrong
中文：路口最前端的双白实线是减速让行线。
答案 Answer: **B**. Wrong A double solid white line is actually a stop-and-yield line; the double dashed line is the slow-down-and-yield line.

判断题 / True or False **1139.** When a motor vehicle needs to park by the roadside, it should park within a designated parking bay.
A. Correct **B.** Wrong
中文：驾驶机动车需要在路边停车时，应在停车泊位内停放。
答案 Answer: **A**. Correct Where parking bays are marked, vehicles must park within them.

判断题 / True or False **1140.** While driving in strong wind, if a gust causes the vehicle to drift sideways, the driver should sharply turn the steering wheel to correct direction.
A. Correct **B.** Wrong
中文：大风天气行车中，如果遇到狂风袭来，感觉机动车产生横向偏移时，要急转方向以恢复行驶方向。
答案 Answer: **B**. Wrong Sharp steering corrections are not allowed in strong winds; the wheel should be adjusted gently.

判断题 / True or False **1141.** The double dashed white line at the very front of an intersection is a stop-and-yield line.
A. Correct **B.** Wrong
中文：路口最前端的双白虚线是停车让行线。
答案 Answer: **B**. Wrong A double dashed white line is actually the slow-down-and-yield line; the double solid line is the stop-and-yield line.

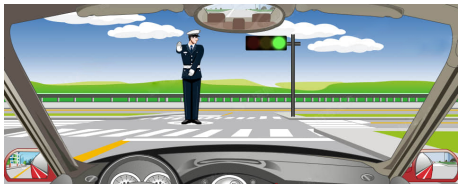
单选题 / Single choice **1142.** When driving through a school zone, what is the maximum speed allowed?
A. 30 km/h **B.** 60 km/h **C.** 90 km/h **D.** 100 km/h
中文：驾驶机动车通过学校区域时，最高车速不得超过多少?
答案 Answer: **A**. 30 km/h School zones require reduced speed, capped at 30 km/h, for pedestrian safety.

判断题 / True or False **1143.** When encountering livestock crossing or blocking the road, the driver should honk promptly to drive them away.
A. Correct **B.** Wrong
中文：驾驶汽车遇到牲畜横穿抢道的情况，要及时鸣喇叭进行驱赶。
答案 Answer: **B**. Wrong Honking can startle livestock into unpredictable movement; slowing down and waiting is the safer response.

判断题 / True or False **1144.** When meeting oncoming traffic at night, it is acceptable to turn off the headlights at the appropriate moment.
A. Correct **B.** Wrong
中文：在夜间会车的时候，可以适时关闭前大灯。
答案 Answer: **B**. Wrong At night, headlights must switch from high to low beam before meeting oncoming traffic, not be turned off entirely.

判断题 / True or False **1145.** When a driver has taken medication that could affect driving ability, the driver must not drive a motor vehicle.
A. Correct **B.** Wrong
中文：当驾驶人服用的药物对驾驶行为可能有影响时，驾驶人不得驾驶机动车。
答案 Answer: **A**. Correct Any safety risk, including medication side effects, means the person must not drive.

判断题 / True or False **1146.** [Image] When a motor vehicle passes through the intersection shown with the green light on, it may proceed directly.



A. Correct **B.** Wrong
中文：驾驶机动车经过图中绿灯亮的路口时，可以直接通过。
答案 Answer: **B**. Wrong When a traffic police officer is directing on scene, their instructions override the signal light.

判断题 / True or False **1147.** In rainy weather, a vehicle's driving resistance increases.
A. Correct **B.** Wrong
中文：雨天行车，车辆行驶阻力会增大。
答案 Answer: **B**. Wrong Rain reduces tire traction rather than increasing driving resistance, so emergency braking should be avoided.

判断题 / True or False **1148.** When crossing an unmanned railway crossing, it is fine to accelerate through as long as safety is ensured.
A. Correct **B.** Wrong
中文：通过无人看守的铁路道口，只要在确保安全的情况下，就可以加速通过。
答案 Answer: **B**. Wrong Railway crossings require stopping, looking, then proceeding, never accelerating through.

判断题 / True or False **1149.** If a motor vehicle's engine suddenly stalls at a railway crossing and cannot restart, the driver should repair it on the spot immediately.
A. Correct **B.** Wrong
中文：驾驶机动车在铁路道口突然熄火，无法重新启动时，应立即就地检修。
答案 Answer: **B**. Wrong Repairing the car on the tracks risks serious consequences if a train arrives; evacuate and call for help instead.

判断题 / True or False **1150.** When passing through an intersection without traffic lights, a motor vehicle should slow down and yield to pedestrians and vehicles with the right of way.

A. Correct **B.** Wrong

中文：机动车在通过没有信号灯的交叉路口，应当减速慢行，并让行人和优先通行的车辆先行。

答案 Answer: **A**. Correct Without signal control, slowing down and yielding is even more essential for safety.

判断题 / True or False **1151.** After taking a state-controlled narcotic drug, it is acceptable to drive a motor vehicle for a short distance.

A. Correct **B.** Wrong

中文：服用国家管制的麻醉药品可以短途驾驶机动车。

答案 Answer: **B**. Wrong Any safety risk, including controlled narcotics, means driving is prohibited, regardless of distance.

判断题 / True or False **1152.** A motor vehicle must not overtake the vehicle ahead in the same lane when that vehicle has its left turn signal on.

A. Correct **B.** Wrong

中文：驾驶机动车遇同车道行驶的前车开启左转向灯时不得超车。

答案 Answer: **A**. Correct A left signal from the lead vehicle may indicate it is changing lanes or turning, making it unsafe to overtake.

判断题 / True or False **1153.** [Image] The sign shown indicates that temporary parking is allowed.

A. Correct **B.** Wrong

中文：图中标志表示允许临时停车。

答案 Answer: **B**. Wrong A red circle with a red cross through it means no stopping, so this sign actually prohibits parking.

判断题 / True or False **1154.** When encountering an ambulance or other special vehicle on duty, a motor vehicle should quickly yield, clearing a life-saving lane for it.

A. Correct **B.** Wrong

中文：驾驶机动车遇到救护车等执行任务的特种车辆时，应迅速避让，为特种车辆空出一条“生命通道”。

答案 Answer: **A**. Correct Ambulances are saving lives, and life safety takes priority over everything else.

判断题 / True or False **1155.** When a school bus is stopped on the right side of the road loading or unloading students, and there are two lanes in the same direction, a vehicle in the left lane behind may slow down and pass.

A. Correct **B.** Wrong

中文：驾驶机动车遇到校车在道路右侧停车上下学生时，同向有两条机动车道，左侧车道后方机动车可以减速通过。

答案 Answer: **B**. Wrong With only two lanes, both the bus's lane and the adjacent lane must stop and wait; slow passage is allowed only with three or more lanes.

单选题 / Single choice **1156.** After entering the acceleration lane of an expressway, if there is little traffic in the through lane, how should the driver proceed?

A. Merge into the through lane ahead of normally moving traffic **B.** Merge into the through lane behind normally moving traffic
C. Accelerate and merge directly into the through lane **D.** Stop and wait for normally moving traffic to pass

中文：驾驶机动车驶入高速公路加速车道后，遇行车道车辆较少时，应如何行驶？

答案 Answer: **B**. Merge into the through lane behind normally moving traffic The acceleration lane exists to build up speed and merge in behind existing traffic safely.

判断题 / True or False **1157.** [Image] As shown, when driving through this section, if the vehicle ahead is moving relatively slowly, it is acceptable to overtake as long as no vehicle is approaching from the opposite direction.

A. Correct **B.** Wrong

中文：如图所示，驾驶机动车行经该路段，如果前车行驶相对较慢，在对向没有来车的情况下可以超车。

答案 Answer: **B**. Wrong Overtaking on a stretch of continuous bends is prone to causing serious accidents.

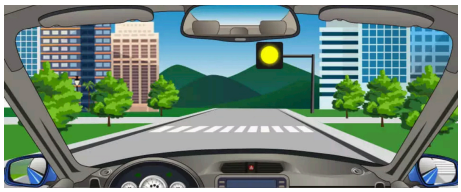
判断题 / True or False **1158.** On a road without marked lanes, motor vehicles travel in the middle of the road, while non-motor vehicles and pedestrians travel along the sides.

A. Correct **B.** Wrong

中文：驾驶机动车通过无划分车道的道路时，机动车在道路中间通行，非机动车和行人在道路两侧通行。

答案 Answer: **A**. Correct Memory aid: with no lane markings, drive in the middle; with markings, keep to the assigned side.

单选题 / Single choice **1159.** [Image] When encountering a continuously flashing yellow light like the one shown at an intersection, what does it alert vehicles to?

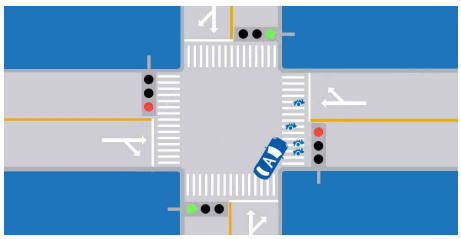


A. All vehicles are prohibited from passing through the intersection **B.** A traffic accident has occurred at the intersection **C.** The intersection is under traffic control and must be cleared **D.** Traffic signal control at the intersection is temporarily suspended

中文：在路口遇到图中这种黄灯不断闪烁时，提醒车辆应注意什么？

答案 Answer: **D**. Traffic signal control at the intersection is temporarily suspended A continuously flashing yellow light means normal signal control is suspended; proceed with caution after confirming safety.

判断题 / True or False **1160.** [Image] As shown, when vehicle A turns right and encounters pedestrians crossing the crosswalk, it should keep a low speed and proceed through.



A. Correct **B.** Wrong

中文：如图所示，A 车右转遇人行横道有行人通过时，应保持较低车速通过。

答案 Answer: **B**. Wrong Motor vehicles must yield to pedestrians under all circumstances, not merely slow down and pass.

单选题 / Single choice **1161.** While driving in a tunnel, if the driver realizes the route is wrong, how should they proceed?

A. Continue driving and find the correct route after exiting the tunnel **B.** Make a U-turn in the emergency stopping bay **C.** Stop inside the tunnel and figure out the route before continuing **D.** Drive out of the tunnel against traffic after confirming no vehicles are behind

中文：在隧道内行驶，发现行驶路线错误，应如何行驶？

答案 Answer: **A**. Continue driving and find the correct route after exiting the tunnel Overtaking, stopping, U-turns, and reversing are all prohibited inside a tunnel.

判断题 / True or False **1162.** When noticing the vehicle ahead is overtaking, to avoid an accident, the driver should tail it closely and pick the right moment to pass it too.

A. Correct **B.** Wrong

中文：当发现前车正在超车时，为了避免发生交通事故，驾驶人应紧跟前车，选择合适的时机超越前车。

答案 Answer: **B**. Wrong Drivers should wait until the vehicle ahead finishes overtaking before looking for their own safe opportunity.

判断题 / True or False **1163.** When meeting oncoming traffic at night, drivers should switch to low beams more than 150 meters before the other vehicle.

A. Correct **B.** Wrong

中文：夜间会车，应当在对向来车 150 米以外改用近光灯。

答案 Answer: **A**. Correct High beams must not be used against oncoming traffic at night.

判断题 / True or False **1164.** On an unlit road section at night, when following closely behind another vehicle, high beams should be used for illumination.

A. Correct **B.** Wrong

中文：夜间在没有照明的路段，与前车跟车距离较近时，应当开启远光灯照明。

答案 Answer: **B**. Wrong Using high beams while following closely at night would blind the driver ahead through their mirrors.

判断题 / True or False **1165.** On a road with a designated dedicated lane, other motor vehicles may temporarily use it to overtake.

A. Correct **B.** Wrong

中文：道路划设的专用车道，其他机动车可以临时借道超车。

答案 Answer: **B**. Wrong A dedicated lane is reserved exclusively for its designated vehicles.

判断题 / True or False **1166.** When starting off, as long as the left turn signal is on, the vehicle can pull away directly.

A. Correct **B.** Wrong

中文：车辆起步时，只要打开了左转向灯，就可以直接起步。

答案 Answer: **B**. Wrong Drivers must check surroundings and confirm safety before pulling away, not rely on the signal alone.

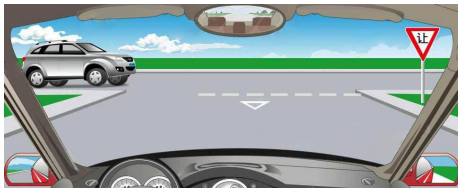
判断题 / True or False **1167.** Driving at 60 km/h on an unrestricted three-lane-per-direction expressway with no posted speed limit sign, the vehicle should stay in the rightmost lane.

A. Correct **B.** Wrong

中文：以 60 公里/小时的速度在没有限速标志的同向三车道的高速公路上行驶，应该走最右侧车道。

答案 Answer: **A**. Correct 60 km/h is the minimum expressway speed, matching the rightmost, slowest lane.

判断题 / True or False **1168.** When a motor vehicle encounters this situation, it must yield to vehicles approaching from the left.



A. Correct **B.** Wrong

中文：驾驶机动车遇到这种情形要让左侧来车先行。

答案 Answer: **A**. Correct An octagonal stop sign requires stopping and yielding priority to crossing traffic from the left.

判断题 / True or False **1169.** [Image] The signal light shown flashing continuously indicates that the intersection or road ahead is a hazardous section.

A. Correct **B.** Wrong

中文：图中信号灯持续闪烁表示前方路口或道路是危险路段。

答案 Answer: **A**. Correct A continuously flashing warning light marks a hazardous location requiring extra caution.

判断题 / True or False **1170.** Vehicles on an expressway must not change lanes frequently.

A. Correct **B.** Wrong

中文：车辆在高速公路上行车，不可以频繁地变更车道。

答案 Answer: **A**. Correct Frequent lane changes are unsafe and prohibited on any type of road.

单选题 / Single choice **1171.** When a motor vehicle passes through an intersection without traffic signal control at night, how should the lights be used?

A. Use low beam headlights **B.** Use hazard warning flashers **C.** Use high beam headlights **D.** Alternate between high and low beams to signal

中文：机动车在夜间通过没有交通信号灯控制的交叉路口时，要怎样使用灯光？

答案 Answer: **D**. Alternate between high and low beams to signal With no signal light controlling the intersection, the driver must actively alert other road users by flashing between high and low beams.

判断题 / True or False **1172.** When driving in fog with low visibility, you should speed up to reach a safe location as quickly as possible.

A. Correct **B.** Wrong

中文：雾天驾驶机动车在道路上行驶，由于能见度低，应加速行驶，尽快到达安全地点。

答案 Answer: **B**. Wrong In fog, drivers should turn on fog lights and slow down, not speed up.

判断题 / True or False **1173.** On a same-direction 3-lane expressway, a vehicle traveling faster than 90 km/h but slower than 110 km/h must not use the leftmost lane.

A. Correct **B.** Wrong

中文：在同向 3 车道高速公路上行车，车速高于每小时 90 公里、低于每小时 110 公里的机动车不得在高速公路最左侧车道行驶。

答案 Answer: **A**. Correct On a 3-lane expressway, the minimum speeds from left to right are 110, 90, and 60 km/h.

单选题 / Single choice **1174.** Driving at night, if the light turns green at an intersection but pedestrians are still crossing the crosswalk, what should you do?

A. Slow down and stop in time to yield **B.** Honk to signal pedestrians to move aside **C.** Speed up and pass in front of the pedestrians **D.** Quickly swerve around behind the pedestrians

中文：夜间驾驶机动车在路口遇前方绿灯亮起时，如果人行横道上仍有行人通过，应怎样做？

答案 Answer: **A**. Slow down and stop in time to yield Motor vehicles must yield to pedestrians under all circumstances.

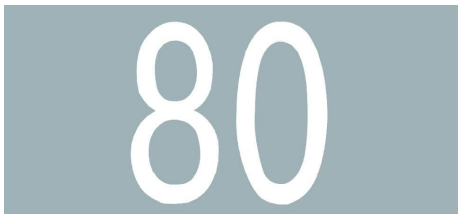
判断题 / True or False **1175.** You must not make phone calls while driving, but on roads with light traffic, you may briefly answer an incoming call while driving.

A. Correct **B.** Wrong

中文：开车过程中不得主动打电话，但在车流量较少的道路上，当他人打来电话时，可以临时边开车边接电话。

答案 Answer: **B**. Wrong Using a phone while driving is illegal and carries 2 demerit points, regardless of traffic volume.

判断题 / True or False **1176.** [Image] The sign in the picture warns drivers that the maximum speed limit ahead is 80 km/h.



A. Correct **B.** Wrong

中文：图中标志提醒驾驶人前方车辆最高限速为 80 公里/小时。

答案 Answer: **B**. Wrong The number's color on the sign matters: yellow indicates a higher limit, white a lower limit, black a suggested speed, not this sign's meaning.

判断题 / True or False **1177.** When a vehicle travels on an expressway above 100 km/h, keeping only 50 meters from the vehicle ahead in the same lane is a dangerous distance.

A. Correct **B.** Wrong

中文：车辆在高速公路以每小时 100 公里以上的速度行驶时，距同车道前车 50 米为危险距离。

答案 Answer: **A**. Correct On expressways, keep over 100 m at speeds above 100 km/h, and over 50 m at speeds below 100 km/h.

判断题 / True or False **1178.** Distracted driving slows reaction time, making accidents more likely from delayed or improper responses in emergencies.

A. Correct **B.** Wrong

中文：分心驾驶会影响人的反应速度，在遇紧急情况时，容易因反应不及时、采取措施不当引发事故。

答案 Answer: **A**. Correct Civilized driving always puts safety first.

判断题 / True or False **1179.** When merging from the acceleration lane into the driving lane on an expressway, the steering wheel should not be turned abruptly or forcefully.

A. Correct **B.** Wrong

中文：驾车在高速公路行驶，在由加速车道汇入行车道时，操纵转向盘不应过急过猛。

答案 Answer: **A**. Correct Sudden or forceful steering can easily cause an accident.

判断题 / True or False **1180.** When this traffic signal is lit at an intersection, driving straight is prohibited, but left and right turns are allowed.

A. Correct **B.** Wrong

中文：驾驶机动车在路口遇到这种信号灯亮时，不得直行，但是可以左转和右转。

答案 Answer: **B**. Wrong When a circular red signal is lit, a right turn is allowed if it does not obstruct traffic that has the right of way.

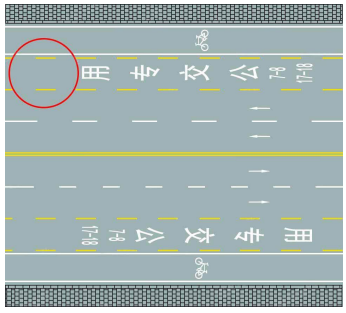
判断题 / True or False **1181.** [Image] As shown, when following another vehicle under this road condition, you should turn on the high beam headlights.

A. Correct **B.** Wrong

中文：如图所示，在这种路况下跟车行驶时，应当开启远光灯照明。

答案 Answer: **B**. Wrong When following closely at night, drivers should use low beams, not high beams.

判断题 / True or False **1182.** A non-bus vehicle may enter this lane at 10 a.m.



A. Correct **B.** Wrong

判断题 / True or False **1843.** A vehicle equipped with ABS can have the brake pedal pressed firmly during emergency braking.

A. Correct **B.** Wrong

中文：安装防抱死制动装置（ABS）的机动车紧急制动时，可用力踏制动踏板。

答案 Answer: **A**. Correct ABS delivers its maximum effectiveness during emergency braking, so the brake pedal can be pressed firmly.

判断题 / True or False **1844.** [Image] When the pictured indicator on the dashboard lights up, it warns that the engine needs more oil.

A. Correct **B.** Wrong

中文：机动车仪表板上（如图所示）亮时提醒发动机需要加注机油。

答案 Answer: **B**. Wrong This light indicates the engine temperature is too high, possibly due to low coolant, not low engine oil.

判断题 / True or False **1845.** [Image] When the pictured indicator on the dashboard lights up, it means the engine oil pressure may be too high.

A. Correct **B.** Wrong

中文：机动车仪表板上（如图所示）亮表示发动机可能机油压力过高。

答案 Answer: **B**. Wrong When this light comes on, it means the engine needs servicing because the oil pressure is too low, not too high.

判断题 / True or False **1846.** During emergency braking, the ABS system provides maximum braking force while keeping the front wheels steerable.

A. Correct **B.** Wrong

中文：机动车紧急制动时，ABS 系统在提供最大制动力的同时能使车前轮保持转向能力。

答案 Answer: **A**. Correct ABS (anti-lock braking system) prevents wheel lock-up, keeping the front wheels steerable and avoiding skidding.

单选题 / Single choice **1847.** What is this control device?

A. Parking brake lever **B.** Throttle lever **C.** Gearshift lever **D.** Clutch lever

中文：这是什么操纵装置?

答案 Answer: **A**. Parking brake lever The parking brake lever is commonly known as the hand brake.

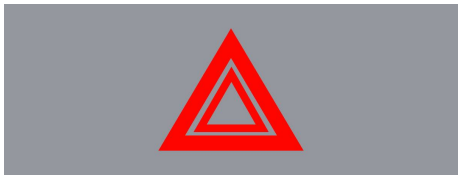
判断题 / True or False **1848.** [Image] When the pictured indicator on the dashboard lights up, it means the parking brake is engaged.

A. Correct **B.** Wrong

中文：机动车仪表板上（如图所示）亮时，表示驻车制动器处于制动状态。

答案 Answer: **A**. Correct Inside the circle, P means the parking brake is engaged with no fault, while the exclamation mark indicates a brake system malfunction.

单选题 / Single choice **1849.** [Image] What does this dashboard indicator lighting up mean?



A. Right turn signal flashing **B.** Hazard warning lights flashing **C.** Left turn signal flashing **D.** Front and rear position lights flashing

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **B**. Hazard warning lights flashing This light flashing means the vehicle has a fault and warns other vehicles to be careful.

单选题 / Single choice **1850.** [Image] After the engine starts, what does this dashboard indicator lighting up mean?

A. The fuel tank has reached its lowest level **B.** The engine fuel supply system is malfunctioning **C.** The engine ignition system has a fault **D.** The fuel pump is malfunctioning or has a fault

中文：发动机起动后仪表板上（如图所示）亮表示什么?

答案 Answer: **A**. The fuel tank has reached its lowest level This light staying on after the engine starts means the fuel needs to be topped up soon.

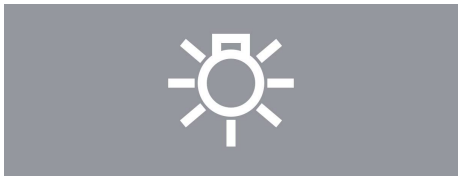
单选题 / Single choice **1851.** Which of the following gauges is the speedometer and odometer?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：以下哪个仪表表示速度和里程表?

答案 Answer: **B**. Figure 2 Figure 1 is the tachometer, Figure 3 is the water temperature gauge, and Figure 4 is the fuel gauge.

单选题 / Single choice **1852.** [Image] What does this dashboard symbol mean?



A. Low beam switch **B.** High beam switch **C.** Master light switch **D.** Rear fog light switch

中文：机动车仪表板上（如图所示）这个符号表示什么?

答案 Answer: **C**. Master light switch Pressing the master light switch turns on all the vehicle's lights.

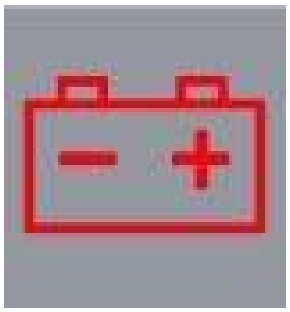
单选题 / Single choice **1853.** [Image] What does this dashboard indicator lighting up mean?

A. Brake pedal not returned **B.** Parking brake released **C.** Service brake failure **D.** Brake system malfunction

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **D**. Brake system malfunction Inside the circle, P means the parking brake is engaged with no fault, while the exclamation mark indicates a brake system malfunction.

单选题 / Single choice **1854.** [Image] What does this dashboard indicator lighting up mean?

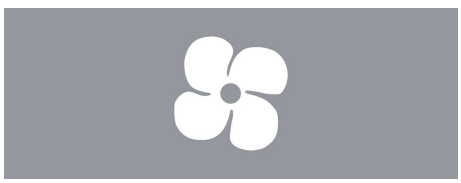


A. Charging current too high **B.** Battery damaged **C.** Ammeter fault **D.** Charging circuit fault

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **D**. Charging circuit fault This red warning light indicates a fault in the charging circuit.

单选题 / Single choice **1855.** [Image] What does this dashboard symbol mean?

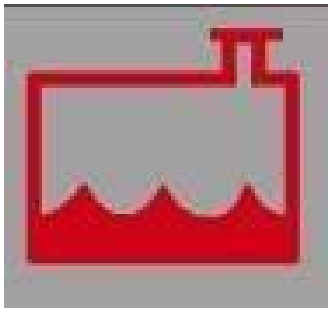


A. Blower fan for cold or warm air **B.** Air conditioning cooling **C.** Air circulation **D.** Snow start mode

中文：机动车仪表板上（如图所示）这个符号表示什么?

答案 Answer: **A**. Blower fan for cold or warm air Whether you want cold or warm air, you press the blower fan switch.

单选题 / Single choice **1856.** [Image] What does this dashboard indicator lighting up mean?



A. Low brake fluid **B.** Low washer fluid **C.** Cooling system fault **D.** Low coolant

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **D**. Low coolant When the temperature is too high, coolant needs to be topped up.

单选题 / Single choice **1857.** If a vehicle has an accident, which light should be turned on promptly?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：车辆发生意外，要及时打开哪个灯?

答案 Answer: **D**. Figure 4 Figure 1 is the clearance light, Figure 2 is the fog light, Figure 3 is the high beam, so the hazard light (Figure 4) should be used.

判断题 / True or False **1858.** A vehicle equipped with ABS has a much shorter stopping distance, so there is no need to maintain a safe following distance.

A. Correct **B.** Wrong

中文：安装防抱死制动装置（ABS）的机动车制动时，制动距离会大大缩短，因此不必保持安全车距。

答案 Answer: **B**. Wrong Do not rely on ABS to shorten stopping distance, especially during emergency braking on icy or snowy roads, where it cannot effectively shorten it.

单选题 / Single choice **1859.** What kind of device is the airbag?

A. A driver head and neck protection system **B.** An anti-lock braking system **C.** An electronic brake force distribution system **D.** An auxiliary occupant protection system

中文：安全气囊是一种什么装置?

答案 Answer: **D**. An auxiliary occupant protection system In a collision, the airbag rapidly inflates to form a protective cushion in front of and beside the driver and passengers, reducing injury.

单选题 / Single choice **1860.** To alert other vehicles and pedestrians, which light must be turned on in foggy weather?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：为提示车辆和行人注意，雾天必须开启哪个灯?

答案 Answer: **D**. Figure 4 Figure 1 is the washer fluid indicator, Figure 2 is the high beam, Figure 3 is the turn signal indicator, so the fog light (Figure 4) should be used.

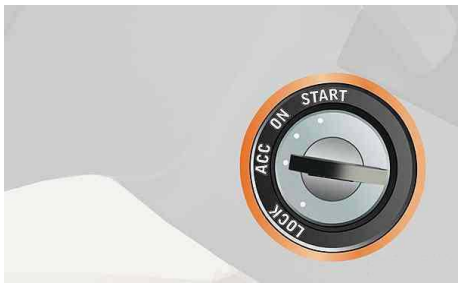
单选题 / Single choice **1861.** [Image] What does this dashboard symbol mean?

A. One side door open **B.** Trunk open **C.** Engine hood open **D.** Fuel filler cap open

中文：机动车仪表板上（如图所示）这个符号表示什么?

答案 Answer: **C**. Engine hood open The engine compartment is at the front and the trunk is at the rear.

判断题 / True or False **1862.** Turning the ignition switch to the ACC position starts the starter motor.



A. Correct **B.** Wrong

中文：将点火开关转到 ACC 位置起动机工作。

答案 Answer: **B**. Wrong The starter only works when the ignition switch is turned to the START position, not ACC.

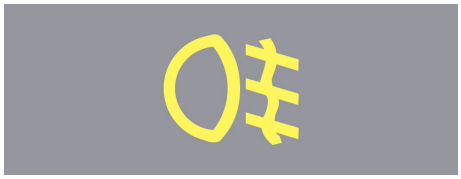
判断题 / True or False **1863.** [Image] With the light switch in this position, the front fog light comes on.

A. Correct **B.** Wrong

中文：灯光开关在该位置时，前雾灯点亮。

答案 Answer: **A**. Correct The light on the left is the front fog light and the light on the right is the rear fog light.

单选题 / Single choice **1864.** [Image] What does this dashboard indicator lighting up mean?



A. Front fog light on **B.** Rear fog light on **C.** Low beam headlight on **D.** High beam headlight on

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **B**. Rear fog light on The front fog light indicator is green and points left; the rear fog light indicator is yellow and points right.

单选题 / Single choice **1865.** [Image] Which warning light in the picture indicates a charging circuit malfunction?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：图中哪个报警灯亮，提示充电电路异常或故障?

答案 Answer: **D**. Figure 4 Figure 1 is the fuel indicator, Figure 2 is the brake system fault symbol, Figure 3 is the ABS indicator.

单选题 / Single choice **1866.** What does this position of the rotary switch control?

A. Left and right turn signals **B.** Low beam **C.** Front and rear fog lights **D.** High beam

中文：旋转开关这一挡控制机动车哪个部位?

答案 Answer: **C**. Front and rear fog lights The light on the left is the front fog light and the light on the right is the rear fog light.

单选题 / Single choice **1867.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?

A. Low beam headlight on **B.** Front fog light on **C.** High beam headlight on **D.** Rear fog light on

中文：机动车仪表板上（如图所示）亮时表示什么?

答案 Answer: **C**. High beam headlight on Blue parallel lines indicate the high beam; green slanted lines indicate the low beam.

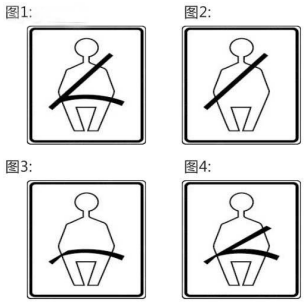
单选题 / Single choice **1868.** While driving, which of the following lights coming on indicates a fault in the brake system?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：行车中下列哪个灯亮，提示驾驶人车辆制动系统出现异常?

答案 Answer: **C**. Figure 3 Figure 1 is the fuel indicator, Figure 2 is the water temperature indicator, Figure 4 is the engine check light.

单选题 / Single choice **1869.** Which of the following shows the correct way to wear a seatbelt?



A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：以下安全带系法正确的是?

答案 Answer: **A**. Figure 1 The seatbelt should run from shoulder to waist, crossing from the right hip to the left hip.

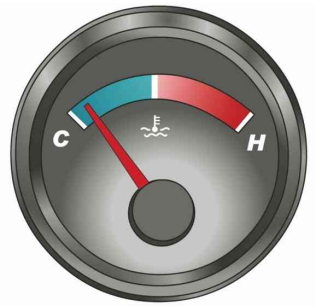
判断题 / True or False **1870.** [Image] When the pictured indicator on the dashboard lights up, it warns that the right door is not closed.

A. Correct **B.** Wrong

中文：机动车仪表板上（如图所示）亮，提示右侧车门未关闭。

答案 Answer: **B**. Wrong This light coming on reminds the driver to close all doors properly before setting off, not specifically the right door.

单选题 / Single choice **1871.** What does this gauge indicate?



A. Ammeter **B.** Pressure gauge **C.** Water temperature gauge **D.** Fuel gauge

中文：这个仪表是何含义?

答案 Answer: **C**. Water temperature gauge A thermometer measures water temperature, showing the engine's coolant temperature.

单选题 / Single choice **1872.** [Image] While driving, what does this dashboard indicator lighting up mean?

A. Engine temperature too low **B.** Engine temperature too high **C.** Engine cooling system fault **D.** Engine lubrication system fault

中文：行车中仪表板上（如图所示）亮表示什么?

答案 Answer: **B**. Engine temperature too high High engine temperature may be caused by insufficient coolant.

单选题 / Single choice **1873.** What is this pedal?

A. Accelerator pedal **B.** Clutch pedal **C.** Brake pedal **D.** Parking brake

中文：这是什么踏板?

答案 Answer: **C**. Brake pedal In a manual-transmission vehicle, the three foot pedals from left to right are clutch, brake, and accelerator.

单选题 / Single choice **1874.** What is this control device?

A. Defroster switch **B.** Turn signal switch **C.** Headlight switch **D.** Wiper switch

中文：这是什么操纵装置?

答案 Answer: **A**. Defroster switch A fan shape represents the front windshield and a rectangle represents the rear window.

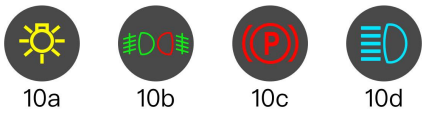
单选题 / Single choice **1875.** [Image] What device does this switch symbol control?

A. Rear window defroster or demister **B.** Front windshield wiper and washer **C.** Rear window wiper and washer **D.** Front windshield defroster or demister

中文：（如图所示）这个符号的开关控制什么装置?

答案 Answer: **C**. Rear window wiper and washer A fan shape represents the front windshield and a rectangle represents the rear window.

单选题 / Single choice **1876.** Which of the following indicator lights coming on means the vehicle is using its high beams?

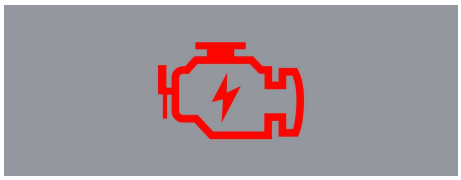


A. 10a **B.** 10b **C.** 10c **D.** 10d

中文：下列哪个指示灯亮表示车辆在使用远光灯？

答案 Answer: **D**. 10d The high beam produces a straight, level beam of light.

判断题 / True or False **1877.** [Image] When the pictured indicator on the dashboard stays lit, it indicates a fault in the engine control system.



A. Correct **B.** Wrong

中文：机动车仪表板上（如图所示）一直亮，表示发动机控制系统故障。

答案 Answer: **A**. Correct This light staying on indicates a fault in the engine control system.

单选题 / Single choice **1878.** What does this gauge indicate?

A. Tachometer **B.** Speedometer **C.** Trip odometer **D.** Fuel consumption per 100 km gauge

中文：这个仪表是何含义？

答案 Answer: **A**. Tachometer The number the needle points to, multiplied by one thousand, gives the current engine RPM.

单选题 / Single choice **1879.** What does this switch control on the vehicle?

A. Windshield demister **B.** Windshield wiper **C.** Hazard warning lights **D.** Lighting and signal devices

中文：这个开关控制机动车哪个部位？

答案 Answer: **B**. Windshield wiper Lights on the left, wipers on the right: the lever on the right side of the steering wheel controls the wipers.

单选题 / Single choice **1880.** [Image] What device does this switch symbol control?

A. Child safety lock **B.** Both side windows **C.** Power doors **D.** Door lock and unlock

中文：（如图所示）这个符号的开关控制什么装置?

答案 Answer: **D**. Door lock and unlock A key is used to lock and unlock things.

单选题 / Single choice **1881.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?

A. Both side doors open **B.** Trunk open **C.** Engine hood open **D.** Fuel filler cap open

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **A**. Both side doors open This light coming on reminds the driver to close the doors properly before setting off.

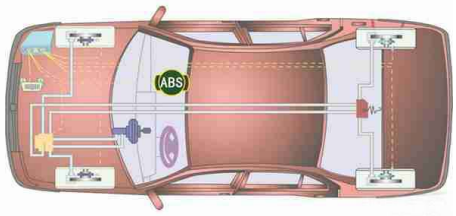
单选题 / Single choice **1882.** What is this pedal?

A. Accelerator pedal **B.** Clutch pedal **C.** Brake pedal **D.** Parking brake

中文：这是什么踏板?

答案 Answer: **B**. Clutch pedal In a manual-transmission vehicle, the three foot pedals from left to right are clutch, brake, and accelerator.

单选题 / Single choice **1883.** What role does the ABS system play during emergency braking?



A. Cutting off power output **B.** Automatically controlling steering **C.** Reducing braking inertia **D.** Preventing wheel lock-up

中文：机动车在紧急制动时 ABS 系统会起到什么作用?

答案 Answer: **D**. Preventing wheel lock-up ABS stands for anti-lock braking system, which prevents wheel lock-up and keeps the front wheels steerable, avoiding skidding.

单选题 / Single choice **1884.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?

A. ABS fault **B.** Parking brake released **C.** Airbag fault **D.** Service brake system fault

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **A**. ABS fault ABS stands for anti-lock braking system, so this light indicates an ABS fault.

单选题 / Single choice **1885.** [Image] What device does this switch symbol control?

A. Front windshield wiper **B.** Rear window defroster **C.** Rear window wiper **D.** Front windshield defroster

中文：（如图所示）这个符号的开关控制什么装置?

答案 Answer: **A**. Front windshield wiper A fan shape represents the front windshield and a rectangle represents the rear window.

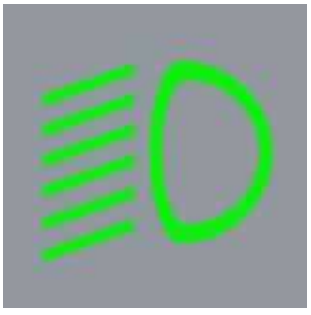
单选题 / Single choice **1886.** What is the main purpose of the seatbelt in a collision?

A. Reducing injury to occupants **B.** Protecting occupants' waist **C.** Protecting occupants' neck **D.** Protecting occupants' chest

中文：机动车发生碰撞时座椅安全带主要作用是什么?

答案 Answer: **A**. Reducing injury to occupants For safety, the seatbelt must always be fastened before driving.

单选题 / Single choice **1887.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?



A. High beam headlight on **B.** Front fog light on **C.** Rear fog light on **D.** Low beam headlight on

中文：机动车仪表板上（如图所示）亮时表示什么?

答案 Answer: **D**. Low beam headlight on Blue parallel lines indicate the high beam; green slanted lines indicate the low beam.

单选题 / Single choice **1888.** [Image] When the pictured indicator on the dashboard stays lit, what does it mean?

A. ABS fault **B.** Airbag fault **C.** Airbag is deploying **D.** Seatbelt not fastened

中文：机动车仪表板上（如图所示）一直亮表示什么?

答案 Answer: **B**. Airbag fault This light stays on only when the airbag system has a fault.

单选题 / Single choice **1889.** What is this control device?

A. Combined light and signal switch **B.** Reverse light switch **C.** Wiper switch **D.** Hazard warning light switch

中文：这是什么操纵装置?

答案 Answer: **A**. Combined light and signal switch Lights on the left, wipers on the right: the lever on the left side of the steering wheel controls lights and signals.

单选题 / Single choice **1890.** What does this gauge indicate?

A. Ammeter **B.** Pressure gauge **C.** Water temperature gauge **D.** Fuel gauge

中文：这个仪表是何含义?

答案 Answer: **D**. Fuel gauge Blue indicates a full tank, red indicates the fuel is low.

单选题 / Single choice **1891.** What is this control device?

A. Light switch **B.** Air conditioning switch **C.** Ignition switch **D.** Wiper switch

中文：这是什么操纵装置?

答案 Answer: **C**. Ignition switch You need to insert the key before you can ignite the engine.

单选题 / Single choice **1892.** What is this pedal?

A. Accelerator pedal **B.** Clutch pedal **C.** Brake pedal **D.** Parking brake

中文：这是什么踏板?

答案 Answer: **A**. Accelerator pedal In a manual-transmission vehicle, the three foot pedals from left to right are clutch, brake, and accelerator.

单选题 / Single choice **1893.** Which of the following indicator lights coming on means the engine temperature is too high?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：以下哪个指示灯亮时，表示发动机温度过高?

答案 Answer: **B**. Figure 2 Figure 1 is the oil indicator, Figure 3 is the ABS indicator, Figure 4 is the fuel indicator.

单选题 / Single choice **1894.** What must the front airbag work together with to be fully effective?

A. Seatbelt **B.** Anti-lock braking system **C.** Headrest **D.** Safety glass

中文：正面安全气囊与什么配合才能充分发挥保护作用?

答案 Answer: **A**. Seatbelt Without a fastened seatbelt, airbag deployment can cause more severe head and neck injuries.

单选题 / Single choice **1895.** In a rear-end collision, what part of the driver's body does the headrest effectively protect?

A. Waist **B.** Chest **C.** Neck **D.** Head

中文：安全头枕在发生追尾事故时，能有效保护驾驶人的什么部位?

答案 Answer: **C**. Neck The top of the headrest should be level with the driver's head, centered behind the back of the head.

单选题 / Single choice **1896.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?

A. Hazard warning lights on **B.** Headlights on **C.** Front and rear position lights on **D.** Front and rear fog lights on

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **C**. Front and rear position lights on The position light is the vehicle's clearance or side marker light.

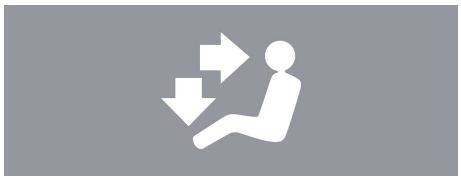
单选题 / Single choice **1897.** Which of the following indicator lights coming on means the anti-lock braking system (ABS) has a fault?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：以下哪个指示灯亮时，表示防抱死制动系统出现故障?

答案 Answer: **C**. Figure 3 Figure 1 is the oil indicator, Figure 2 is the fog light, Figure 4 is the water temperature indicator.

单选题 / Single choice **1898.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?



A. Interior air recirculation **B.** Floor and face vents **C.** Fresh air intake **D.** Side and floor vents

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **B**. Floor and face vents The direction the arrow points to is where the air flows out.

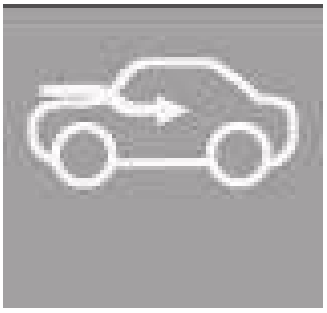
单选题 / Single choice **1899.** Which of the following indicator lights coming on reminds the driver that the seatbelt buckle is not fastened?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：以下哪个指示灯亮时，提醒驾驶人安全带插头未插入锁扣?

答案 Answer: **A**. Figure 1 Figure 2 is the water temperature indicator, Figure 3 is the ABS indicator, Figure 4 is the fuel indicator.

单选题 / Single choice **1900.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?

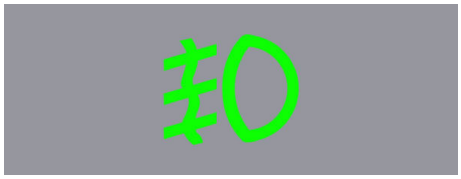


A. Interior air recirculation **B.** Fresh air intake **C.** Face-level air vents **D.** Windshield defrost

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **B**. Fresh air intake If air only circulates within the cabin that is interior recirculation; this icon shows outside air entering, which is fresh air intake.

单选题 / Single choice **1901.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?



A. Front fog light on **B.** Rear fog light on **C.** Low beam headlight on **D.** High beam headlight on

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **A**. Front fog light on The front fog light indicator is green and points left; the rear fog light indicator is yellow and points right.

单选题 / Single choice **1902.** Which warning light coming on indicates an engine control system malfunction?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：哪个报警灯亮，提示发动机控制系统异常或故障?

答案 Answer: **C**. Figure 3 Figure 1 is the fuel indicator, Figure 2 is the airbag indicator, Figure 4 is the water temperature indicator.

单选题 / Single choice **1903.** Which of the following gauges is the water temperature gauge?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：以下哪个仪表表示水温表?

答案 Answer: **C**. Figure 3 Figure 1 is the tachometer, Figure 2 is the speedometer and odometer, Figure 4 is the fuel gauge.

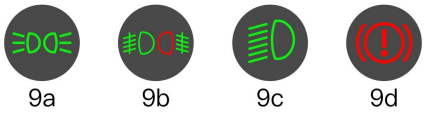
单选题 / Single choice **1904.** What is this control device?

A. Defroster switch **B.** Turn signal switch **C.** Headlight switch **D.** Wiper switch

中文：这是什么操纵装置?

答案 Answer: **D**. Wiper switch Lights on the left, wipers on the right: the lever on the right side of the steering wheel controls the wipers.

单选题 / Single choice **1905.** Which of the following indicator lights coming on means the vehicle is using its low beams?

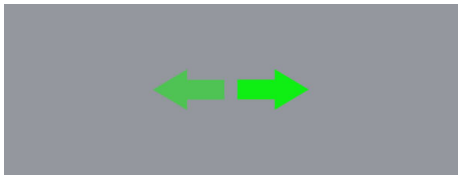


A. 9a **B.** 9b **C.** 9c **D.** 9d

中文：下列哪个指示灯亮表示车辆在使用近光灯。

答案 Answer: **C**. 9c The low beam shines toward the ground, with the light angled downward.

单选题 / Single choice **1906.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?



A. Left turn signal flashing **B.** Right turn signal flashing **C.** Front and rear position lights on **D.** Front and rear clearance lights on

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **B**. Right turn signal flashing Whichever side's arrow lights up indicates that side's turn signal.

单选题 / Single choice **1907.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?

A. Interior air recirculation **B.** Side vents **C.** Fresh air intake **D.** Face-level vents

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **D**. Face-level vents The direction the arrow points to is where the air flows out.

单选题 / Single choice **1908.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?

A. Face-level vents **B.** Fresh air intake **C.** Interior air recirculation **D.** Windshield defrost

中文：机动车仪表板上（如图所示）亮表示什么？

答案 Answer: **C**. Interior air recirculation If the arrow points from outside the car to inside, that is fresh air intake; this icon shows air recirculating within the cabin.

单选题 / Single choice **1909.** Which of the following indicator lights coming on means the fuel tank has reached its lowest level?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：以下哪个指示灯亮时，表示油箱内燃油已到最低液面？

答案 Answer: **D**. Figure 4 Figure 1 is the oil indicator, Figure 2 is the front fog light, Figure 3 is the ABS indicator.

单选题 / Single choice **1910.** Which of the following gauges is the fuel gauge?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：以下哪个仪表表示燃油表？

答案 Answer: **D**. Figure 4 Figure 1 is the tachometer, Figure 2 is the speedometer and odometer, Figure 3 is the water temperature gauge.

单选题 / Single choice **1911.** [Image] What does this dashboard symbol mean?

A. One side door open **B.** Trunk open **C.** Engine hood open **D.** Fuel filler cap open

中文：机动车仪表板上（如图所示）这个符号表示什么？

答案 Answer: **B**. Trunk open The engine compartment is at the front and the trunk is at the rear, so this icon indicates the trunk is open.

单选题 / Single choice **1912.** What part of the vehicle does lifting this switch control?

A. Reverse light **B.** Left and right turn signals **C.** Clearance lights **D.** Hazard warning lights

中文：提拉这个开关控制机动车哪个部位?

答案 Answer: **B**. Left and right turn signals Lifting it up turns on the right turn signal; pulling it down turns on the left turn signal.

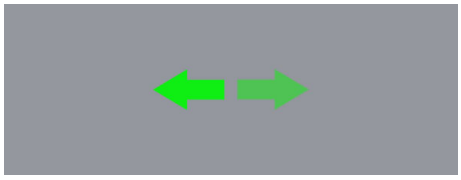
单选题 / Single choice **1913.** What does this gauge indicate?

A. Fuel consumption per 100 km gauge **B.** Speedometer and odometer **C.** Tachometer **D.** Maximum speed gauge

中文：这个仪表是何含义?

答案 Answer: **B**. Speedometer and odometer Pay attention to the units shown on the gauge.

单选题 / Single choice **1914.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?



A. Front and rear position lights on **B.** Right turn signal flashing **C.** Left turn signal flashing **D.** Front and rear clearance lights on

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **C**. Left turn signal flashing Whichever side's arrow lights up indicates that side's turn signal.

单选题 / Single choice **1915.** [Image] What device does this switch symbol control?

A. Rear window defroster or demister **B.** Front windshield wiper and washer **C.** Rear window wiper and washer **D.** Front windshield defroster or demister

中文：（如图所示）这个符号的开关控制什么装置?

答案 Answer: **B**. Front windshield wiper and washer A fan shape represents the front windshield and a rectangle represents the rear window.

单选题 / Single choice **1916.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?

A. Seatbelt not fastened **B.** Seatbelt fault **C.** Seatbelt fastened **D.** Seatbelt too loose

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **A**. Seatbelt not fastened The icon shows a diagonal strap across a person, representing an unfastened seatbelt.

单选题 / Single choice **1917.** [Image] After the engine starts, what does this dashboard indicator lighting up mean?

A. Engine oil pressure too high **B.** Main oil gallery blocked **C.** Engine oil pressure too low **D.** Crankcase gas leak

中文：发动机起动后仪表板上（如图所示）亮表示什么?

答案 Answer: **C**. Engine oil pressure too low This light coming on means the engine's oil pressure is too low and needs servicing.

单选题 / Single choice **1918.** Under what circumstances does ABS deliver the maximum braking effectiveness?

A. Intermittent braking **B.** Continuous braking **C.** Gently pressing the brake pedal **D.** Emergency braking

中文：防抱死制动系统（ABS）在什么情况下可以最大限度发挥制动器效能?

答案 Answer: **D**. Emergency braking ABS prevents wheel lock-up and keeps the front wheels steerable, avoiding skidding, especially during emergency braking.

单选题 / Single choice **1919.** In which of the following situations can the hazard warning lights be used?

A. When following another vehicle on the road **B.** When encountering road congestion **C.** When the vehicle breaks down and stops **D.** When leading a following vehicle

中文：危险报警闪光灯可用于下列什么场合?

答案 Answer: **C**. When the vehicle breaks down and stops Hazard warning lights must be turned on manually, typically when the vehicle breaks down and stops.

单选题 / Single choice **1920.** Which of the following indicator lights coming on means the engine oil pressure is too low?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：以下哪个指示灯亮时，表示发动机机油压力过低?

答案 Answer: **A**. Figure 1 Figure 2 is the front fog light, Figure 3 is the ABS indicator, Figure 4 is the water temperature indicator.

单选题 / Single choice **1921.** Which of the following gauges is the tachometer?

A. Figure 1 **B.** Figure 2 **C.** Figure 3 **D.** Figure 4

中文：以下哪个仪表表示发动机转速表?

答案 Answer: **A**. Figure 1 Figure 2 is the speedometer and odometer, Figure 3 is the water temperature gauge, Figure 4 is the fuel gauge.

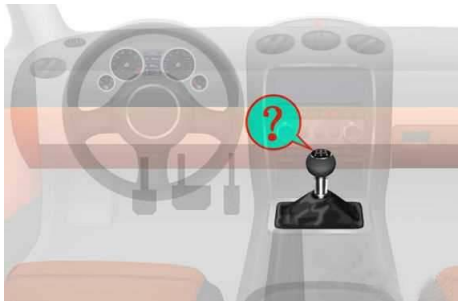
单选题 / Single choice **1922.** While driving, the water temperature warning light comes on. Which of the following could be the cause?

A. Lack of lubricating oil **B.** Indicator light damaged **C.** Lack of coolant **D.** Too much coolant

中文：行车中水温报警灯亮，下列可能是其原因的是?

答案 Answer: **C**. Lack of coolant Insufficient coolant should be topped up promptly.

单选题 / Single choice **1923.** What is this control device?



A. Throttle lever **B.** Parking brake lever **C.** Gearshift lever **D.** Clutch lever

中文：这是什么操纵装置?

答案 Answer: **C**. Gearshift lever The gearshift lever has gear positions and is used to accelerate, decelerate, or reverse; shifting gears changes the speed range.

单选题 / Single choice **1924.** [Image] When the pictured indicator on the dashboard lights up, what does it mean?

A. Service brake system fault **B.** Parking brake engaged **C.** ABS fault **D.** Parking brake released

中文：机动车仪表板上（如图所示）亮表示什么?

答案 Answer: **B**. Parking brake engaged Inside the circle, P means the parking brake is engaged with no fault, while the exclamation mark indicates a brake system malfunction.

单选题 / Single choice **1925.** [Image] What device does this switch symbol control?

A. Child safety lock **B.** Both side windows **C.** Power doors **D.** Door lock and unlock

中文：（如图所示）这个符号的开关控制什么装置?

答案 Answer: **A**. Child safety lock A child shown protected inside a circle indicates this is used to protect children.

判断题 / True or False **1926.** When drivers and passengers get out of a vehicle, they should open the door with the hand farther from the door and turn their head to check traffic to the side and rear, to avoid obstructing others.

A. Correct **B.** Wrong

中文：机动车驾驶人及乘车人下车时，用远离车门一侧的手开门，转头观察车辆侧方和后方通行状况，避免妨碍他人通行。

答案 Answer: **A**. Correct Confirm it is safe before opening the door and getting out.

判断题 / True or False **1927.** Before driving, the headrest height should be adjusted so it aligns with the driver's cervical spine.

A. Correct **B.** Wrong

中文：在驾驶机动车前，需调整安全头枕的高度，使头枕正对驾驶人的颈椎。

答案 Answer: **B**. Wrong The headrest should be adjusted to align with the back of the head, not the cervical spine.

单选题 / Single choice **1928.** Which of the following indicator lights coming on means the engine temperature is too high or coolant is too low?

A. Figure □ **B.** Figure □ **C.** Figure □ **D.** Figure □

中文：以下哪个指示灯亮时，表示当前汽车发动机温度过高或冷却液过少?

答案 Answer: **B**. Figure □ Figure □ is the water temperature gauge, Figure □ is the ABS indicator, Figure □ is the fuel indicator.

判断题 / True or False **1929.** Before getting into the driver's seat, the driver should first observe the surroundings and confirm it is safe before getting in.

A. Correct **B.** Wrong

中文：驾驶人在进入驾驶室前，首先要观察机动车周围情况，确认安全后再上车。

答案 Answer: **A**. Correct Before getting in, walk counter-clockwise around the vehicle to check it.

判断题 / True or False **1930.** When driving in a straight line, the faster the speed, the more steering input should be applied, and the faster the steering wheel should be turned.

A. Correct **B.** Wrong

中文：直线行驶时，车速越快，转向盘操作量应越多，转动转向盘的速度也应越快。

答案 Answer: **B**. Wrong At higher speeds, oversteering can cause a rollover; steering inputs should be smaller and more gradual, then promptly straightened.

判断题 / True or False **1931.** When driving a motor vehicle on the road, rear-seat passengers do not need to wear seatbelts.

A. Correct **B.** Wrong

中文：驾驶机动车上路行驶，后排乘车人可不系安全带。

答案 Answer: **B**. Wrong All occupants, including rear passengers, should wear seatbelts, and children need a dedicated child safety seat.

判断题 / True or False **1932.** Before setting off, the driver should remind passengers to fasten their seatbelts and close the doors properly.

A. Correct **B.** Wrong

中文：驾驶机动车起步前，应提醒乘车人系好安全带，并关好车门。

答案 Answer: **A**. Correct Civilized driving puts safety first.

判断题 / True or False **1933.** When starting the vehicle, if the warning light on the dashboard keeps flashing, it warns the driver the vehicle may have a fault, and the driver should stop promptly to fix it.

A. Correct **B.** Wrong

中文：机动车启动时，如果仪表上的报警灯持续闪烁，提醒驾驶人车辆可能存在故障，应及时停车排除故障。

答案 Answer: **A**. Correct If there is a fault, you should stop as soon as possible to inspect and repair it.

单选题 / Single choice **1934.** How should a driver perform a walk-around check before getting into the vehicle?

A. Walk clockwise around the vehicle **B.** Walk counter-clockwise around the vehicle **C.** Walk around in either direction **D.** Get in directly without checking

中文：上车前，驾驶人应该如何进行绕车检查?

答案 Answer: **B**. Walk counter-clockwise around the vehicle A pre-drive safety check is essential for safe driving.

判断题 / True or False **1935.** Before driving on the road, check whether the vehicle's condition meets safety and technical requirements; a vehicle with safety hazards such as fuel leaks must not be driven on the road.

A. Correct **B.** Wrong

中文：驾驶机动车上路行驶前，应检查车况是否符合安全技术要求，不得驾驶存在燃油泄漏等安全隐患的机动车上道路行驶。

答案 Answer: **A**. Correct Vehicles with safety hazards are not permitted to be driven on the road.

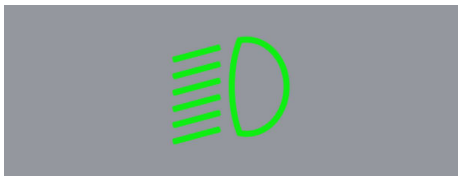
判断题 / True or False **1936.** A vehicle's dedicated spare tire can be used as a regular tire for long-term use.

A. Correct **B.** Wrong

中文：汽车的专用备胎可作为正常轮胎长期使用。

答案 Answer: **B**. Wrong A spare tire is only for temporary emergency use and should be driven on at reduced speed.

判断题 / True or False **1937.** [Image] When the pictured indicator on the dashboard lights up, it means the low beam headlights are on.



A. Correct **B.** Wrong

中文：机动车仪表板上（如图所示）亮时表示已开启近光灯。

答案 Answer: **A**. Correct Blue parallel lines indicate the high beam; green slanted lines indicate the low beam.

单选题 / Single choice **1938.** What is the correct way to operate the accelerator pedal?

A. Press gently, release abruptly **B.** Press hard, release slowly **C.** Press gently, release slowly **D.** Press hard, release abruptly

中文：关于操纵加速踏板，以下正确的做法是什么?

答案 Answer: **C**. Press gently, release slowly Suddenly slamming or abruptly releasing the accelerator pedal is unsafe.

单选题 / Single choice **1939.** What is the correct way to check the engine oil?

A. Park on level ground and check before starting the engine **B.** Park on level ground and check while idling **C.** No need to park on level ground, check before starting **D.** No need to park on level ground, check while idling

中文：检查机动车机油时，以下正确的做法是什么?

答案 Answer: **A**. Park on level ground and check before starting the engine Park on level ground and check before starting the engine; pull out the dipstick and confirm the oil level is between MAX and MIN.

判断题 / True or False **1940.** When a vehicle is on the road, children in the car should use a child safety seat.

A. Correct **B.** Wrong

中文：机动车上路行驶时，车上儿童应该使用儿童安全座椅。

答案 Answer: **A**. Correct Children under 12 years old are not allowed to ride in the front seat.

判断题 / True or False **1941.** The main cause of brake pull is uneven distribution of braking force between the left and right wheels.

A. Correct **B.** Wrong

中文：制动跑偏的主要原因是左右车轮制动力分配不均匀。

答案 Answer: **A**. Correct Brake pull can lead to serious accidents, so it requires extra caution.

判断题 / True or False **1942.** Continuous use of the service brake on a long downhill will shorten the engine's service life.

A. Correct **B.** Wrong

中文：下长坡连续使用行车制动器，会缩短发动机的使用寿命。

答案 Answer: **B**. Wrong Continuous service brake use on a long downhill shortens brake, not engine, life; engine braking should be used instead.

单选题 / Single choice **1943.** Which of the following is the English abbreviation for the adaptive cruise control system?
A. EBD **B.** ACC **C.** ABS **D.** GPS
中文：以下选项中，自适应巡航系统的英文缩写是什么?
答案 Answer: **B**. ACC Adaptive Cruise Control (ACC) automatically maintains a set speed or a safe following distance from the vehicle ahead.

单选题 / Single choice **1944.** Which of the following is the English abbreviation for the lane departure warning system?
A. EBD **B.** ACC **C.** LDW **D.** GPS
中文：以下选项中，车道偏离预警系统的英文缩写是什么?
答案 Answer: **C**. LDW LDW (Lane Departure Warning) alerts the driver to help reduce accidents caused by unintentional lane departure.

单选题 / Single choice **1945.** Regarding driving electric vehicles, which of the following statements is incorrect?
A. Flammable or explosive items must not be placed in the vehicle while charging **B.** Check the remaining battery level before setting off **C.** The vehicle should carry an ordinary fire extinguisher **D.** Charge promptly when the battery is low
中文：关于驾驶电动汽车，以下错误的说法是什么?
答案 Answer: **C**. The vehicle should carry an ordinary fire extinguisher Electric vehicles should carry a dedicated onboard fire extinguisher, not an ordinary one.

判断题 / True or False **1946.** In winter, the battery should be preheated before charging an electric vehicle.
A. Correct **B.** Wrong
中文：冬季在为电动汽车充电之前，要提前预热电池。
答案 Answer: **A**. Correct In winter, the battery cells are warmed to a suitable temperature before charging begins, so preheating beforehand is necessary.

判断题 / True or False **1947.** Before setting off in an electric vehicle, the remaining battery level must be checked.
A. Correct **B.** Wrong
中文：驾驶电动汽车在出行前，必须要检查剩余电量。
答案 Answer: **A**. Correct Checking the remaining battery level beforehand ensures it is sufficient for the trip.

单选题 / Single choice **1948.** Which of the following is the English abbreviation for vehicle navigation?
A. ACC **B.** ETC **C.** LDW **D.** GPS
中文：以下选项中，车辆导航的英文缩写是什么?
答案 Answer: **D**. GPS ACC is adaptive cruise control, ETC is electronic toll collection, LDW is lane departure warning, and GPS is the vehicle navigation system.

判断题 / True or False **1949.** If an electric vehicle catches fire, it is enough to report the location; there is no need to report the vehicle's brand and model.
A. Correct **B.** Wrong
中文：驾驶电动汽车发生起火，报警时告知起火地点即可，不用告知起火车辆的品牌和型号。
答案 Answer: **B**. Wrong Reporting the vehicle's brand and model helps rescuers know its battery type, capacity, and voltage for an effective response.

判断题 / True or False **1950.** Attention should be paid to maintaining electric vehicles; if a fault requires repair, a professional repair shop or technician should be chosen.
A. Correct **B.** Wrong
中文：应注意电动汽车的保养，电动汽车出现故障需要维修时，应选择专业的维修机构或者人员。
答案 Answer: **A**. Correct Electric vehicles differ internally from fuel vehicles, so repairs should only be done by qualified professionals, not by the driver disassembling parts.

判断题 / True or False **1951.** When driving an electric vehicle, try to avoid roads with standing water during rainy weather.
A. Correct **B.** Wrong
中文：驾驶电动汽车上路，尽量避免在雨天积水路段行驶。
答案 Answer: **A**. Correct Deep water can cause electrical leakage or motor water ingress in electric vehicles, risking fire.

判断题 / True or False **1952.** Before driving a pure electric vehicle, make sure the battery is sufficiently charged, plan a suitable route in advance, and know the locations of charging stations or charging piles along the way.
A. Correct **B.** Wrong
中文：驾驶纯电动汽车出行前，应确保电池电量充足，提前规划合适的路线，了解途中充电站或者充电桩的位置。
答案 Answer: **A**. Correct Since the battery is the main power source, checking the charge level and planning charging stops in advance prevents running out of power midway.

判断题 / True or False **1953.** In hot weather, avoid leaving an electric vehicle exposed to prolonged direct sunlight outdoors.

A. Correct **B.** Wrong

中文：高温炎热天气，电动汽车出行时要避免在户外长时间暴晒。

答案 Answer: **A**. Correct Prolonged sun exposure raises internal battery pressure, causing water loss, reduced activity, and faster plate aging.

判断题 / True or False **1954.** When driving an electric vehicle, it is fine to brake frequently.

A. Correct **B.** Wrong

中文：驾驶电动汽车行驶时，可以频繁使用刹车。

答案 Answer: **B**. Wrong Frequent braking means frequent starts, causing frequent high-current battery discharge that shortens battery life.

判断题 / True or False **1955.** Electric vehicles should be charged using compliant charging equipment, with an appropriate charging duration, following standard charging practices.

A. Correct **B.** Wrong

中文：为电动汽车充电应使用符合规定的充电设备，掌握适当的充电时长，规范充电。

答案 Answer: **A**. Correct Overcharging, over-discharging, or undercharging all shorten battery life, so charging time and frequency should match actual conditions.

判断题 / True or False **1956.** Electric vehicles are quiet at low speed, so on roads with many pedestrians and non-motor vehicles, a light horn tap can be used when necessary to alert them to an approaching vehicle.

A. Correct **B.** Wrong

中文：电动汽车在低速行驶状态下声音较小，遇到行人和非机动车较多的路段，必要时可轻鸣喇叭提示，以防非机动车和行人未注意靠近的车辆。

答案 Answer: **A**. Correct Electric vehicles are very quiet at low speed, so a light horn tap is appropriate where pedestrians and non-motor vehicles are common.

判断题 / True or False **1957.** If an electric vehicle catches fire, cut off the power immediately; if the fire becomes too large to control, move away from the vehicle and call for help right away.

A. Correct **B.** Wrong

中文：电动汽车发生起火，应立即切断电源，火势较大无法控制时，要远离车辆，立即报警。

答案 Answer: **A**. Correct Battery fires are dangerous: cut power immediately if possible, and if the fire cannot be controlled, retreat and call the emergency number.

单选题 / Single choice **1958.** Which of the following is the English abbreviation for the vehicle traction control system?

A. BSD **B.** ESP **C.** LCA **D.** TCS/ASR/TRC

中文：以下选项中，车辆牵引力控制系统的英文缩写是什么？

答案 Answer: **D**. TCS/ASR/TRC TCS/ASR/TRC (Traction Control System) is the standard abbreviation for traction control.

单选题 / Single choice **1959.** Which of the following is the English abbreviation for the automatic emergency braking assist system?

A. FCW **B.** AEB **C.** BSD **D.** ACC

中文：以下选项中，车辆自动刹车辅助系统的英文缩写是什么？

答案 Answer: **B**. AEB AEB (Autonomous Emergency Braking) is the standard abbreviation for the automatic braking assist system.

单选题 / Single choice **1960.** Which of the following is the English abbreviation for the vehicle blind spot monitoring system?

A. ACC **B.** BSD **C.** AEB **D.** FCW

中文：以下选项中，车辆盲点监测系统的英文缩写是什么？

答案 Answer: **B**. BSD BSD (Blind Spot Detection) is the standard abbreviation for blind spot monitoring.

单选题 / Single choice **1961.** Which of the following is the English abbreviation for the forward collision warning system?

A. EBD **B.** BAR **C.** TSR **D.** FCW

中文：以下选项中，前方防碰撞预警系统的英文缩写是什么？

答案 Answer: **D**. FCW FCW (Forward Collision Warning) uses radar to monitor the vehicle ahead and warns the driver of potential collisions.

单选题 / Single choice **1962.** Which of the following is the English abbreviation for the automatic lane change assist system?

A. ACC **B.** ALC **C.** TCS **D.** AEB

中文：以下选项中，车辆自动变道辅助系统的英文缩写是什么？

答案 Answer: **B**. ALC ALC (Auto Lane Change) is the standard abbreviation for the automatic lane-change assist system.

单选题 / Single choice **1963.** Which of the following is the English abbreviation for the traffic sign recognition system?
A. TSR **B.** AEB **C.** TRC **D.** ACC
中文：以下选项中，车辆交通标志识别系统的英文缩写是什么?
答案 Answer: **A**. TSR TSR (Traffic Sign Recognition) is the standard abbreviation for the traffic sign recognition system.

单选题 / Single choice **1964.** Which of the following is the English abbreviation for the emergency brake assist system?
A. LCA **B.** EBA **C.** FCW **D.** ALC
中文：以下选项中，车辆紧急制动辅助系统的英文缩写是什么?
答案 Answer: **B**. EBA EBA (Emergency Brake Assist) is the standard abbreviation for the emergency braking assist system.

单选题 / Single choice **1965.** Which of the following is the English abbreviation for real-time traffic information?
A. TMC **B.** LDW **C.** EBA **D.** LCA
中文：以下选项中，实时交通信息的英文缩写是什么?
答案 Answer: **A**. TMC TMC (Traffic Message Channel) is the standard abbreviation for real-time traffic information.

单选题 / Single choice **1966.** Which of the following is the English abbreviation for the electronic stability control system?
A. ESP **B.** ESC **C.** ACC **D.** LDW
中文：以下选项中，车身电子稳定控制系统的英文缩写是什么?
答案 Answer: **A**. ESP ESP (Electronic Stability Program) is the standard abbreviation for the electronic stability control system.

单选题 / Single choice **1967.** Which of the following is the English abbreviation for the cruise control system?
A. ACC **B.** CCS **C.** ABS **D.** FCW
中文：以下选项中，定速巡航系统的英文缩写是什么?
答案 Answer: **B**. CCS CCS (Cruise Control System) is the standard abbreviation for fixed-speed cruise control.

单选题 / Single choice **1968.** Which of the following is the English abbreviation for the electronic brake-force distribution system?
A. BAR **B.** TSR **C.** EBD **D.** LCA
中文：以下选项中，车辆电子制动力分配系统的英文缩写是什么?
答案 Answer: **C**. EBD EBD (Electronic Brakeforce Distribution) is the standard abbreviation for the brake-force distribution system.

单选题 / Single choice **1969.** Which of the following is the English abbreviation for the blind spot assist system?
A. BSD **B.** BSA **C.** AEB **D.** FCW
中文：以下选项中，车辆盲点辅助系统的英文缩写是什么?
答案 Answer: **B**. BSA BSA (Blind Spot Assist) uses short-range radar to monitor the rear and sides of the vehicle, extending the function of the mirrors.

单选题 / Single choice **1970.** Which of the following is the English abbreviation for the adaptive front-lighting (cornering headlight) system?
A. AFS **B.** ACC **C.** LCA **D.** ALC
中文：以下选项中，车辆随动转向前照灯系统的英文缩写是什么?
答案 Answer: **A**. AFS AFS (Adaptive Front-Lighting System) dynamically adjusts headlights based on steering angle and speed to improve visibility when turning.

单选题 / Single choice **1971.** After the vehicle has come to a stop, which of the following devices should be used to prevent it from rolling?
A. Gear shift lever **B.** Throttle control lever **C.** Clutch lever **D.** Parking brake lever
中文：车辆停稳后，为了避免车辆溜动，应当使用以下哪个装置?
答案 Answer: **D**. Parking brake lever Engaging the parking brake (handbrake) after stopping prevents the vehicle from rolling.

单选题 / Single choice **1972.** Regarding precautions for connecting or disconnecting an electric vehicle's charging plug, which of the following statements is correct?
A. The plug may be disconnected by pulling the charging cable **B.** The vehicle may be charged using the household electrical circuit **C.** Do not connect or disconnect the plug with wet hands **D.** The edge of the plug may be touched while connecting or disconnecting it
中文：电动汽车连接或者断开充电插座的注意事项，以下正确的说法是什么?
答案 Answer: **C**. Do not connect or disconnect the plug with wet hands Never pull the cable to unplug it and never handle the plug with wet hands, as this risks electric shock.

单选题 / Single choice **1973.** Regarding the energy recovery (regenerative braking) function of electric vehicles, which of the following statements is incorrect?
A. It saves electricity **B.** It saves brake pads **C.** It improves braking effect **D.** It can be used as the vehicle's brake
中文：关于电动汽车的能量回收功能，以下不正确的说法是什么?
答案 Answer: **D**. It can be used as the vehicle's brake Regenerative braking can slow the vehicle but cannot achieve an immediate full stop, so it cannot replace the brakes.

Vehicle Operation Basics / 机动车驾驶操作基础知识

判断题 / True or False **1974.** If an injured person cannot get out of the vehicle on their own, try to move them out of the vehicle while avoiding further injury.

A. Correct **B.** Wrong

中文：受伤者在车内无法自行下车时，可设法将其从车内移出，尽量避免二次受伤。

答案 Answer: **A**. Correct Leaving the injured person inside the vehicle can easily lead to secondary injury.

判断题 / True or False **1975.** After a traffic accident causes a harmful gas leak, rescuers entering the scene to help the injured must wear a respirator or cover their nose and mouth with a wet towel.

A. Correct **B.** Wrong

中文：因交通事故造成有害气体泄漏后，进入现场抢救伤员时，抢救人员须佩戴空气呼吸器或用湿毛巾捂住口鼻。

答案 Answer: **A**. Correct Rescuers must protect themselves first before they can help the injured.

判断题 / True or False **1976.** After a motor vehicle traffic accident, check for fuel leaks or ruptured lines to prevent further accidents.

A. Correct **B.** Wrong

中文：驾驶机动车发生交通事故后，应注意是否有燃油泄漏、管路破裂的情况，避免意外情况出现。

答案 Answer: **A**. Correct Safety of life comes first in all situations.

判断题 / True or False **1977.** At a traffic accident scene, if there is a leak of toxic or hazardous substances, people must be evacuated immediately and the incident reported to police right away.

A. Correct **B.** Wrong

中文：在交通事故现场，一旦遇到有毒有害物质泄漏，一定要第一时间疏散人员，并立即报警。

答案 Answer: **A**. Correct Evacuation and reporting to police must be done without delay.

判断题 / True or False **1978.** Before rescuing an unconscious injured person, check their breathing first.

A. Correct **B.** Wrong

中文：抢救昏迷失去知觉的伤员要在抢救前先检查呼吸。

答案 Answer: **A**. Correct Life comes first: confirm vital signs before taking further action.

单选题 / Single choice **1979.** When using digital pressure to stop arterial bleeding, where should the thumb press relative to the wound?

A. The artery proximal to the heart (near side) **B.** The artery below the blood vessel **C.** The artery distal from the heart (far side) **D.** The middle of the blood vessel

中文：采用指压止血法为动脉出血伤员止血时，拇指压住伤口的什么位置?

答案 Answer: **A**. The artery proximal to the heart (near side) Arterial blood flows from the heart, so pressure should be applied on the side closer to the heart.

判断题 / True or False **1980.** In an emergency, bleeding should first be controlled using the pressure method, then switched to another method as needed based on the bleeding.

A. Correct **B.** Wrong

中文：在紧急情况下为伤员止血时，须先用压迫法止血后再根据出血情况改用其他止血法。

答案 Answer: **A**. Correct For arterial bleeding, press the side near the heart; for venous bleeding, press the side away from the heart.

单选题 / Single choice **1981.** When treating a burn victim whose wound has already blistered, what can be used to cover and protect the blister?

A. Handkerchief **B.** Scarf **C.** Plastic bag or plastic wrap **D.** Tissue paper

答案 Answer: **C**. Plastic bag or plastic wrap Blistered wounds should be covered with something that blocks contamination and will not stick to the skin.

判断题 / True or False **1982.** When helping an injured person in shock from heavy blood loss, keep them warm.

A. Correct **B.** Wrong

中文：救助失血过多出现休克的伤员要采取保暖措施。

答案 Answer: **A**. Correct Rescuers must constantly monitor the injured person's condition and respond accordingly.

单选题 / Single choice **1983.** What is the first step in helping a victim of harmful gas poisoning?

A. Keep them warm **B.** Move the victim to a place with fresh air **C.** Perform artificial respiration **D.** Perform chest compressions

中文：救助有害气体中毒伤员，首先采取的措施是什么?

答案 Answer: **B**. Move the victim to a place with fresh air As with carbon monoxide poisoning, the victim should first be moved outdoors to fresh air.

判断题 / True or False **1984.** If a motor vehicle catches fire while driving, get out of the vehicle quickly to avoid respiratory injury or suffocation.

A. Correct **B.** Wrong

中文：驾驶机动车遇车辆出现燃烧现象，应迅速离开车内，避免对呼吸道造成伤害或发生窒息。

答案 Answer: **A**. Correct Once the vehicle is on fire, occupants must move away from it immediately.

单选题 / Single choice **1985.** When rescuing a bleeding injured person, what should be done first?

A. Observe **B.** Bandage **C.** Stop the bleeding **D.** Ask questions

中文：抢救失血伤员时，要先采取什么措施?

答案 Answer: **C**. Stop the bleeding For blood loss, bleeding must be stopped before bandaging.

判断题 / True or False **1986.** If the injured person has a fracture of the thigh, lower leg, or spine, generally do not move them casually.

A. Correct **B.** Wrong

中文：伤员大腿、小腿和脊椎骨折时，一般不要随便移动伤者。

答案 Answer: **A**. Correct Fractures are not visible to the eye, so avoid touching or moving the injured area whenever possible.

判断题 / True or False **1987.** If a fracture site is bleeding, first stop the bleeding and bandage the wound, then splint the limb.

A. Correct **B.** Wrong

中文：伤员骨折处出血时，首先要对伤口进行止血和包扎，再固定肢体。

答案 Answer: **A**. Correct Stop the bleeding and bandage first, then immobilize the limb.

判断题 / True or False **1988.** When moving a person with a spinal fracture, never support them to walk; a soft stretcher may be used to transport them.

A. Correct **B.** Wrong

中文：移动脊柱骨折的伤员，切勿扶持伤者走动，可用软担架运送。

答案 Answer: **B**. Wrong A spinal fracture patient's spine must be kept immobilized; a soft stretcher does not provide adequate stabilization.

判断题 / True or False **1989.** A burn victim who is thirsty should only drink plain water.

A. Correct **B.** Wrong

中文：烧伤伤员口渴时，只能喝白开水。

答案 Answer: **B**. Wrong Burn victims may drink lightly salted water to replenish fluids, not only plain water.

单选题 / Single choice **1990.** When performing CPR on an adult, what is the chest compression rate?

A. 60-80 per minute **B.** 80-100 per minute **C.** 100-120 per minute **D.** 120-140 per minute

中文：在为成人做心肺复苏时，胸外按压频率是多少?

答案 Answer: **C**. 100-120 per minute The CPR compression rate is somewhat higher than a normal heartbeat rate.

判断题 / True or False **1991.** When moving an unconscious injured person, the first step is to place them on their back (supine position).

A. Correct **B.** Wrong

中文：搬运昏迷失去知觉的伤员首先要采取仰卧位。

答案 Answer: **B**. Wrong The first priority is to open the airway.

判断题 / True or False **1992.** A thirsty burn victim may drink a small amount of lightly salted water.

A. Correct **B.** Wrong

中文：烧伤伤员口渴时，可喝少量的淡盐水。

答案 Answer: **A**. Correct Burn victims should not drink only plain water; lightly salted water helps replenish fluids.

判断题 / True or False **1993.** If an injured person is trapped under a wheel or cargo, immediately pull their limbs to drag them out.

中文：救助全身燃烧伤员采取哪种应急措施？
答案 Answer: **B**. Spray cold water on the body to put out the fire The other options risk causing further injury.

单选题 / Single choice **2001.** In first aid for a poisoning victim at a traffic accident, which of the following actions is incorrect?
A. Move the poisoned person out of the contaminated area as quickly as possible **B.** Remove clothing exposed to the toxic air **C.** Rinse exposed body parts with clean water **D.** Wait in place for rescue
中文：交通事故中急救中毒伤员，以下做法错误的是什么？
答案 Answer: **D**. Wait in place for rescue Once poisoned, action must be taken immediately, not simply waiting.

单选题 / Single choice **2002.** What should be kept in mind when rescuing a person with a fracture?
A. Quickly lift them onto a stretcher and send to hospital **B.** Adjust the position of the injury as needed **C.** Bandage the fracture site **D.** Do not move the fractured body part
中文：抢救骨折伤员时注意什么？
答案 Answer: **D**. Do not move the fractured body part Fractures are not visible to the eye, so avoid touching or moving the injured area whenever possible.

判断题 / True or False **2003.** Spraying cold water on a person whose whole body is on fire is an acceptable emergency measure.
A. Correct **B.** Wrong
中文：救助全身燃烧伤员可以采取向身上喷冷水灭火的措施。
答案 Answer: **A**. Correct Spraying cold water is the safest way to help someone who is burning.

单选题 / Single choice **2004.** If no bandage is available for first aid, which of the following first-aid actions is incorrect?
A. Bandaging with a handkerchief **B.** Bandaging with a towel **C.** Bandaging with a cotton garment **D.** Wrapping with thin rope
中文：在没有绷带急救伤员的情况下，以下救护行为中错误的是什么？
答案 Answer: **D**. Wrapping with thin rope Wound dressings should be made of soft, smooth material, not rope.

单选题 / Single choice **2005.** What is the basic requirement for rescuing injured people at an accident scene?
A. Treat the injury first, save life second **B.** Save life first, treat the injury second **C.** Help the lightly injured first **D.** Help the seriously injured last
中文：在事故现场抢救伤员的基本要求是什么？
答案 Answer: **B**. Save life first, treat the injury second Life comes first: save the person's life before treating the injury.

判断题 / True or False **2006.** If a fracture site is bleeding, first immobilize it, then stop the bleeding and bandage the wound.
A. Correct **B.** Wrong
中文：伤员骨折处出血时，要先固定，然后止血和包扎伤口。
答案 Answer: **B**. Wrong The bleeding should be stopped and bandaged first, then the limb immobilized.

单选题 / Single choice **2007.** Which of the following items should not be used for bandaging to stop bleeding?
A. Bandage **B.** Triangular bandage **C.** Tourniquet **D.** Hemp rope
中文：包扎止血不能用的物品是什么？
答案 Answer: **D**. Hemp rope Wound dressings should be made of soft, smooth material, not rope.

判断题 / True or False **2008.** When splinting a fractured limb with no exposed bone, the splint should extend past the joints above and below the wound.
A. Correct **B.** Wrong
中文：对无骨端外露的骨折伤员肢体固定时，要超过伤口上下关节。
答案 Answer: **A**. Correct Extending past the joints above and below the wound keeps those joints from moving.

判断题 / True or False **2009.** When moving a person with a spinal fracture, at least two people should support and move them by hand.
A. Correct **B.** Wrong
中文：移动脊柱骨折的受伤人员，要有两名以上人员扶持移动。
答案 Answer: **B**. Wrong A spinal fracture patient's spine must be kept immobilized, not moved by hand-support alone.

判断题 / True or False **2010.** If a fracture site is bleeding, first splint the limb, then stop the bleeding and bandage it.
A. Correct **B.** Wrong
中文：受伤人员骨折处出血时，要先固定好肢体再进行止血和包扎。
答案 Answer: **B**. Wrong Bleeding must be stopped first, before the limb is splinted.

单选题 / Single choice **2011.** If a motor vehicle suddenly catches fire, which of the following actions is incorrect?
A. Slow down and stop as soon as possible **B.** Evacuate in the downwind direction **C.** Move the vehicle away from gas stations **D.** Set up a warning sign
中文：机动车突然着火，以下做法错误的是什么？
答案 Answer: **B**. Evacuate in the downwind direction Evacuating downwind exposes people to smoke and fire, so this is incorrect.

判断题 / True or False **2012.** When a motor vehicle is transporting explosives, flammable or explosive chemicals, or highly toxic or radioactive dangerous goods, if the police-approved designated route does not include a tunnel, the vehicle must not enter a tunnel.
A. Correct **B.** Wrong
中文：机动车载运爆炸物品、易燃易爆化学品以及剧毒、放射性等危险物品，经公安机关批准的指定行驶路线不包含隧道的，不得进入隧道行驶。
答案 Answer: **A**. Correct Safety comes first: the approved route must not be changed without authorization.

单选题 / Single choice **2013.** While driving through a curve, Xiao Li's improper handling caused the vehicle to overturn, leaving him unconscious. What should a passing pedestrian do?
A. Perform CPR immediately **B.** Repeatedly slap the victim's face **C.** Check breathing before starting rescue **D.** Pinch the philtrum (under the nose) hard
中文：小李驾车经转弯路段时，因操作不当造成车辆倾翻，导致其昏迷，此时路过的行人应该怎么做？
答案 Answer: **C**. Check breathing before starting rescue For an unconscious victim, breathing should be checked first before any rescue action.

单选题 / Single choice **2014.** If a motor vehicle's engine suddenly stalls while driving, which of the following actions is incorrect?
A. Turn on the hazard warning lights **B.** Place a warning sign **C.** Move the vehicle to a safe location **D.** Stop immediately to inspect and repair it
中文：驾驶机动车在道路上行驶突然熄火，以下错误的做法是什么？
答案 Answer: **D**. Stop immediately to inspect and repair it When breaking down, hazard warning lights should be turned on immediately, not an on-the-spot repair.

Incidents, Emergencies & Complex Conditions / 事故处理与应急

判断题 / True or False **2015.** Under defensive driving techniques, to attract attention, high beams may be used at night when meeting non-motor vehicles on narrow roads or narrow bridges.

A. Correct **B.** Wrong

中文：按照防御性驾驶技术要求，为引人注意，夜间在窄路、窄桥与非机动车会车时可以使用远光灯。

答案 Answer: **B**. Wrong Low beams, not high beams, should be used when meeting oncoming traffic at night.

判断题 / True or False **2016.** Under defensive driving techniques, when merging into traffic, scan your surroundings and leave a margin of safety: turn on the turn signal in advance, keep driving in a straight line, check left and right through the mirrors, and merge only after confirming it is safe.

A. Correct **B.** Wrong

中文：驾驶车辆汇入车流时，按照防御性驾驶技术要求，要环回视野、留有余地，应提前开启转向灯，保持直线行驶，通过后视镜观察左右情况，确认安全后汇入合流。

答案 Answer: **A**. Correct The turn signal should be on for at least 3 seconds before turning the wheel.

判断题 / True or False **2017.** Under defensive driving techniques, when passing through an intersection, scan your surroundings continuously and avoid fixating on any single object for more than 2 seconds, to prevent tunnel vision or staring.

A. Correct **B.** Wrong

中文：车辆通过路口时，按照防御性驾驶技术要求，要环回视野，要求眼睛不断扫视周边情况，避免注视一个物体超过 2 秒，防止出现视若无睹和凝视的情况发生。

答案 Answer: **A**. Correct Staring at the same object for too long causes visual fatigue, so fixation should not exceed 2 seconds.

判断题 / True or False **2018.** Under defensive driving techniques, when opening the car door from inside, the driver should carefully check the front and rear surroundings and open the door with the right hand, without obstructing other vehicles or pedestrians.

A. Correct **B.** Wrong

中文：按照防御性驾驶技术要求，机动车驾驶人车内开车门时，应认真观察前后情况，在不得妨碍其他车辆和行人通行情况下，用右手开车门。

答案 Answer: **A**. Correct Vehicles should always park and stop on the right side.

判断题 / True or False **2019.** When encountering a slow-moving elderly pedestrian crossing the road, under defensive driving techniques, it is acceptable to continuously honk the horn to hurry them along.

A. Correct **B.** Wrong

中文：行车中遇老人横过道路，行动缓慢，按照防御性驾驶技术要求，要引人注意，可持续鸣喇叭催促。

答案 Answer: **B**. Wrong Motor vehicles must always yield to pedestrians and non-motor vehicles.

判断题 / True or False **2020.** Under defensive driving techniques, when changing lanes, scan your surroundings and leave a margin of safety: turn on the turn signal in advance, observe carefully, keep a safe distance, and move into the new lane.

A. Correct **B.** Wrong

中文：驾驶车辆变更车道时，按照防御性驾驶技术要求，要环回视野、留有余地，应提前开启转向灯，注意观察，保持安全距离，驶入要变更的车道。

答案 Answer: **A**. Correct The turn signal should be on for at least 3 seconds before turning the wheel.

判断题 / True or False **2021.** Under defensive driving techniques, as long as the driver keeps scanning and confirms no vehicle is approaching from behind, it is acceptable to change lanes without using the turn signal.

A. Correct **B.** Wrong

中文：按照防御性驾驶技术要求，只要驾驶人不断环回视野，在观察后方无来车的情况下，不开转向灯就变更车道也是可以的。

答案 Answer: **B**. Wrong The turn signal must always be turned on before changing lanes.

判断题 / True or False **2022.** When following another vehicle, the following distance does not matter much; under defensive driving techniques, matching the speed of the vehicle ahead is enough to prevent a rear-end collision.

A. Correct **B.** Wrong

中文：在道路上跟车行驶时，跟车距离不是主要的，只要按照防御性驾驶技术要求，保持与前车相等的速度，即可防止发生追尾事故。

答案 Answer: **B**. Wrong Maintaining a safe following distance is what effectively prevents rear-end collisions.

判断题 / True or False **2023.** Braking on muddy roads can easily cause the wheels to skid sideways or the rear to fishtail, leading to accidents. Under defensive driving techniques, when entering such a section, leave a margin of safety, slow down, and avoid emergency braking.

A. Correct **B.** Wrong

中文：在泥泞路上制动时，车轮易发生侧滑或甩尾，导致交通事故，按照防御性驾驶技术要求，进入该路段，行车要留有余地，减速慢行，尽量避免紧急制动。

答案 Answer: **A**. Correct On muddy sections, drivers should slow down and not exceed 30 km/h.

判断题 / True or False **2024.** If an oncoming vehicle forcibly overtakes and occupies your lane, under defensive driving techniques, you may refuse to yield and force the other vehicle to give way.

A. Correct **B.** Wrong

中文：行车中突遇对向车辆强行超车，占据自己车道时，按照防御性驾驶技术要求，可不予避让，迫使对方让路。

答案 Answer: **B**. Wrong Safety comes first: avoid and yield whenever possible.

单选题 / Single choice **2025.** When a motor vehicle passes through an intersection at night with no traffic signals, under defensive driving techniques, the driver should scan the surroundings, carefully observe the intersection, slow down in advance, and attract attention by ___.

A. Using high beams **B.** Using low beams **C.** Using hazard warning lights **D.** Alternating between high and low beams to signal

中文：机动车在夜间通过没有交通信号灯控制的交叉路口时，按照防御性驾驶技术要求，应当环回视野，认真观察路口路况，提前减速，要引人注意，___。

答案 Answer: **D**. Alternating between high and low beams to signal With no traffic signal, drivers must actively signal their presence to other road users.

单选题 / Single choice **2026.** When driving on a flooded road with non-motor vehicles on either side, under defensive driving techniques, attract attention by honking to alert non-motor vehicle riders that a motor vehicle is passing behind and to watch out; leave a margin of safety and anticipate their possible actions by ___.

A. Slowing down **B.** Driving normally **C.** Accelerating through **D.** Honking the horn continuously

中文：当驾驶车辆行经两侧有非机动车行驶且有积水的路面时，按照防御性驾驶技术要求，要引人注意，鸣喇叭示意非机动车驾驶人，后方有机动车通过，注意避让，要留有余地，预测非机动车驾驶人可能做的行动，___。

答案 Answer: **A**. Slowing down On flooded roads, vehicle speed should not exceed 30 km/h.

单选题 / Single choice **2027.** When meeting an oncoming vehicle that is having difficulty and needs to borrow your lane, under defensive driving techniques, leave a margin of safety, anticipate what it might do, and ___.

A. Do not encroach on the other lane and drive normally **B.** Signal the other vehicle to stop and yield **C.** Accelerate while staying to the right **D.** Yield and let the other vehicle go first whenever possible

中文：会车中遇到对方来车行进有困难需借道时，按照防御性驾驶技术要求，要留有余地，预测该车有可能做出的行动，应 ___。

答案 Answer: **D**. Yield and let the other vehicle go first whenever possible Safety comes first: avoid and yield whenever possible.

单选题 / Single choice **2028.** Before exiting a roundabout, under defensive driving techniques, look far ahead, observe the exit direction in advance, attract attention by turning on the ___, and remind following vehicles to keep a safe distance.

A. Left turn signal **B.** Hazard warning lights **C.** Right turn signal **D.** High beams

中文：驾驶车辆驶出环岛前，按照防御性驾驶技术要求，要放眼远方，提前观察出口方向路况，要引人注意，开启 ___，提醒跟进后车留有安全车距。

答案 Answer: **C**. Right turn signal No turn signal is needed when entering a roundabout, but the right turn signal must be used when exiting.

单选题 / Single choice **2029.** While driving, when a non-motor vehicle cuts in ahead, under defensive driving techniques, consider the overall situation and ___, while also attracting attention by tapping the brakes to warn the following vehicle to keep a safe distance.

A. Honk a warning **B.** Accelerate through **C.** Proactively slow down and yield **D.** Suddenly accelerate when close

中文：行车中，遇非机动车抢行时，按照防御性驾驶技术要求，要顾全大局，应 ___，同时要引人注意，通过点刹方式，警示跟进后车，注意保持安全车距。

答案 Answer: **C**. Proactively slow down and yield Motor vehicles must always yield to pedestrians and non-motor vehicles.

单选题 / Single choice **2030.** When driving in the rain and encountering pedestrians walking on the road with umbrellas or raincoats, under defensive driving techniques, attract attention and leave a margin of safety by ___, and pass cautiously.

A. Driving at normal speed **B.** Honking continuously to signal them to give way **C.** Accelerating to go around them **D.** Honking in advance and slowing down appropriately

中文：雨天行车，遇撑雨伞和穿雨衣的行人在公路上行走时，按照防御性驾驶技术要求，要引人注意、留有余地，应当 ___，谨慎通行。

答案 Answer: **D**. Honking in advance and slowing down appropriately Visibility is poor in the rain, so a horn tap to alert pedestrians is appropriate.

单选题 / Single choice **2031.** When entering a roundabout, under defensive driving techniques, look far ahead, observe the roundabout in advance, ___, leave a margin of safety, and slow down before entering.

A. Turn on the right turn signal **B.** Turn on the hazard warning lights **C.** Turn on the left turn signal **D.** No turn signal is needed

中文：驾驶车辆进入环岛时，按照防御性驾驶技术要求，要放眼远方，提前观察前方环岛路况，___，要留有余地，进入环岛前，提前减速。

答案 Answer: **D**. No turn signal is needed No turn signal is needed when entering a roundabout, but the right turn signal must be used when exiting.

判断题 / True or False **2032.** Under defensive driving techniques, when a motor vehicle enters a complex road section, the driver should have heightened safety awareness, maintain 360-degree situational awareness, and must not overtake a vehicle ahead that is turning left, making a U-turn, or overtaking.

A. Correct **B.** Wrong

中文：按照防御性驾驶技术要求，驾驶机动车进入复杂路段，要有更强的安全意识，保持 360° 环视能力，遇到前车正在左转弯、掉头、超车时，不得超车。

答案 Answer: **A**. Correct Overtaking should only be done when it is safe (when the conditions for overtaking are met).

单选题 / Single choice **2033.** When changing lanes while driving, under defensive driving techniques, scan your surroundings, leave a margin of safety, attract attention, carefully observe your surroundings, and turn on the turn signal ___ to alert vehicles behind.

A. At least 1 second in advance **B.** At least 3 to 5 seconds in advance **C.** No advance notice needed **D.** Decide based on the situation

中文：行车中变更车道，按照防御性驾驶技术要求，要环回视野、留有余地、引人注意，认真观察四周情况，___ 开启转向灯，提醒后方跟车注意。

答案 Answer: **B**. At least 3 to 5 seconds in advance The turn signal should be on for at least 3 seconds before turning the wheel.

单选题 / Single choice **2034.** If a motor vehicle breaks down during the day, obstructing traffic and difficult to move, under defensive driving techniques, the driver should attract attention by immediately turning on the ___, and place a warning sign 50 to 100 meters from the vehicle in the direction of oncoming traffic.

A. Outline marker lights **B.** Rear position lights **C.** High beams **D.** Hazard warning lights

中文：机动车白天在道路上发生故障，妨碍交通又难以移动的，按照防御性驾驶技术要求，应引人注意，立即开启 ___，并在距来车方向 50 米至 100 米处设置警告标志。

答案 Answer: **D**. Hazard warning lights Warning sign placement: 50-100 meters on ordinary roads, over 150 meters on highways.

单选题 / Single choice **2035.** When approaching a bus stopped at a station, to guard against the bus suddenly pulling away or pedestrians darting out in front of it, under defensive driving techniques, scan your surroundings and leave a margin of safety by ___.

A. Slowing down, keeping sufficient distance, and being ready to stop at any time **B.** Maintaining normal speed **C.** Being ready for emergency braking at any time **D.** Honking to alert and accelerating through

中文：车辆驶近停在车站的公交车辆时，为预防公交车突然起步或行人从车前穿出，按照防御性驾驶技术要求，要环回视野、留有余地，应 ___。

答案 Answer: **A**. Slowing down, keeping sufficient distance, and being ready to stop at any time Extra caution is required when passing a bus stop where buses are stopped.

判断题 / True or False **2036.** When overtaking on the road, under defensive driving techniques, as long as a margin of safety is kept, the driver should maximize lateral distance and may cross a solid line to overtake if necessary.

A. Correct **B.** Wrong

中文：在道路上超车时，按照防御性驾驶技术要求，只要留有余地，应尽量加大横向距离，必要时可越实线超车。

答案 Answer: **B**. Wrong Dashed lines may be crossed, but solid lines may not.

单选题 / Single choice **2037.** The five principles of defensive driving techniques are: look far ahead, consider the overall situation, scan your surroundings, ___, and attract attention.

A. Be bold yet careful **B.** Be quick with hands and feet **C.** Leave a margin of safety **D.** Drive slowly

中文：防御性驾驶技术五要领是：放眼远方、顾全大局、环回视野、___ 和引人注意。

答案 Answer: **C**. Leave a margin of safety This is a fixed set phrase to memorize.

单选题 / Single choice **2038.** When driving to a sharp curve in the road, under defensive driving techniques, leave a margin of safety, keep a safe driving line, and ___.

A. Use the opposing lane **B.** Brake sharply and pass at low speed **C.** Stay to the outside of the curve **D.** Slow down substantially and keep to the right

中文：驾驶车辆行至道路急转弯处，按照防御性驾驶技术要求，要留有余地，保持安全行车路线，___。

答案 Answer: **D**. Slow down substantially and keep to the right On sharp curves, vehicle speed should not exceed 30 km/h.

单选题 / Single choice **2039.** On a road without a center line, when the vehicle behind signals an intent to overtake, under defensive driving techniques, the vehicle ahead should consider the overall situation, scan the mirrors, stay aware of its surroundings, and ___.

A. Continue driving as before **B.** Accelerate **C.** Stop quickly and yield **D.** Slow down and yield to the right when conditions allow

中文：在没有道路中心线的道路上，遇后车发出超车信号时，按照防御性驾驶技术要求，前车应当顾全大局，扫视后视镜，保持对周围环境了解，___。

答案 Answer: **D**. Slow down and yield to the right when conditions allow When a following vehicle signals to overtake, the vehicle ahead should proactively yield when it is safe to do so.

判断题 / True or False **2040.** On the road, a person's natural vision is suited to walking speed, and the average driver's line-of-sight lead time is 3-6 seconds; under defensive driving techniques, look far ahead and extend your line-of-sight lead time to 15 seconds.

A. Correct **B.** Wrong

中文：在道路上，人的自然视力适宜步行速度，一般驾驶人的平均视线提前量为 3-6 秒，按照防御性驾驶技术要求，要放眼远方，要将您的视线提前量提高到 15 秒。

答案 Answer: **A**. Correct Drivers must stay focused to ensure driving safety.

单选题 / Single choice **2041.** When encountering a highly distracted pedestrian, such as one talking on a phone, under defensive driving techniques, leave a margin of safety and attract attention by ___.

A. Honking only when close **B.** Accelerating past on one side **C.** Maintaining normal speed **D.** Slowing down and honking to alert them

中文：行车中遇到接听手机等注意力高度集中的行人时，按照防御性驾驶技术要求，要留有余地、引人注意，应 ___。

答案 Answer: **D**. Slowing down and honking to alert them Motor vehicles must always yield to pedestrians and non-motor vehicles.

判断题 / True or False **2042.** When a sudden event occurs ahead or a pedestrian suddenly crosses the road, under defensive driving techniques, attract attention and adapt quickly: tap the brakes to slow down, use the flashing brake lights to alert the vehicle behind, make eye contact with the pedestrian to correctly judge their intent, and pass slowly only once it is confirmed safe.

A. Correct **B.** Wrong

中文：行车中遇到前方突发事件或行人突然横穿路面，按照防御性驾驶技术要求，要引人注意，要随机应变，采用点刹方式减速，并通过刹车灯频繁闪烁提醒后车注意，通过与行人的眼神交流，正确判断行人通行意图，确保安全情况下缓速通过。

答案 Answer: **A**. Correct Motor vehicles must always yield to pedestrians and non-motor vehicles.

单选题 / Single choice **2043.** When a vehicle ahead is moving slowly, under defensive driving techniques, scan your surroundings and keep your vehicle in a position with good visibility; leave a margin of safety, keep an appropriate following distance from surrounding vehicles, preserve an escape route in case of emergency, and ___.

A. Weave between the vehicles ahead **B.** Stop and wait **C.** Pass the vehicles ahead on either side **D.** Line up and proceed in turn

中文：机动车在遇有前方机动车缓慢行驶时，按照防御性驾驶技术要求，要环回视野，应当使您的车辆保持在便于观察的位置上；要留有余地，与四周车辆保持有适当的跟车距离，保持出现紧急情况时自己的出路，___。

答案 Answer: **D**. Line up and proceed in turn When traffic ahead is moving slowly, vehicles should queue and proceed in turn rather than adding to congestion.

单选题 / Single choice **2044.** When driving on a flooded road with pedestrians on either side, under defensive driving techniques, attract attention by honking to alert pedestrians that a vehicle is passing and to watch out; leave a margin of safety and anticipate their possible actions by ___.

A. Accelerating through **B.** Driving normally **C.** Slowing down **D.** Honking the horn continuously

中文：当驾驶车辆行经两侧有行人且有积水的路面时，按照防御性驾驶技术要求，要引人注意，鸣喇叭示意行人有车辆通过注意避让，要留有余地，预测行人可能做的行动，___。

答案 Answer: **C**. Slowing down On flooded roads, vehicle speed should not exceed 30 km/h.

单选题 / Single choice **2045.** When merging into traffic on a main road, under defensive driving techniques, scan your surroundings and attract attention by turning on the turn signal 3 seconds in advance, and ___.

A. Merge directly without observing **B.** Force your way into traffic **C.** Observe carefully and merge only after confirming it is safe **D.** Accelerate to merge, changing lanes repeatedly

中文：驾驶车辆汇入主干道车流时，按照防御性驾驶技术要求，要环回视野、引人注意，应提前 3 秒开启转向灯，___。

答案 Answer: **C**. Observe carefully and merge only after confirming it is safe Merging into traffic must be done only when it is safe.

判断题 / True or False **2046.** When driving on the road, speed should stay within the safe, legal limit; defensive driving techniques require looking far ahead, meaning the driver's line-of-sight lead time should be extended to 15 seconds.

A. Correct **B.** Wrong

中文：驾驶车辆在道路上行驶时，车速应当按照规定的速度安全行驶，防御性驾驶技术要求放眼远方，即要驾驶人将视线提前量提高到 15 秒。

答案 Answer: **A**. Correct Drivers must watch the road ahead and plan for it in advance to ensure driving safety.

判断题 / True or False **2047.** The main effect of rain on safe driving is a slippery road surface and obstructed visibility. Defensive driving techniques require the driver to keep scanning the surroundings and leave a margin of safety by keeping a sufficient distance from the vehicle ahead.

A. Correct **B.** Wrong

中文：雨天对安全行车的主要影响是路面湿滑，视线受阻，防御性驾驶技术要求，机动车驾驶人要环回视野，眼睛要不断观察周围情况，要留有余地，保持与前车足够的行车距离。

答案 Answer: **A**. Correct In rainy weather, slow down and maintain a safe following distance.

判断题 / True or False **2048.** When a vehicle on a multi-lane road encounters abnormal behavior from the vehicle ahead, under defensive driving techniques, leave a margin of safety, keep a safe distance from surrounding vehicles, promptly anticipate the possible actions of relevant vehicles and people, and preserve a safe escape route in case of emergency.

A. Correct **B.** Wrong

中文：车辆在多车道通行遇到前方车辆出现异常时，按照防御性驾驶技术要求，要留有余地，要保持与四周车辆的安全距离，及时预测相关车辆、人员有可能做的行动，保持出现紧急情况时自己有安全行驶的出路。

答案 Answer: **A**. Correct Keeping a safe following distance gives enough time to react in an emergency.

判断题 / True or False **2049.** A key feature of pedestrians in traffic is that their movement is often unpredictable and their direction can change suddenly. Under defensive driving techniques, when passing through a complex road section, drivers should have heightened safety awareness, maintain 360-degree situational awareness, observe both relevant and seemingly unrelated objects, make eye contact with pedestrians, and adapt as needed.

A. Correct **B.** Wrong

中文：行人参与道路交通的主要特点是行走随意性大，方向多变，按照防御性驾驶技术要求，驾驶人途经复杂路段，应要有更强的安全意识，保持 360° 环视能力，观察相关与不相关的物件，多与行人进行眼神交流，随机应变。

答案 Answer: **A**. Correct Motor vehicles must always yield to pedestrians and non-motor vehicles.

单选题 / Single choice **2050.** When a vehicle is driving slowly in congested traffic and another vehicle forcibly cuts in, under defensive driving techniques, consider the overall situation and ___ to ensure driving safety.

A. Honk a warning and refuse to let it in **B.** Accelerate and stay close behind the vehicle ahead to block it **C.** Proactively yield and always keep an appropriate following distance **D.** Squeeze against the cutting-in vehicle to force it away

中文：车辆在拥挤路段低速行驶时，遇其他车辆强行“加塞”，按照防御性驾驶技术要求，应顾全大局，___，确保行车安全。

答案 Answer: **C**. Proactively yield and always keep an appropriate following distance Safety comes first: avoid and yield whenever possible.

判断题 / True or False **2051.** When encountering children playing by the roadside, under defensive driving techniques, leave a margin of safety, slow down in advance, and drive through cautiously.

A. Correct **B.** Wrong

中文：行车中遇儿童在路边玩耍，按照防御性驾驶技术要求，要留有余地，要提前减速，谨慎驾车通过。

答案 Answer: **A**. Correct Motor vehicles must always yield to pedestrians in any situation.

单选题 / Single choice **2052.** When a vehicle on a main road approaches a junction with a side road, to prevent a collision with a vehicle suddenly entering from the side road, under defensive driving techniques, look far ahead, leave a margin of safety, and ___.

A. Slow down and observe in advance, drive cautiously **B.** Maintain normal speed **C.** Honk and pass through quickly **D.** Accelerate through in advance

中文：车辆在主干道上行驶，驶近主支干道交汇处时，为防止与从支路突然驶入的车辆相撞，按照防御性驾驶技术要求，要放眼远方、留有余地，应 ___ 。

答案 Answer: **A**. Slow down and observe in advance, drive cautiously Safety comes first: slow down when it is warranted.

判断题 / True or False **2053.** When driving through a complex road section, under defensive driving techniques, look far ahead, maintain 360-degree situational awareness, keep your vehicle in a position with good visibility at all times, and maintain an appropriate following distance at all times.

A. Correct **B.** Wrong

中文：在复杂路段行驶，按照防御性驾驶技术要求，要放眼远方，要求保持 360° 环视能力，要保证您的车辆始终处于便于观察的位置，在任何时候都保持适当的跟车距离。

答案 Answer: **A**. Correct On complex road sections, control your speed and keep a safe following distance.

单选题 / Single choice **2054.** The main effect of fog on safe driving is low visibility and poor sightlines. Under defensive driving techniques, leave a margin of safety by increasing the following distance and attract attention by promptly turning on the ___.

A. Rear position lights **B.** Low beams **C.** High beams **D.** Hazard warning lights

中文：雾天对安全行车的主要影响是能见度低，视线不清，按照防御性驾驶技术要求，要留有余地，适当拉开与前车的跟车距离，要引人注意，及时开启 ___。

答案 Answer: **D**. Hazard warning lights In foggy weather, drivers should turn on fog lights and hazard warning lights.

单选题 / Single choice **2055.** When driving normally, under defensive driving techniques, look far ahead and anticipate road conditions, so that when approaching an obstacle you can ___.

A. Brake hard enough to stop **B.** Swerve sharply to go around it **C.** Dodge quickly and avoid a collision **D.** Come to a smooth stop

中文：驾驶车辆正常行驶时，按照防御性驾驶技术要求，要放眼远方，对道路情况的处理要有预见性，在接近障碍时能 ___。

答案 Answer: **D**. Come to a smooth stop Driving requires anticipating road conditions in advance.

A. Compulsory insurance policy number **B.** Accident location **C.** License plate number **D.** Driver’s name

中文：“快处易赔”必须由人工输入的是?

答案 Answer: **D**. Driver’s name Driver information must be entered manually; the plate is auto-recognized, and the policy number and location need not be entered.

判断题 / True or False **2301.** When one party bears full responsibility, the non-liable party may claim directly against the fully liable party’s insurer, provided the liable party authorizes it.

A. Correct **B.** Wrong

中文：对一方承担全部责任的，在全责方授权的前提下，无责方可以直接向全责方保险公司提出索赔。

答案 Answer: **A**. Correct When the other party is fully liable, a claim can be made directly against that party’s insurer.

判断题 / True or False **2302.** An accident handled through on-site offline quick-processing (including off-road accidents) must simultaneously meet these conditions: it occurred within the city; it caused only property damage; and all colliding vehicles (including motorcycles) are covered by compulsory traffic insurance.

A. Correct **B.** Wrong

中文：现场采取线下快处的交通事故（含道路外交通事故）需同时满足以下条件：一是在本市境内发生；二是仅造成财产损失；三是碰撞各方为均已投保交强险的机动车（含摩托车）。

答案 Answer: **A**. Correct All three listed conditions must be met at the same time for offline quick-processing to apply.

判断题 / True or False **2303.** If a party disagrees with the remote traffic-police liability determination received via ”Quick Claim,” they may request remote liability guidance again.

A. Correct **B.** Wrong

中文：事故当事人不认可“快处易赔”收到的交通警察远程定责意见的，可以再次申请交警远程定责指导。

答案 Answer: **B**. Wrong Requesting it again is not useful; the party should call the police immediately or continue negotiating instead.

单选题 / Single choice **2304.** What needs to be manually entered in ”Quick Claim”?

A. The accident scenario **B.** License plate number **C.** Home address **D.** Accident GPS location

中文：“快处易赔”需要人工输入的有?

答案 Answer: **A**. The accident scenario ”Quick Claim” requires the accident scenario to be entered manually.

判断题 / True or False **2305.** If an accident qualifies for quick-processing and quick-clearing but the parties have not left the scene and called ”110,” the local traffic command center or officer on duty may guide them by phone to use ”Quick Claim” to photograph the scene, then move promptly to a location that does not affect traffic, either leaving on their own or waiting for police.

A. Correct **B.** Wrong

中文：符合快处、快撤条件，事故当事人未撤离现场并拨打“110”的，事发地交通指挥台或执勤民警可以通过电话引导当事人使用“快处易赔”拍摄事故现场照片后，提示尽快撤离至不影响交通的地点自行撤离或等候民警到场处理。

答案 Answer: **A**. Correct For accidents meeting the quick-processing and quick-clearing conditions, this phone-guided ”Quick Claim” approach is permitted.

判断题 / True or False **2314.** The Shanghai Measures for Quick Handling of Motor Vehicle Property-Damage Traffic Accidents require that parties using offline quick-processing must secure scene evidence by taking photos or similar means.

A. Correct **B.** Wrong

中文：《上海市机动车物损交通事故快速处理实施办法》规定当事人采取线下快处时必须要通过拍照等方式固定现场证据。

答案 Answer: **A**. Correct Both online and offline quick-processing require photographing the scene as evidence.

判断题 / True or False **2315.** The WeChat version of "Quick Claim" currently lets the parties confirm liability and other information by jointly entering the verification codes each received on their phones into "Quick Claim."

A. Correct **B.** Wrong

中文：目前"快处易赔"微信版可以通过将各方当事人手机收到的相关验证码共同输入"快处易赔"的方式，确认事故责任等信息。

答案 Answer: **A**. Correct The WeChat version of "Quick Claim" confirms liability by having both parties enter their received verification codes.

判断题 / True or False **2316.** For car insurance claims with clear facts, clear liability, and a claim amount under 5,000 yuan, insurers should consolidate the claim documents, combining the claim application, authorization, inspection record, loss confirmation, and claim notice into an "all-in-one" document.

A. Correct **B.** Wrong

中文：对事实清晰、责任明确，且索赔金额在 5000 元以下的车险理赔，保险公司应合并索赔单证，可以将索赔申请、委托授权、查勘记录、损失确认、索赔告知等内容整合，推行"多合一"单证。

答案 Answer: **A**. Correct This is one of "Quick Claim's" conveniences: eligible cases get a consolidated "all-in-one" document.

判断题 / True or False **2317.** The WeChat version of ”Quick Claim” currently confirms accident liability information via a handwritten signature.

A. Correct **B.** Wrong

中文：目前“快处易赔”微信版可以通过在手写签名的方式确认事故责任信息。

答案 Answer: **B**. Wrong Liability is confirmed by both parties entering the verification codes received on their phones, not by a handwritten signature.

判断题 / True or False **2318.** Traffic accidents involving vehicles carrying explosives, flammable or explosive chemicals, or toxic, radioactive, corrosive, or pathogenic hazardous materials do not fall under the Shanghai Measures for Quick Handling of Motor Vehicle Property-Damage Traffic Accidents; after calling the police, the parties may safely photograph the scene to secure evidence and move the vehicle to a place that does not obstruct traffic while awaiting handling.

A. Correct **B.** Wrong

中文：涉及载运爆炸物品、易燃易爆化学物品以及毒害性、放射性、腐蚀性、传染病病原体等危险物品车辆的交通事故不适用《上海市机动车物损交通事故快速处理实施办法》，当事人可以在报警后，在确保安全的原则下采取现场拍照等方式固定事故相关证据，将车辆移至不妨碍交通的地点等候处理。

答案 Answer: **A**. Correct Accidents involving hazardous materials are excluded from ”Quick Claim” and require calling the police and awaiting handling.

判断题 / True or False **2319.** Online quick-processing at the scene refers to the mode of using ”Quick Claim” to secure and upload photographic evidence, collect information about the people and vehicles involved, and complete the liability determination online.

A. Correct **B.** Wrong

中文：事故现场线上快处指：使用“快处易赔”固定、上传事故现场照片证据、采集人员、车辆等信息，并在线完成事故责任确定的模式。

答案 Answer: **A**. Correct The Shanghai measures define online quick-processing exactly this way.

单选题 / Single choice **2320.** What does not need to be manually entered in ”Quick Claim”?

A. Compulsory insurance policy number **B.** Accident location **C.** License plate number **D.** Driver’s name

中文：“快处易赔”无需人工输入的是?

答案 Answer: **C**. License plate number The license plate number is auto-recognized, while driver information must be entered manually and the policy number and location need not be entered.

判断题 / True or False **2321.** For an accident where both parties are at fault and each party’s loss is within the compulsory traffic insurance limit, the insurers handle it under the ”mutual collision, self-settlement” method.

A. Correct **B.** Wrong

中文：互为有责的事故，事故各方损失均在交强险责任限额以内的，保险公司按“互碰自赔”的方式进行处理。

答案 Answer: **A**. Correct ”Mutual collision, self-settlement” applies when both parties share fault and losses stay within the 2,000 yuan compulsory insurance limit with no injuries or third-party property damage.

判断题 / True or False **2322.** In the remote liability guidance process, neither the request-acceptance response nor the liability guidance step has a time limit, so the parties should wait patiently.

A. Correct **B.** Wrong

中文：远程定责指导中的申请受理响应和定责指导两个环节没有时间限制，当事人应当耐心等待。

答案 Answer: **B**. Wrong ”No time limit” is clearly incorrect; both steps do have time limits.

判断题 / True or False **2323.** For parties who complete accident handling via ”Quick Claim,” the at-fault party may report the accident to the insurer on-site to obtain a case number, and the insurer will guide them through the subsequent claims process.

A. Correct **B.** Wrong

中文：用“快处易赔”完成事故处理的当事人，有责方当事人现场可向保险公司报案取得报案号，并由保险公司引导办理后续保险理赔事宜。

答案 Answer: **A**. Correct This matches the standard ”Quick Claim” process of on-site reporting to the insurer for a case number.

判断题 / True or False **2324.** If a dispute over liability arises while using ”Quick Claim” to handle a traffic accident, the parties may request remote traffic-police liability guidance through ”Quick Claim.”

A. Correct **B.** Wrong

中文：当事人使用“快处易赔”处理交通事故过程中发现事故责任有争议时，可以通过“快处易赔”申请交警远程定责指导。

答案 Answer: **A**. Correct ”Quick Claim” offers full, no, and equal liability options, and remote traffic-police assistance is available if there is a dispute.

判断题 / True or False **2325.** If a party using self-negotiation provides false information, preventing the injured party from obtaining compensation, the injured party may report it to the traffic police where the accident occurred.

A. Correct **B.** Wrong

中文：采取自行协商的交通当事人提供虚假信息资料，造成受损方无法获得赔偿的，可至事故发生地公安机关交通管理部门报案。

答案 Answer: **A**. Correct If a dispute over self-negotiated handling cannot be resolved, the party should file a report with the police.

判断题 / True or False **2326.** Traffic accidents involving a driver who has been drinking or has taken state-controlled psychotropic drugs or narcotics do not fall under the Shanghai Measures for Quick Handling of Motor Vehicle Property-Damage Traffic Accidents; the parties should protect the scene and call the police immediately.

A. Correct **B.** Wrong

中文：涉及驾驶人饮酒、服用国家管制的精神药品或者麻醉药品的交通事故，不适用《上海市机动车物损交通事故快速处理实施办法》，当事人应当保护现场并立即报警。

答案 Answer: **A**. Correct Four situations exclude ”Quick Claim”: injury or death; no plate, licence, or local policy; alcohol or drugs; or an immovable vehicle.

判断题 / True or False **2327.** For accidents handled through on-site offline quick-processing, when filing a claim at a road traffic accident insurance claims service center or with the insurer, the parties must provide valid scene evidence, the self-negotiated accident agreement, or the (simplified-procedure) traffic accident determination, among other claim materials.

A. Correct **B.** Wrong

中文：现场采取线下快处的，交通事故当事人在道路交通事故保险理赔服务中心或保险公司办理保险理赔的，应向保险公司提供事故现场有效证据、道路交通事故自行协商协议书或《道路交通事故认定书（简易程序）》等理赔材料。

答案 Answer: **A**. Correct When filing a claim after offline quick-processing, valid scene evidence and the accident agreement or determination must be provided.

判断题 / True or False **2328.** For a property-damage accident involving a vehicle insured with compulsory and commercial insurance from another province or city, if it meets the quick-processing and quick-clearing conditions, the parties may secure scene evidence with phone photos, immediately move to a place that does not affect traffic, and handle it using the traditional paper-agreement quick-processing method.

A. Correct **B.** Wrong

中文：涉及持外省市投保交强险和商业险的机动车物损交通事故，符合快处、快撤条件的，当事人可以在现场通过手机拍照等方式固定现场证据后，立即撤离至不影响交通的地点，并采取填写纸质协议书传统快处模式处理。

答案 Answer: **A**. Correct This meets the quick-processing and quick-clearing conditions, so the described approach is correct.

单选题 / Single choice **2329.** In which situation must the parties protect the scene and wait for police to handle it?

A. Involving transport of hazardous materials **B.** A single-vehicle accident **C.** A dispute over facts, cause, or compensation **D.** Drunk driving or drug-impaired driving

中文：哪种情形下，事故当事人保护现场并等候民警到场处置?

答案 Answer: **D**. Drunk driving or drug-impaired driving In cases of drunk or drug-impaired driving, the parties must protect the scene and wait for police, unlike ”Quick Claim”-eligible cases.

判断题 / True or False **2330.** The Shanghai Measures for Quick Handling of Motor Vehicle Property-Damage Traffic Accidents provide that once parties who meet the quick-processing and quick-clearing conditions secure scene evidence with photos and complete the agreement, they need not exchange it for an accident determination at the police desk of the insurance claims service center, even if the property damage exceeds the compulsory insurance limit.

A. Correct **B.** Wrong

中文：《上海市机动车物损交通事故快速处理实施办法》规定，符合快处、快撤条件的当事人通过拍照等方式固定现场证据并填写协议书后，物损超过交强险责任限额的，也无需在道路交通事故保险理赔服务中心警务室换取事故认定书。
